PROGRAM) Executive Officer

WHEREAS, Encouragement of public participation to further the goals of recycling in the Metropolitan Service District is embodied in the Metro Solid Waste Management Plan; and

WHEREAS, Innovative ideas on the reuse, recycling or recovery of energy from municipal solid waste should be encouraged as a means by which Metro can serve the citizens of the metropolitan region; and

WHEREAS, Creation of a "One Percent for Recycling" fund to be administered as a grant/loan program through the use of Request for Proposals can be an effective program to further the above policies; now, therefore,

THE COUNCIL OF THE METROPOLITAN SERVICE DISTRICT HEREBY ORDAINS:

Section 1. The following chapter is added to the Code of the Metropolitan Service District:

CHAPTER 5.04

ONE PERCENT FOR RECYCLING PROGRAM

5.04.010 Policy and Purpose:

(a) It is the policy of the District to support a program of "One Percent for Recycling" as an innovative program which offers the potential to educate, inform and cultivate citizen participation in the solution to the region's solid waste problem.

(b) It is further policy of the District to support "One Percent for Recycling" as a means to foster implementation of innovative resource recovery technology and methods and that it is a means by which to attain further reuse, recycling and waste reduction in the region.

5.04.020 Funding: The Council shall create a separate account within the Solid Waste Operating Fund equal to 1 percent of each fiscal year's solid waste operating budget, to be set aside to fund small scale projects and proposals to further the policy expressed in this Chapter. Funds not expended in any one budget year shall be carried forward.

5.04.030 Approvals: Contracts brought forward under this program shall be approved in accordance with Chapter 2.04.

5.04.040 Recycling Advisory Committee: In order to implement the One Percent for Recycling Program the Executive Officer shall appoint a Recycling Advisory Committee consisting of five members, one member of which shall be a Metro Councilor, one member shall be an appropriate staff person within the Solid Waste Department, and three members shall be citizens with experience in or an interest in promoting recycling, waste reduction or reuse from the community. The appointments to the committee shall be subject to confirmation by the Council.

5.04.050 Administration: The administration of the program shall be subject to the approval of the Recycling Advisory Committee provided for above.

(a) On an annual basis a list of eligible projects shall be established by the Recycling Advisory Committee. The Projects List and criteria for allocating funds between projects shall be forwarded to the Council for approval by the Council.

(b) The Recycling Advisory Committee shall approve and publish criteria for selecting projects for funding through an RFP process. The Committee's recommendations and approvals shall be filed with the Council.

(c) The Committee shall annually report to the Council and the Executive Officer all projects approved and the amounts of funds expended on each project.

5.04.060 Staff Support: The Solid Waste Department shall provide administrative and staff support to the Recycling Advisory Committee and ensure that no funds shall be expended from the One Percent for Recycling budget amounts for any administrative or staff support purpose. It is the intent of the Council that the entire amount set aside each year be expended on contracts or grants promoting the purpose of this Chapter and that all overhead and staff support expenses necessary for implementing the program be borne by the Solid Waste Operating Fund separate from the One Percent amount.

ADOPTED by the Council of the Metropolitan Service District
this 14th day of July, 1988.

Mike Ragsdale, Presiding Officer

STAFF REPORT

CONSIDERATION OF ORDINANCE NO. 88-250, FOR THE
PURPOSE OF ADDING CHAPTER 5.04 TO THE METRO CODE
TO PROVIDE FOR A ONE PERCENT FOR RECYCLING
PROGRAM

Date: May 12, 1988

Presented by: Roosevelt Carter

FACTUAL BACKGROUND AND ANALYSIS

Waste reduction, recycling and recovery comprise the main thrust of Metro's Solid Waste Management Plan. In keeping with the philosophy behind the plan, as well as both state and federal law, one percent of the annual Solid Waste Department operating fund budget will be dedicated directly to small scale, innovative recycling technologies and methods.

Grants, loans or start-up money will be offered to the most outstanding proposals received and will be judged according to criteria established by the agency. The funds will be administered by the Executive Officer and disbursed in accordance with the Metro Code. Both public and private parties will be eligible to participate in the program. A request for proposals process will be used to solicit the projects.

Unlike other development projects undertaken by Metro, technologies or methods that are not yet commercially viable and have only undergone bench-scale testing will be considered through this process.

Projects may be physical, educational or research. Topics with potential for this program include, but are not limited to:

- mixed waste paper
- plastics
- office paper
- paint
- food waste
- household hazardous waste
- exempt small quantity hazardous waste operators
- public promotion and education
- apartment and multiple family dwelling recycling
- salvageable materials for reuse
- waste exchange
- cellulosic conversion of waste to ethanol
- vermiculture
- pyrolysis
- other new waste-to-energy technology

Funds allocated to this "One Percent for Recycling" program will be determined after the budget is adopted. A fund will be established whereby unused funds can be carried over to the next fiscal year to complete projects of a longer duration than the fiscal period.

Executive Officer's Recommendation

As the agency bearing the principal responsibility for solid waste disposal and the effective promotion of recycling practices throughout the region, the Metro Council, via budget action, has determined that the agency will lead by example and enact a formal One Percent for Recycling Program.

The Executive Officer recommends adoption of Ordinance No. 88-250.

COUNCIL MEETING AGENDA ITEMS

Agenda Item 7.3

Consideration of Ordinance No. 88-250B, For the Purpose of Adding Chapter 5.04 to the Metro Code to Provide for a One Percent for Recycling Program

Committee Recommendation

The Council Solid Waste Committee recommends Council adoption of Ordinance No. 88-250B.

Discussion

A public hearing was held on June 14, 1988. Wastech officials expressed concern that the One Percent for Recycling program may be in competition with those in the recycling business. In favor of creating markets and educating the public. Carol Brown stated she didn't want the program to be in competition with existing businesses.

The Committee decided to make some changes to the ordinance and consider it again on June 21.

On June 21, 1988, another public hearing was held on Ordinance No. 88-250B. One individual testified. Mr. Per Fagereng of Fair Share stated that the One Percent for Recycling was a good idea, but hoped the 1 percent was a floor and not a ceiling.

Councilor Kirkpatrick recommended two amendments to the ordinance which were passed by Committee. The first was to create a separate account, rather than a separate fund, within the Solid Waste Operating Fund. The second was to change 5.04.050(a) to read:

"On an annual basis a list of eligible projects shall be established by the Recycling Advisory Committee. The Projects List and criteria for allocating funds between projects shall be forwarded to the Council."

The Committee voted 4 to 0 to recommend Council adoption of Ordinance No. 88-250B. Voting aye: Councilors DeJardin, Hansen, Kelley and Kirkpatrick. This action taken June 21, 1988.

The Committee expressed appreciation to Metro employees for their good work on the Hazardous Waste Collection Day.

rendered by himself. He knew of no other legal opinions on the matter.

Councilor Coleman asked if the ordinance would provide assurance that a budget amendment allowing more Council control over procurement would be adopted at the same time the ordinance became effective. Councilor Kirkpatrick said Section 3 of the ordinance provided that "The effective date of this ordinance shall be December 31, 1988, or the date of adoption of an ordinance amending Ordinance No. 88-247 adopting a schedule of contract appropriations which appropriates funds for specified contract purposes, whichever date is the sooner."

Vote: A roll call vote on the motion to adopt the ordinance resulted in:

Ayes: Councilors Coleman, DeJardin, Hansen, Kelley, Knowles, Van Bergen and Ragsdale

Nays: Councilors Gardner and Kirkpatrick

Absent: Councilors Collier, Cooper and Waker

The motion carried and Ordinance No. 88-249 was adopted as recommended by the Internal Affairs Committee.

7.3 Consideration of Ordinance No. 88-250B, for the Purpose of Adding Chapter 5.04 to the Metro Code to Provide for a One Percent for Recycling Program

The Clerk read the ordinance a second time by title only. Presiding Officer Ragsdale said the first reading of the ordinance was held before the Council on May 26 and the ordinance was then referred to the Solid Waste Committee for a public hearing and recommendation. The Committee considered the matter and conducted hearings on May 31, June 14 and June 21.

Councilor Hansen, Chair of the Solid Waste Committee, reported the Committee unanimously supported adoption of the ordinance. It was an innovative program, he said, and provided a good response to the public's concern that Metro only sought "mega solutions" to solid waste disposal problems.

Motion: Councilor Hansen moved, seconded by Councilor Knowles, to adopt Ordinance No. 88-250B as recommended by the Solid Waste Committee.

Responding to Presiding Officer Ragsdale's question, Executive Officer Cusma said the fiscal impact of the program would be about

ORDINANCES, SECOND READINGS

7.2 Consideration of Ordinance No. 88-249, for the Purpose of Amending Chapter 2.04 of the Contract Procedures of the Metro Code in order to Clarify the Division of Powers Between the Council and the Executive Officer and Making Other Changes

The Clerk read the ordinance by title only a second time. The Presiding Officer announced that the first reading of the ordinance was conducted before the Council on May 26 and the ordinance was then referred to the Internal Affairs Committee for a public hearing and recommendation. The Committee considered the matter on June 9 and 16. Presiding Officer Ragsdale then reviewed the Committee's report to the Council which was included in the meeting agenda packet. The Committee unanimously had approved a motion to recommend the Council adopt Ordinance No. 88-249 as amended.

Motion: Councilor Ragsdale moved, seconded by Councilor DeJardin, to adopt Ordinance No. 88-249 as recommended by the Internal Affairs Committee.

Councilor Gardner said he would not support the motion. He explained the current process which provided for the Council to approve contracts over \$10,000 was created to give Metro's legislative body more control over procurement. Because of Metro's unique structure, he thought it unwise for the Council to relinquish that control.

Councilor Kirkpatrick also opposed the ordinance explaining the Council had responsibility for budget oversight. She thought it would be difficult to carry out that responsibility without the authority to approve large contracts.

Councilor Coleman asked if the Executive Officer's recommendation was based on General Counsel's legal opinion and questioned whether the Council could make a decision contrary to that opinion.

Dan Cooper, General Counsel, responded that the ordinance represented a solution to a political problem. If the problem were not resolved by Metro's elected officials it would be resolved in the courts. At Councilor Gardner's request, Mr. Cooper summarized the history of the Council's involvement in procurement. He said Metro's contract procedures were originally established by executive order in 1979 and no Council approval of contracts was required. The Council became involved in approving contracts when it adopted contract procedures in 1982 which are very similar to the procedures currently in force, he explained. Mr. Cooper said a legal opinion on the Council's authority over procurement had been rendered by former Metro Counsel Andy Jordan and was similar to the opinion

one percent of the solid waste operating budget or approximately \$300,000 for FY 1988-89. Councilor Hansen noted the Council had already approved the project budget.

Councilor Gardner said he supported the program and hoped the funded projects would be innovative. He also hoped the program focused solely on recycling and not small alternative technology projects.

The Presiding Officer noted one of the program requirements was an annual report to the Council from the project committee. He requested the Executive Officer develop guidelines for the reporting process and distribute those guidelines to the Council.

Vote: A roll call vote on the motion to adopt the ordinance resulted in all nine Councilors present voting aye. Councilors Collier, Cooper and Waker were absent.

The motion carried and the ordinance was adopted.

7.4 Ordinance No. 88-251, for the Purpose of Amending Section 4.01.030 of the Metro Code to Prohibit Illegal Parking in the Zoo Parking Lot and Other Areas Adjacent to the Washington Park Zoo, and Providing for the Issuance of Citations by Metro Personnel

The Clerk read the ordinance a second time by title only. Presiding Officer Ragsdale announced the first reading of the ordinance was conducted before the Council on June 9 and it was then referred to the Intergovernmental Relations Committee for a public hearing and recommendation. The Committee considered the matter on June 21.

Councilor DeJardin, Vice-Chair of the Intergovernmental Relations Committee, reported the ordinance was drafted after regretful circumstances brought about by Zoo visitors parking in fire lanes and other prohibited areas on concert nights and other busy periods. The ordinance was necessary to discourage people from continuing illegal parking practices. The Committee had unanimously recommended adoption of the ordinance.

Motion: Councilor DeJardin moved, seconded by Councilor Kelley, to adopt Ordinance No. 88-251 as recommended by the Intergovernmental Relations Committee.

Responding to Councilor Knowles' questions, Zoo Security Manager Dick Karnuth explained that under current provisions, Zoo personnel could have cars towed only after City of Portland police issued traffic violations. Due to heavy traffic on concert nights, that was not a workable solution. The ordinance would allow Zoo personnel to issue citations.

Councilor Coleman asked how the amount of citations would be determined. She was thought the amount should be high enough to deter continued parking violations. Dan Cooper, General Counsel, explained he would soon draft an ordinance providing for the citation amount to be determined by the Multnomah County Court. Citations would then be the same as those issued by Portland and County police, he said. Amounts would vary depending on whether the violator had parked in a handicapped parking zone, a fire lane, etc. He pointed out the Metro Code provided a maximum penalty of \$500 for violating any Code provision.

Councilor Van Bergen was concerned about prohibited activities listed in Section 4.01.030(3)(1) through (9). He suggested staff work with the Multnomah County Bar Association to have those provisions reviewed and an opinion rendered. He was concerned about possible exposure if someone sued for false arrest or if Zoo security staff carried weapons or were not adequately trained. He also suggested staff talk with Tri-Met to learn from its police program experience. Councilor Kelley said she shared some of the Councilor's concerns. She thought the Council should review the new citation program in September to see if improvements should be made.

Councilor Hansen said he hoped staff would mark parking areas in order to warn Zoo visitors that citations would be issued to violators.

Vote: A roll call vote on the motion to adopt the ordinance resulted in all nine Councilors present voting aye. Councilors Collier, Cooper and Waker were absent.

The motion carried and the ordinance was adopted.

Councilor DeJardin said he had noticed solicitors near the Zoo's entrance and suggested a sign be posted informing the public that people had the right to solicit at that location but those people did not necessarily reflect the views and opinions of Metro. Presiding Officer Ragsdale said the Executive Officer could direct staff to post such a sign.

9. COMMITTEE REPORTS

Solid Waste Committee. In response to Councilor Knowles' question, Councilor Hansen reported the Committee would soon forward legislation to the Council regarding policy for the East Transfer & Recycling Center(s). The Council could expect to consider the legislation in August, he said. Councilor Knowles was concerned that further delays in developing policy would narrow the field of firms responding to a bid for transfer station services.

6. CONSENT AGENDA

Motion: Councilor DeJardin moved, seconded by Councilor Cooper, to approve the Consent Agenda.

Vote: A vote on the motion resulted in all eight Councilors present voting aye.

The motion carried and the following items were approved.

- 6.1 Minutes of April 14 and 28, 1988; and
- 6.2 Resolution No. 88-914, Authorizing Federal Funds for Seven Section 16(b)(2) Transportation Projects and Amending the Transportation Improvement Program

7. ORDINANCES

- 7.1 Consideration of Ordinance No. 88-249, Amending Chapter 2.04, Metro Contract Procedure of the Metro Code, in Order to Clarify the Division of Powers Between the Council and the Executive Officer and Making Other Changes (First Reading)

- 7.2 Consideration of Ordinance No. 88-250, Adding Chapter 5.04 to the Metro Code to Provide for a One Percent for Recycling Program (First Reading)

Councilor Van Bergen submitted for the record a letter from the Eagle Creek Grange regarding Metro's recent ban on waste disposed by citizens at the Clackamas Transfer & Recycling Center (CTRC) as a result of the city of Oregon City's limit on the amount of waste that could be disposed at the facility.

3. CITIZEN COMMUNICATIONS TO COUNCIL ON NON-AGENDA ITEMS

Estle Harlan, 2202 Lake Road, Milwaukie, Oregon 97222, representing the solid waste disposal industry and the Tri-County Council, distributed written comments concerning the recent Clackamas County Circuit Court decision that Metro comply with the 700 ton per day limit to waste entering CTCRC imposed by the city of Oregon City. Ms. Harlan asked Metro not to make hasty decisions regarding how to comply with the limit. Rather, she suggested the agency take the time to assure that the system was properly managed.
