

METRO

A G E N D A

MEETING: REGIONAL SOLID WASTE ADVISORY COMMITTEE

DATE: Wednesday June 21, 2000

TIME: 8:30 a.m. – 10:00 a.m.

CANCELLED

The June SWAC meeting is cancelled because pending legislation on transfer stations and the excise tax was moved to Metro Council ahead of schedule. The July 19, 2000 SWAC meeting will be held as scheduled. The agenda and date for the SWAC orientation for new members and alternates will follow in a separate mailing.

REM staff have received a request to arrange tours of solid waste facilities in the Metro region for new SWAC (and Rate Review Committee) members and alternates. Solid waste facilities in the region include:

- regional transfer stations
- limited purpose landfills
- mixed-use facilities (transfer and processing)
- clean materials recovery facilities
- “dirty” materials recovery facilities
- yard debris processing facilities.

We want to gauge the level of interest in such a tour. If you are interested in touring one or more of these facilities, please contact Connie Kinney in REM (797-1643 phone, 797-1795 fax, kinneyc@metro.dst.or.us e-mail). Please let her know the type (or types) of facility you’re interested in touring – i.e., transfer station, yard debris processing, etc.

Chair: Councilor Ed Washington (797-1546)
Alternate Chair: Councilor Susan McLain (797-1553)
Staff: Meg Lynch (797-1671) or Doug Anderson (797-1788)
Committee Clerk: Connie Kinney (797-1643)
