ARTICLE II

AUTHORIZATION, ISSUANCE AND PROVISIONS OF 1989 COMPOST PROJECT BONDS

Section 201. Authorization of 1989 Compost Project Bonds; Limited Obligations.

(a) **Principal Amount; Three Separate Series.** The 1989 Compost Project Bonds are hereby authorized to be issued in an aggregate principal amount not to exceed \$30,000,000 for the purposes enumerated in the recitals hereto. The 1989 Compost Project Bonds shall be issued in two separate series, such series to be designated "Metropolitan Service District Waste Disposal Project Revenue Bonds (Riedel Oregon Compost Company, Inc. Project), 1989 Series A", and "Metropolitan Service District Waste Disposal Project Revenue Bonds (Riedel Oregon Compost Company, Inc. Project), 1989 Series B". The Series A Bonds and the Series B Bonds shall each be issued in the aggregate principal amounts determined by the Executive Officer pursuant to Section 1011 hereof.

(b) **1989 Compost Project Bonds to Constitute Project Bonds of a Single Series Under Master Ordinance.** The Series A Bonds and the Series B Bonds, together with any Additional Bonds issued pursuant to Section 210 of this 1989 Supplemental Ordinance, shall be Project Bonds and shall constitute a single Series, all as defined in and within the meaning of the Master Ordinance.

(c) **Limited Obligations.** The Series A Bonds and all obligations of the Issuer under or with respect to the Series A Bonds, this 1989 Supplemental Ordinance and the 1989 Credit Agreement (but only insofar as the obligations under the 1989 Credit Agreement arise with respect to the Series A Bonds) shall be and remain limited obligations of the Issuer payable solely and only out of the Series A Trust Estate. The Series B Bonds and all obligations of the Issuer under or with respect to the Series B Bonds, this 1989 Supplemental Ordinance and the 1989 Credit Agreement (but only insofar as the obligations under the 1989 Credit Agreement arise with respect to the Series B Bonds) shall be and remain limited obligations of the Issuer payable solely and only out of the Series B Trust Estate. No recourse shall be had against any properties, funds or assets of the Issuer (other than the Series A Trust Estate with respect to the Series A Bonds and the Series B Trust Estate with respect to the Series B Bonds) for the payment of any amounts owing under or with respect to the 1989 Compost Project Bonds, this 1989 Supplemental Ordinance or the 1989 Credit Agreement. Neither the 1989 Compost Project Bonds, this 1989 Supplemental Ordinance, the 1989 Credit Agreement nor the obligations of the Issuer under or with respect thereto constitute or create an indebtedness of the Issuer within the meaning of any constitutional or statutory debt limitation.

(d) **Tax-Exempt and Taxable Obligations.** The Series A Bonds and the Series B Bonds are issued

as, and are intended to be, Tax-Exempt Obligations.

Section 202. Maturity Dates and Mandatory Redemption Schedules for the 1989 Compost Project Bonds.

(b) **The Series B Bonds.** The Series B Bonds shall mature on such date as shall be determined by the Executive Officer pursuant to Section 1011 hereof but in no event later than January 1, 2014. The Mandatory Redemption Schedule for the Series B Bonds shall be established by the Executive Officer upon the sale of the Series B Bonds as provided in and pursuant to Section 1011 hereof.

Section 203. Denominations; Dating; Interest Accrual; Computation of Interest; Payments Due on Holidays.

(a) **Denominations and Dating.** The 1989 Compost Project Bonds shall be issued in Authorized Denominations. Each 1989 Compost Project Bond shall be dated as of the Closing Date. Each 1989 Compost Project Bond also shall bear its date of authentication as noted thereon by the 1989 Trustee.

(b) **Interest Accrual.** Each 1989 Compost Project Bond shall bear interest from the Interest Payment Date to which interest has been paid next preceding the date of its authentication, unless the date of its authentication:

(i) is an Interest Payment Date to which interest on such 1989 Compost Project Bond has been paid, in which event such 1989 Compost Project Bond shall bear interest from its date of authentication; or

(ii) is prior to the first Interest Payment Date for the 1989 Compost Project Bond, in which event, such 1989 Compost Project Bond shall bear interest from its date.

(c) **Payments Due on Holidays.** Interest on the 1989 Compost Project Bonds shall be due and payable on each Interest Payment Date for such bonds; *provided that* whenever a payment of principal of, premium (if any) or interest on a 1989 Compost Project Bond is due on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day with the same force and effect as if made on the stated due date.

(d) **Computation of Interest.** While any 1989 Compost Project Bond bears interest at a Weekly, Monthly or Commercial Paper Rate, interest on such bond shall be computed on the basis of a 365- or 366-day year (as the case may be) and the actual number of days elapsed. While any 1989 Compost Project Bond bears interest at a Semiannual, Extended or Fixed Rate, interest on such bond shall be computed on the basis of a 360-day year and twelve 30-day months.

(e) **Method of Payment.** Payments of interest on the 1989 Compost Project Bonds (other than any Credit Purchased Bond) shall be made to the registered Owners thereof (as determined at the close of business on the Record Date next preceding the related Interest Payment Date) by Wire Transfer (if requested in writing of the 1989 Trustee by an Owner of not less than \$1,000,000 aggregate principal amount of 1989 Compost Project Bonds not less than five days prior to the applicable Interest Payment Date) or by check or draft mailed to the address of each such Owner as it appears on the registration books of the Issuer maintained by the 1989 Trustee as Bond Registrar, or to such other address as may be furnished in writing to the 1989 Trustee prior to the applicable Record Date by

such registered Owner.

Payment of the principal of and redemption premium (if any) on the 1989 Compost Project Bonds shall be made only upon presentation and surrender of such 1989 Compost Project Bonds (other than any Credit Purchased Bond) on or after the maturity or redemption date, as appropriate, at the principal corporate trust office of the 1989 Trustee.

Payment of all amounts owing under any Credit Purchased Bond shall be made when due by Wire Transfer to such account as the 1989 Credit Provider may designate in writing to the 1989 Trustee or in such other manner as may be specified in the 1989 Credit Agreement; *provided that* final payment of all amounts owing under any Credit Purchased Bond shall only be made upon presentation and surrender of such Credit Purchased Bond at the principal corporate trust office of the 1989 Trustee.

(f) Provisions for Book-Entry System. The 1989 Compost Project Bonds will be subject to a Book-Entry System of ownership and transfer, except as provided in (iii) below. The general provisions for effecting such Book-Entry System are as follows:

(i) The Issuer hereby designates The Depository Trust Company, New York, New York, as the initial Securities Depository hereunder.

(ii) Notwithstanding the provisions regarding exchange and transfer of 1989 Compost Project Bonds under the Master Ordinance, the 1989 Compost Project Bonds shall initially be evidenced by one certificate for each maturity (including one certificate for each principal amount due pursuant to a Mandatory Redemption Schedule), in an amount equal to the aggregate principal amount thereof. The 1989 Compost Project Bonds so initially delivered shall be registered in the name of "Cede & Co." as nominee for The Depository Trust Company. The 1989 Compost Project Bonds may not thereafter be transferred or exchanged on the registration books of the Issuer held by the 1989 Trustee as Bond Registrar except:

(A) to any successor Securities Depository designated pursuant to (iii) below;

(B) to any successor nominee designated by a Securities Depository; or

(C) if the Issuer shall, by resolution, elect to discontinue the Book-Entry System pursuant to (iii) below, the Issuer will cause the 1989 Trustee to authenticate and deliver replacement 1989 Compost Project Bonds in fully registered form in Authorized Denominations in the names of the Beneficial Owners or their nominees; thereafter the provisions of the Master Ordinance regarding registration, transfer and exchange of 1989 Compost Project Bonds shall apply.

(iii) Upon the resignation of any institution acting as Securities Depository hereunder, or if the Issuer determines that continuation of any institution in the role of Securities Depository is not in the best interests of the Beneficial Owners, the Issuer will attempt to identify another institution qualified to act as Securities Depository hereunder. If the Issuer is unable to identify such successor Securities Depository prior to the effective date of the resignation, the Issuer shall discontinue the Book-Entry System, as provided in (ii)(C) above.

(iv) So long as the Book-Entry System is used for the 1989 Compost Project Bonds, the 1989 Trustee will give any notice of redemption or any other notices required to be given to Owners of 1989 Compost Project Bonds only to the Securities Depository or its nominee registered as the Owner thereof. Any failure of the Securities Depository to advise any of its Participants, or of any Participant to notify the Beneficial Owner, of any such notice and its content or effect will not affect the validity of the redemption

of the 1989 Compost Project Bonds called for redemption or of any other action premised on such notice. Neither the Issuer nor the 1989 Trustee is responsible or liable for the failure of the Securities Depository or any Participant thereof to make any payment or give any notice to a Beneficial Owner in respect of the 1989 Compost Project Bonds or any error or delay relating thereto.

During any period in which the 1989 Compost Project Bonds are subject to the Book-Entry System, the Securities Depository may make an appropriate notation on the 1989 Compost Project Bonds indicating the date and amounts of any reduction in principal resulting from a partial redemption, acceleration or any similar transaction necessitating a reduction in principal amount, other than any such reduction occurring on the final maturity date of a 1989 Compost Project Bond (in which case the certificate evidencing such 1989 Compost Project Bond must be surrendered to the 1989 Trustee prior to the payment thereof at maturity).

(g) Form of 1989 Compost Project Bonds. The 1989 Compost Project Bonds shall be issued in substantially the form attached hereto as the 1989 Compost Project Bond Form Appendix but with such variations, changes, additions and deletions as may be necessary or appropriate and not inconsistent with the provisions of this 1989 Supplemental Ordinance; *provided that* in the event the Book-Entry System established hereunder with respect to the 1989 Compost Project Bonds is ever discontinued, the Issuer shall cause to be prepared, executed and delivered to the 1989 Trustee for authentication and exchange a form of 1989 Compost Project Bond which contains such additional details concerning the terms thereof as is customary in connection with bonds of similar type which are not subject to a Book-Entry System.

Section 204. Interest Rate Provisions. Each 1989 Compost Project Bond shall bear interest on the unpaid principal balance thereof at the rate or rates of interest determined and adjusted from time to time in the manner provided in this Article II; *provided that* in no event shall the 1989 Compost Project Bonds bear interest at a rate in excess of the Maximum Rate.

Section 205. Initial Interest Rate Period. During the Initial Interest Rate Period (if any), the 1989 Compost Project Bonds shall bear interest at the Initial Interest Rate, with all interest on the 1989 Compost Project Bonds accruing during such Initial Interest Rate Period to be due and payable in full on the Business Day next following the last day of the Initial Interest Rate Period. Commencing on the Business Day next following the last day of the Initial Interest Rate Period and continuing until changed pursuant to Sections 207 and 208 hereof, the 1989 Compost Project Bonds shall bear interest at a Weekly Rate. Notwithstanding the foregoing or anything expressed or implied herein to the contrary, the Executive Officer, pursuant to Section 1011 hereof, shall determine whether or not there shall be an Initial Interest Rate Period and if the Executive Officer determines that there shall not be an Initial Interest Rate Period, then and in such event the 1989 Compost Project Bonds shall bear interest at a Weekly Rate from the Closing Date until converted to another Rate Period as provided herein.

Section 206. Variable Rates and Commercial Paper Rates.

(a) Determination by Remarketing Agent; Notice of Rates Determined. Commencing on the Business Day next following the last day of the Initial Interest Rate Period (if there is to be an Initial Interest Rate Period) or on the Closing Date (if there is not to be an Initial Interest Rate Period), the 1989 Compost Project Bonds shall bear interest at a Weekly Rate determined from time to time by the Remarketing Agent as provided herein until converted to another Rate Period as provided herein. Subject to the further provisions of this Article II with respect to particular Variable Rates, Commercial Paper Rates or conversions between Rate Periods, and subject to the provisions of the 1989 Compost Project Bonds, the Variable or Commercial Paper Rate to be applicable to 1989 Compost Project Bonds during any Variable or Commercial Paper Rate Period shall be determined by the Remarketing Agent as provided in this Section 206 and notice thereof shall be given as follows:

(i) Notice of each preliminary Variable Rate, Minimum Variable Rate, Variable Rate and Commercial Paper Rate (other than any Semiannual or Extended Rate) shall be given as follows:

(A) by the Remarketing Agent to the Tender Agent and the 1989 Trustee (unless at the time such Remarketing Agent is the Tender Agent) by telephone (followed by notice in writing by an authorized officer of the Remarketing Agent) not later than 5:00 p.m. (New York City Time) on the date of determination; and

(B) the Tender Agent will give notice to the 1989 Credit Provider promptly upon the Tender Agent's receipt of notice under subparagraph (A) above.

(ii) Notice of each preliminary Semiannual and Extended Rate, and of each Semiannual and Extended Rate, shall be given by the Remarketing Agent to the 1989 Trustee and the 1989 Trustee shall give notice thereof in writing to the Owners of the 1989 Compost Project Bonds not later than 5:00 p.m. (New York City Time) on the third Business Day following the date of determination.

(iii) The Remarketing Agent shall inform the 1989 Trustee, and the 1989 Trustee shall inform the Owners of the 1989 Compost Project Bonds, of Weekly and Monthly Rates, and of Minimum Monthly, Semiannual and Extended Rates, upon request.

(iv) Notice of the Commercial Paper Rate for a 1989 Compost Project Bond shall be given to the purchaser of such 1989 Compost Project Bond pursuant to Section 303(b) hereof, but need not be given to the other Owners of the 1989 Compost Project Bonds in a Commercial Paper Rate Period.

(v) The preliminary Variable Rate, the Minimum Variable Rate or the Variable Rate so to be determined shall be the lowest rate of interest which, in the judgment of the Remarketing Agent, would allow the affected 1989 Compost Project Bonds to have a market value equal to the principal amount thereof, plus accrued interest, under prevailing market conditions as of the date of determination; *provided that:*

(A) if the Remarketing Agent fails for any reason to determine or notify the Tender Agent of:

(1) the Minimum Variable Rate for any Variable Rate Period when required hereunder, the Minimum Variable Rate for such period shall be the Variable Rate then in effect; or

(2) the Variable Rate for any Variable Rate Period when required hereunder, the Variable Rate for such period shall be the Variable Rate (or Minimum Variable Rate, if any) then in effect for the 1989 Compost Project Bonds under consideration;

(B) in no event shall the Variable Rate for any Variable Rate Period be lower than the Minimum Variable Rate for such period; and

(C) in no event shall either the Minimum Variable Rate or the Variable Rate for any Variable Rate Period exceed the Maximum Rate.

All determinations of Minimum Variable Rates and Variable Rates pursuant to this Section shall be conclusive and binding upon the Issuer, the Borrower, the 1989 Trustee, the Paying Agent, the Tender Agent, the 1989 Credit Provider, and the Owners of the 1989 Compost Project Bonds. The Issuer, the Borrower, the 1989 Trustee, the Paying Agent, the Tender Agent and the Remarketing Agent shall not be liable to the Owners of any 1989 Compost Project Bond for failure to give any notice required above or for failure of the Owner of any Bond to receive any such notice.

(b) Weekly Rate Periods. Weekly Rate Periods shall be from Thursday of each week to (but not including) Thursday of the following week; except that:

(i) in the case of a conversion to a Weekly Rate Period from a different Variable Rate Period or from Commercial Paper Rate Periods, the initial Weekly Rate Period for the 1989 Compost Project Bonds shall be from the Weekly Rate Conversion Date to (but not including) Thursday of the following week; and

(ii) in the case of a conversion of the 1989 Compost Project Bonds from a Weekly Rate Period to a different Rate Period, the last Weekly Rate Period shall end on the Conversion Date.

The Weekly Rate for each Weekly Rate Period shall be determined not later than 4:00 p.m. (New York City Time) on the Business Day which is immediately prior to the commencement date of the Weekly Rate Period to which it relates.

(c) Monthly Rate Periods. Monthly Rate Periods shall be from the first Business Day of each calendar month to (but not including) the first Business Day of the following month.

The Monthly Rate for each Monthly Rate Period shall be determined as follows:

(i) a Minimum Monthly Rate for each Monthly Rate Period shall be determined not later than 4:00 p.m. (New York City Time) on the last Business Day which is at least eight days immediately preceding the commencement date of such period; and

(ii) the actual Monthly Rate for each Monthly Rate Period shall be determined not later than 4:00 p.m. (New York City Time) on the Business Day immediately preceding the commencement date of such period.

(d) Semiannual Rate Periods. Semiannual Rate Periods shall be:

(i) from the Semiannual Rate Conversion Date for the 1989 Compost Project Bonds and from the first Business Day of each sixth calendar month thereafter; to (but not including)

(ii) the first Business Day of the sixth month thereafter.

The Semiannual Rate for each Semiannual Rate Period shall be determined as follows:

(A) a preliminary Semiannual Rate for each Semiannual Rate Period shall be determined not later than 4:00 p.m. (New York City Time) on the last Business Day which is at least 30 days immediately preceding the commencement date of such period;

(B) a Minimum Semiannual Rate for each Semiannual Rate Period shall be determined not later than 4:00 p.m. (New York City Time) on the last Business Day which is at least 18 days immediately preceding the commencement date of such period; and

(C) the actual Semiannual Rate for each Semiannual Rate Period shall be determined not later than 4:00 p.m. (New York City Time) on the Business Day immediately preceding the commencement date of such period.

(e) Extended Rate Periods. Extended Rate Period shall commence initially on the Extended Rate Conversion Date, and subsequently on the first Business Day of the calendar month following the last day of the prior Rate Period and extend for a period of one year or integral multiples of six months in excess of one year set by the Remarketing Agent, and end on a day which is the last day preceding the first Business Day of a calendar month.

The Extended Rate for each Extended Rate Period shall be determined as follows:

(f) Commercial Paper Rate Periods. The Commercial Paper Rate Periods shall be of such duration, not exceeding 180 days, as may be offered by the Remarketing Agent and specified by the purchaser of the related 1989 Compost Project Bond pursuant to Section 303 or 304 hereof. Each Commercial Paper Rate Period shall:

(i) commence on a Business Day (initially, the Commercial Paper Rate Conversion Date); and

(ii) end on a day which immediately precedes a Business Day.

The Commercial Paper Rate for each Commercial Paper Rate Period shall be effective from the commencement date of such period to the day following the last day thereof. Each such Commercial Paper Rate shall be determined by the Remarketing Agent in connection with the sale of the 1989 Compost Project Bond to which it relates pursuant to Sections 303 or 304 hereof.

Section 207. Conversion between Variable Rate Periods and Commercial Paper Rate Periods.

(a) Conversion at Remarketing Agent's Option. At the option of the Remarketing Agent and upon delivery of an Opinion of Bond Counsel to the Issuer and the 1989 Trustee, the 1989 Compost Project Bonds may be converted from one Variable Rate Period to another or to or from a Commercial Paper Rate Period or Periods, as provided in this Section, which will, in the Remarketing Agent's judgment, from the date of determination, produce the greatest likelihood of the lowest net interest cost to the Issuer and the Borrower during the term of the 1989 Compost Project Bonds; *provided that*, notwithstanding the foregoing, in no event may the 1989 Compost Project Bonds be converted from a Weekly Rate Period to a Commercial Paper Rate Period or any Variable Rate Period other than a Weekly Rate Period unless and until the Issuer has appointed a person or entity to act as Tender Agent during the Rate Period to which the 1989 Compost Project Bonds are to be converted and the person or entity so appointed agrees in writing to act in such capacity. It is recognized that:

(i) the Remarketing Agent may, in the exercise of its judgement, determine Variable or Commercial Paper Rate Periods for the 1989 Compost Project Bonds in order to achieve an average of Commercial Paper Rate Periods that result in interest rates on the 1989 Compost Project Bonds that are higher than those that would be borne by 1989 Compost Project Bonds with shorter Variable or

Commercial Paper Rate Periods in order to increase the likelihood of achieving the lowest overall debt service costs to the Issuer and the Borrower by assuring the availability of such interest rates for the longer Variable or Commercial Paper Rate Periods; and

(ii) in view of the uncertainties involved in forecasting interest rates, the Remarketing Agent may establish different Commercial Paper Rate Periods for the 1989 Compost Project Bonds in order to achieve an average of Commercial Paper Rate Periods that, in its judgment, is most likely to achieve the lowest overall debt service on the 1989 Compost Project Bonds during their life.

The Remarketing Agent, in its discretion, may consider such information and resources as it deems appropriate in making the determinations required by this paragraph, but the Remarketing Agent's determination of the Variable or Commercial Paper Rate Period for the 1989 Compost Project Bonds shall be based solely upon the Remarketing Agent's judgment.

(b) Conversion Dates. In the case of conversion between Variable Rate Periods or to a Commercial Paper Rate Period or Periods, the Conversion Date shall be an Interest Payment Date for the Variable Rate Period from which the conversion is to be made; *provided however, that* in the case of a conversion from an Extended Rate Period, the Conversion Date shall be limited to an Interest Payment Date on which a new Extended Rate Period for the 1989 Compost Project Bonds would otherwise have commenced pursuant to Section 206(e) hereof. In the case of conversion from a Commercial Paper Rate Period, the Conversion Date shall be both:

(i) the first Business Day of a calendar month; and

(ii) the last Interest Payment Date on which interest is payable for any and all Commercial Paper Rate Periods theretofore established for any 1989 Compost Project Bond pursuant to Section 303 (as established by a certificate of the Remarketing Agent).

(c) Notice From Remarketing Agent of Conversion. The Remarketing Agent shall give written notice of any such conversion to the Borrower, the 1989 Trustee, the Paying Agent, the Tender Agent, the Issuer and the 1989 Credit Provider not less than five Business Days prior to the date on which the Tender Agent is required to notify the Owners of the affected bonds of the conversion pursuant to Section 207(d) below. Such notice shall specify the Conversion Date and the Rate Period to which the conversion will be made.

(d) Notice to Owners. Not less than 30 days prior to the Conversion Date in the case of conversions from a Weekly or Commercial Paper Rate Period or Periods, and not less than 30 days prior to the Conversion Date in all other cases, the Tender Agent shall mail or cause the Paying Agent to mail a written notice of the conversion to the 1989 Credit Provider, the Borrower and all of the Owners of the 1989 Compost Project Bonds. A copy of such notice shall be sent to the Issuer and the 1989 Trustee. Such notice shall set forth:

(i) the information contained in the notice from the Remarketing Agent pursuant to Section 207(c) above;

(ii) the Interest Payment Dates for the new Rate Period;

(iii) in the case of conversion to a Variable Rate Period, the dates on which the Remarketing Agent will determine and the Tender Agent will notify the Owners of the preliminary or Minimum Variable Rate (if applicable) and the Variable Rate for the Variable Rate Period commencing on the Conversion Date pursuant to; and

(iv) the matters required to be stated pursuant to Section 304 with respect to purchases of 1989 Compost Project Bonds governed by such Section.

(e) Other Determinations by Remarketing Agent. The preliminary or Minimum Variable Rate (if applicable), the Variable Rate for the Variable Rate Period or the Commercial Paper Rate for each Commercial Paper Rate Period commencing on the Conversion Date shall be determined by the Remarketing Agent in the manner and on the date provided in Section 206. In addition to determining the Variable Rate or Commercial Paper Rates for the Rate Period to which conversion is to be made, the Remarketing Agent shall determine a Weekly Rate at the time specified in Section 206(b) hereof, and give notice thereof to the Tender Agent and the 1989 Trustee, which Weekly Rate shall take effect if needed pursuant to Section 207(f) below.

(f) When Conversion Not Effective. Notwithstanding the delivery of notice of conversion pursuant to Section 207(c) above, conversion to a new Variable or Commercial Paper Rate Period shall not take effect if:

- (i) the Remarketing Agent fails to determine a Variable Rate or Commercial Paper Rate (as the case may be) for the Rate Period to which the conversion is to be made;
- (ii) any notice required by this Section 207 is not given when required; or
- (iii) there is not delivered to the Issuer and the 1989 Trustee an Opinion of Bond Counsel dated as of the Conversion Date.

In any such event, the 1989 Compost Project Bonds which were to be converted shall automatically be converted to a Weekly Rate Period on the date such conversion was to be made, *provided that* any mandatory or optional tender for purchase on the Conversion Date shall nevertheless be carried out. No cancellation of a conversion pursuant to this subsection shall constitute an Event of Default hereunder. Upon the occurrence of an event described in Section 207(f)(i) above, the Weekly Rate shall be the *per annum* rate of interest determined on each Thursday (or if such day is not a Business Day, the next prior Business Day) by the 1989 Trustee which is equal to the most recently published rate set forth in the Kenny Information Systems 30-day High Grade Index plus 1/5th of one percent, but not to exceed the Maximum Rate.

Section 208. Conversion to Fixed Rate.

(a) Conversion Upon Issuer's Request; Conversion Date. The 1989 Compost Project Bonds shall be converted to bear interest at a Fixed Rate or Rates upon the written request of the Issuer as provided in this Section; *provided that*, in no event shall the Series B Bonds be converted to a Fixed Rate without the prior written consent of the 1989 Credit Provider. The Fixed Rate Conversion Date shall be:

- (i) in the case of a conversion from a Variable Rate Period other than an Extended Rate Period, an Interest Payment Date for the 1989 Compost Project Bonds on which interest is payable for the Variable Rate Period from which the conversion is to be made;
- (ii) in the case of a conversion from an Extended Rate Period, an Interest Payment Date for the 1989 Compost Project Bonds on which a new Extended Rate Period would otherwise have commenced pursuant to Section 206(e) hereof; and
- (iii) in the case of a conversion from Commercial Paper Rate Periods, a day which is both (A) the first Business Day of a calendar month and (B) the last Interest Payment Date for the 1989 Compost Project Bonds on which interest is payable for any and all Commercial Paper Rate Periods theretofore established for the 1989 Compost Project Bonds pursuant to Section 206(f) hereof.

Not less than 45 days prior to the Fixed Rate Conversion Date, the Issuer shall give written notice to the 1989 Trustee, the Tender Agent, the Remarketing Agent, the Borrower and the 1989 Credit Provider, setting forth:

- (1) the election to convert to a Fixed Rate or Rates; and
- (2) the proposed Fixed Rate Conversion Date.

The 1989 Trustee, the 1989 Credit Provider and the Remarketing Agent shall receive, concurrently with the notice from the Issuer described above, an Opinion of Bond Counsel.

(b) Duties of Remarketing Agent Upon Conversion to Fixed Rate. The Remarketing Agent shall make:

- (i) a preliminary determination of the Fixed Rate or Rates for the 1989 Compost Project Bonds in the same manner as is provided for the final determination of rates pursuant to Section 208(d) below; and
- (ii) a determination, in accordance with Section 208(e) below, of the principal amount of 1989 Compost Project Bonds bearing a Fixed Rate which will be issued as Serial Bonds and as Term Bonds, and the years in which such Serial Bonds and Term Bonds shall mature.

Such preliminary determination shall be made on a Business Day which is at least 35 days prior to the Fixed Rate Conversion Date. On the date of the preliminary determination, the Remarketing Agent shall notify the Tender Agent and the Tender Agent shall notify the Issuer, the Borrower, the 1989 Trustee, the Paying Agent, and the 1989 Credit Provider, by telephone (promptly confirmed in writing), telegram, telecopy, telex or other similar means of communication of the preliminary Fixed Rate or Rates so determined. The 1989 Trustee shall, upon such notice, determine, by lot, the 1989 Compost Project Bonds which will comprise each maturity of the 1989 Compost Project Bonds bearing interest at the Fixed Rate.

(c) Notice of Conversion to Owners. Subject to the provisions of Section 208(b) above, the Tender Agent shall mail or cause the 1989 Trustee to mail a notice of the proposed conversion to the Owners of all 1989 Compost Project Bonds to be converted. A copy of such notice shall be sent to the Borrower and the Issuer. Such notice shall be mailed not less than 30 days prior to the proposed Fixed Rate Conversion Date. Such notice shall set forth:

- (i) the proposed Fixed Rate Conversion Date;
- (ii) the dates on which the Remarketing Agent will determine and the Tender Agent will notify the Owners of the Fixed Rate or Rates pursuant to Section 208(d) below;
- (iii) the matters required to be stated pursuant to Section 304(c) hereof with respect to purchases of 1989 Compost Project Bonds governed by such Section;
- (iv) the preliminary Fixed Rate or Rates determined pursuant to Section 208(b) above; and
- (v) the year in which the principal amount of 1989 Compost Project Bonds bearing a Variable Rate or Commercial Paper Rate owned by the recipient of such notice, when converted to the Fixed Rate, will mature and the principal amount thereof maturing in each such year.

(d) Determination of Fixed Rates. The Remarketing Agent shall determine the Fixed Rate or Rates by 3:30 p.m. (New York City Time) not later than the last Business Day that is at least 5 days prior to the Fixed Rate Conversion Date. The Fixed Rate or Rates shall be the lowest rate (not in excess of the Maximum Rate) which, in the judgment of the Remarketing Agent as of the date of determination and under prevailing market

conditions, would cause the 1989 Compost Project Bonds to have a market value equal to the principal amount thereof, plus accrued interest. Not later than 4:00 p.m. (New York City Time) on the date of determination of the Fixed Rate or Rates, the Remarketing Agent shall notify the Tender Agent of the Fixed Rate or Rates applicable to each 1989 Compost Project Bond to be converted by telephone (promptly confirmed in writing). Such determination shall be conclusive and binding upon the Issuer, the Borrower, the 1989 Trustee, the Tender Agent, the 1989 Credit Provider and the Owners of the 1989 Compost Project Bonds.

The Tender Agent shall make such Fixed Rate or Rates available upon request by telephone (promptly confirmed in writing), telegram, telecopy, telex or other similar communication to the Issuer, the Borrower, the 1989 Trustee, the 1989 Credit Provider and all Owners who have elected to retain their 1989 Compost Project Bonds. In addition to determining a Fixed Rate or Rates, the Remarketing Agent shall determine a Weekly Rate pursuant to Section 206(b) and give notice thereof to the Tender Agent, the Paying Agent, the 1989 Trustee and the 1989 Credit Provider, which Weekly Rate shall take effect if needed pursuant to Section 208(f) below.

(e) Conversion of Maturities. On the Fixed Rate Conversion Date, and subject to the conditions set forth below, the Issuer has reserved the right to cause the Maturity of all of the 1989 Compost Project Bonds to be converted to Maturities corresponding to the related Mandatory Redemption Dates determined as provided in Section 301(e) hereof, with the amounts of such new Maturities to correspond on a *pro rata* basis to the applicable Mandatory Redemption Amounts for such Mandatory Redemption Dates and bearing interest at *per annum* rates determined by the Remarketing Agent as provided above, upon delivery to the Issuer, the 1989 Trustee, the 1989 Credit Provider, and the Remarketing Agent, as the case may be, of a written request of the Issuer to such effect and upon delivery to such parties of an Opinion of Bond Counsel. Upon such conversion, each of the sinking fund payments set forth in Section 301(e) shall be reduced by the principal amount of the 1989 Compost Project Bonds maturing on such date.

(f) When Fixed Rate Conversion Not Effective. Notwithstanding the delivery of notice of a Fixed Rate conversion pursuant to Section 208(a) above, conversion to a Fixed Rate Period shall not take effect if:

- (i) the Issuer withdraws such notice of conversion not later than the Business Day preceding the date on which the Fixed Rate is to be determined;
- (ii) the Remarketing Agent fails to determine a Fixed Rate or Rates; or
- (iii) any notice required by this Section 208 is not given when required.

In any of such events, the 1989 Compost Project Bonds shall automatically be converted to a Weekly Rate Period on the date the Fixed Rate conversion was to be made, *provided that* the mandatory tender for purchase pursuant to Sections 304 and 305 hereof shall nevertheless be carried out if notice of the Fixed Rate conversion had been given to the Owners. Withdrawal of a conversion notice shall be given by the Issuer to the 1989 Trustee, the Tender Agent, the Remarketing Agent and the 1989 Credit Provider, by telephone, promptly confirmed in writing. No cancellation of a Fixed Rate conversion pursuant to this subsection shall constitute an Event of Default hereunder. If the 1989 Compost Project Bonds are converted to a Weekly Rate, and the Remarketing Agent fails to set a Weekly Rate, the Weekly Rate shall be the *per annum* rate of interest determined on each Thursday (or if such day is not a Business Day, the next prior Business Day) by the 1989 Trustee which is equal to the most recently published rate set forth in the Kenny Information Systems 30-day High Grade Index plus 1/5th of one percent, but in no event greater than the Maximum Rate.

Section 209. Conditions Precedent to Issuance of 1989 Compost Project Bonds. In addition to complying with the requirements set forth in the Master Ordinance in connection with the issuance of the 1989 Compost Project Bonds, all the 1989 Compost Project Bonds shall be executed by the Issuer for delivery to the 1989 Trustee and thereupon shall be authenticated by the 1989 Trustee and delivered as directed by the Issuer, but only

(d) an opinion of counsel to the Borrower regarding the due authorization, execution, delivery and validity of the Loan Agreement, the Assignment, the 1989 Credit Agreement, the Deed of Trust and other documents, instruments and agreements relating thereto, and setting forth various other opinions regarding the transactions contemplated hereby, all in form and substance satisfactory to Bond Counsel, the Issuer, the 1989 Credit Provider, counsel to the 1989 Credit Provider, the Underwriters and counsel to the Underwriters;

(f) an opinion of Swiss counsel and an opinion of United States counsel to the 1989 Credit Provider, each regarding the due authorization, execution, delivery and validity of the 1989 Credit Facility and setting forth various other opinions regarding the transactions contemplated hereby, all in form and substance satisfactory to Bond Counsel, the Issuer, the Underwriters and counsel to the Underwriters;

(g) an opinion of counsel to the 1989 Credit Provider regarding the truth, accuracy and completeness of the statements and information regarding the 1989 Credit Provider, the 1989 Credit Facility and the 1989 Credit Agreement contained in the final official statement relating to the 1989 Compost Project Bonds, in form and substance satisfactory to Bond Counsel, the Issuer, the Underwriters and counsel to the Underwriters;

Section 210. Additional Bonds. Subject to the terms and conditions set forth in the Intercreditor Agreement, upon the request of the Borrower and with the prior written consent of the 1989 Credit Provider, the Issuer may, but shall not be required to, issue from time to time Additional Bonds for any one or more of the purposes set forth in Section 3.4 of the Loan Agreement. As a condition precedent to the issuance of any Additional Bonds, the Borrower shall be required to provide or cause to be provided to the 1989 Trustee an amended 1989 Credit Facility or an Alternate Credit Facility such that all outstanding 1989 Compost Project Bonds, including the Additional Bonds proposed to be issued, will be afforded the same security as to the payment of the principal, premium (if any) and interest thereon, and the Purchase Price thereof, as the 1989 Credit Facility then provides for the outstanding 1989 Compost Project Bonds. Unless otherwise expressly provided in the Supplemental Ordinance

authorizing the issuance of such Additional Bonds, all Additional Bonds issued hereunder shall be equally and ratably secured by either:

(i) if issued as Additional Bonds with respect to the Series A Bonds as specified in the Supplemental Ordinance authorizing the issuance thereof, the Series A Trust Estate (with the exception of any 1989 Credit Facility which does not secure such Additional Bonds and any Alternate Credit Facility given solely as security for such Additional Bonds) on a *pari passu* basis with all other outstanding Series A Bonds; or

(ii) if issued as Additional Bonds with respect to the Series B Bonds as specified in the Supplemental Ordinance authorizing the issuance thereof, the Series B Trust Estate (with the exception of any 1989 Credit Facility which does not secure such Additional Bonds and any Alternate Credit Facility given solely as security for such Additional Bonds) on a *pari passu* basis with all other outstanding Series B Bonds.

(b) Optional Redemption During Semiannual Rate Period. The 1989 Compost Project Bonds bearing interest at Semiannual Rates are subject to optional redemption prior to their Stated Maturity, without premium, upon Borrower's written request to the Issuer and the 1989 Trustee in whole or in part on any Interest Payment Date at a price equal to 100% of the principal amount to be redeemed plus accrued interest thereon to the redemption date.

(e) Redemption Pursuant to Mandatory Redemption Schedule. Subject to the limitations set forth below, the Series A Bonds and the Series B Bonds are subject to mandatory redemption by the Issuer in such principal amounts and on the applicable Mandatory Redemption Dates as shall be established pursuant to the applicable Mandatory Redemption Schedule, any such redemption to be at a redemption price equal to 100% of the principal amount to be redeemed plus accrued and unpaid interest thereon to the redemption date. The principal amount of Series A Bonds and the Series B Bonds required to be redeemed pursuant to this Section on any particular date is herein called the "Mandatory Redemption Amount" for such date; and "Mandatory Redemption Date" shall mean the Interest Payment Date in each calendar year which falls closest to November 1.

In connection with any conversion of Series A Bonds or Series B Bonds to a Fixed Rate, the Remarketing Agent, pursuant to Section 208(b)(ii) hereof, shall establish the Series A Bonds or Series B Bonds (as the case may be) that shall be issued as Serial Bonds during such Fixed Rate Period such that the serial maturities thereof shall correspond to the applicable Mandatory Redemption Schedule. During the Fixed Rate Period applicable to any Series A Bonds or Series B Bonds, such Series A Bonds or Series B Bonds:

(i) with respect to the Series A Bond or Series B Bonds (as the case may be) issued as Serial Bonds for such Fixed Rate Period, the payment of such bonds on their respective serial maturity dates shall satisfy the Issuer's obligations to redeem such bond pursuant to the applicable Mandatory Redemption Schedule; and

(ii) with respect to the Series A Bonds or the Series B Bonds (as the case may be) issued as Term Bonds for such Fixed Rate Period, such bonds shall be subject to mandatory redemption pursuant to this Section in accordance with the applicable Mandatory Redemption Schedule at a price equal to 100% of the principal amount to be redeemed plus accrued interest thereon to the redemption date.

During any Extended Rate Period applicable to the Series A Bonds or the Series B Bonds, such bonds shall be subject to mandatory redemption pursuant to this Section in accordance with the applicable Mandatory Redemption Schedule.

There shall be credited against the obligation to redeem Series A Bonds or Series B Bonds pursuant to the applicable Mandatory Redemption Schedule an amount equal to the principal amount of all Series A Bonds or Series B Bonds, as the case may be, which have been redeemed or otherwise retired other than pursuant to a redemption under this Section 301(e) and for which such a credit has not previously been given.

Section 302. Tenders During Variable Rate Periods.

(a) Purchase Dates. During any Variable Rate Period with respect to the 1989 Compost Project Bonds, the Owners of the 1989 Compost Project Bonds (other than the 1989 Credit Provider) may elect to have their 1989 Compost Project Bonds (or portions thereof in Authorized Denominations) purchased at the Purchase Price, on the following Purchase Dates and upon the giving of the following telephonic or written notices meeting the further requirements of Section 302(b) below:

(i) 1989 Compost Project Bonds bearing interest at Weekly Rates may be tendered for purchase on any Business Day upon delivery of a written notice of tender to the Tender Agent not later than 5:00 p.m. (New York City Time) on a Business Day not less than seven days prior to the Purchase Date.

(ii) 1989 Compost Project Bonds bearing interest at Monthly or Semiannual Rates may be tendered for purchase on any Interest Payment Date upon delivery of a written notice of tender to the Tender Agent not later than 5:00 p.m. (New York City Time) on a Business Day which is not less than seven days prior to the Purchase Date in the case of the 1989 Compost Project Bonds bearing interest at Monthly Rates, or 15 days prior to the Purchase Date in the case of 1989 Compost Project Bonds bearing interest at Semiannual Rates.

(iii) 1989 Compost Project Bonds bearing interest at Extended Rates may be tendered for purchase on the commencement date of any Extended Rate Period (other than the Extended Rate Conversion Date) upon delivery of a written notice of tender to the Tender Agent not later than 5:00 p.m. (New York City Time) on a Business Day which is not less than 15 days prior to the Purchase Date.

(b) Notice of Tender. Each notice of tender:

(i) shall, in the case of a written notice, be delivered to the Tender Agent at its principal office and be in form satisfactory to the Tender Agent;

(ii) shall state, whether delivered in writing or by telephone:

(A) the principal amount of the 1989 Compost Project Bond or portion of the 1989 Compost Project Bond to be purchased, the number assigned to such 1989 Compost Project Bond and the series thereof;

(B) that the Owner irrevocably demands purchase of such 1989 Compost Project Bond or portion thereof;

(C) the date on which such 1989 Compost Project Bond or portion thereof is to be purchased; and

(D) payment instructions; and

(iii) shall automatically constitute, whether delivered in writing or by telephone:

(A) an irrevocable offer to sell the 1989 Compost Project Bond or portion thereof to which the notice relates on the Purchase Date to any purchasers selected by the Remarketing Agent, at the Purchase Price;

(B) an irrevocable authorization and instruction to the Bond Registrar to effect transfer of such 1989 Compost Project Bond or portion thereof upon payment of such price to the Tender

Agent on the Purchase Date;

(C) an irrevocable authorization and instruction to the Tender Agent to effect the exchange of the 1989 Compost Project Bond to be purchased in whole or in part for other 1989 Compost Project Bonds in an equal aggregate principal amount and of the same series and tenor so as to facilitate the sale of such 1989 Compost Project Bond or portion thereof; and

(D) an acknowledgement that such tendering Owner will have no further rights with respect to such tendered 1989 Compost Project Bond or portion thereof, except for the right of such Owner to receive such Purchase Price upon surrender of such 1989 Compost Project Bond to the Tender Agent.

The determination of the Tender Agent as to whether a notice of tender has been properly delivered pursuant to the foregoing shall be conclusive and binding upon the Owner.

(c) **Bonds to be Remarketed.** Not later than 4:30 p.m. (New York City Time) on the Business Day immediately following the date of receipt of any notice of tender, the Tender Agent shall notify the Remarketing Agent and the 1989 Trustee of the principal amount of 1989 Compost Project Bonds or portions thereof to be tendered and remarketed and the date they are to be tendered and remarketed. Such notices shall be given by telephone, telegram, teletype, telex or other similar communication and shall be promptly confirmed in writing.

(d) **Remarketing of Tendered Bonds.** The Remarketing Agent shall offer for sale and use its best efforts to find purchasers for all 1989 Compost Project Bonds or portions thereof properly tendered. All 1989 Compost Project Bonds shall be at all times remarketed at par plus accrued and unpaid interest (if any). The terms of any sale by the Remarketing Agent shall provide for the purchase of the 1989 Compost Project Bonds or portions thereof to be tendered at the Purchase Price and the payment of such Purchase Price by the Remarketing Agent at the time specified in Section 306 against delivery of the remarketed 1989 Compost Project Bonds to the Tender Agent at or before 11:30 a.m. (New York City Time) on the Purchase Date. Notwithstanding the foregoing, the Remarketing Agent shall not offer for sale any 1989 Compost Project Bond if notice of conversion from one Variable Rate Period to another, to Commercial Paper Rate Periods or to a Fixed Rate Period has been given to the Owners by the 1989 Trustee, unless the Remarketing Agent has advised the person to whom the offer is made of such conversion and the effect of such conversion on the rights of Owners to tender their 1989 Compost Project Bonds, as described in the conversion notice from the 1989 Trustee to the Owners.

Section 303. Tenders During Commercial Paper Rate Periods.

(a) **Purchase Dates.** Each 1989 Compost Project Bond bearing interest at a Commercial Paper Rate shall be subject to mandatory tender for purchase at the Purchase Price on the first Business Day following the end of each Commercial Paper Rate Period applicable to such 1989 Compost Project Bond.

(b) **Remarketing of Tendered Commercial Paper Bonds.** Commencing at 3:00 p.m. (New York City Time) on the Business Day immediately preceding each Purchase Date, the Remarketing Agent shall offer for sale and use its best efforts to find purchasers for all 1989 Compost Project Bonds required to be purchased on the ensuing Purchase Date except for 1989 Compost Project Bonds which the Owners have elected to retain as provided in Section 303(c) below. In remarketing the 1989 Compost Project Bonds, the Remarketing Agent shall offer and accept purchase commitments for the 1989 Compost Project Bonds for such Commercial Paper Rate Periods and at such Commercial Paper Rates as it deems to be advisable in order to minimize the net interest cost on the 1989 Compost Project Bonds under prevailing market conditions; *provided, however, that* the foregoing shall not prohibit the Remarketing Agent from accepting purchase commitments for longer Commercial Paper Rate Periods (and at higher Commercial Paper Rates) than are otherwise available at the time of any remarketing if in the reasonable judgment of the Remarketing Agent, under prevailing market conditions, a lower interest cost on the 1989 Compost

Project Bonds can be achieved over the longer Commercial Paper Rate Periods than over a succession of shorter Commercial Paper Rate Periods. No Commercial Paper Rate may be established which exceeds the Maximum Rate; and no Commercial Paper Rate Period may be established which exceeds 180 days or, if the Remarketing Agent has given or received notice of any conversion to a Variable or Fixed Rate Period or notice of a mandatory tender pursuant to Sections 304 or 305, the remaining number of days prior to the Conversion Date, or mandatory tender date, as the case may be. The terms of any sale by the Remarketing Agent shall provide for the purchase of the 1989 Compost Project Bonds to be remarketed at the Purchase Price and the payment of such Purchase Price by the Remarketing Agent at the time specified in Section 304 against delivery of the remarketed 1989 Compost Project Bonds to the Tender Agent at or before 11:30 a.m. (New York City Time) on the Purchase Date.

(c) Election to Retain. Prior to 3:00 p.m. (New York City Time) on the Business Day immediately preceding each Purchase Date for any 1989 Compost Project Bond bearing interest at a Commercial Paper Rate, the Owner thereof may elect to retain such 1989 Compost Project Bond for an additional Commercial Paper Rate Period by giving telephonic notice of such election to the Tender Agent *provided that* prior to such time on such Business Day such Owner has agreed with the Remarketing Agent as to the duration of the additional Commercial Paper Rate Period and the Commercial Paper Rate to be effective during such period subject to the limitations described in Section 303(b) above. Any Owner so electing to retain a 1989 Compost Project Bond shall be required to deliver such 1989 Compost Project Bond and pay the Purchase Price for the 1989 Compost Project Bond for the additional Commercial Paper Rate Period in the same manner as is provided for the purchase of 1989 Compost Project Bonds for resale to a different Owner. Any Owner electing to retain such Bond and pay the Purchase Price shall also be entitled to receive the Purchase Price for such 1989 Compost Project Bond.

Section 304. Tenders Upon Variable, Commercial Paper or Fixed Rate Conversion.

(a) Purchase Dates and Election to Retain. In the case of any conversion from one Rate Period to another, the 1989 Compost Project Bonds to be converted are subject to mandatory tender for purchase on the Conversion Date at the Purchase Price; *provided that* the Owners of such bonds may elect to retain their 1989 Compost Project Bonds notwithstanding a mandatory tender pursuant to this paragraph by giving notice of such election to the Tender Agent. Notice of election to retain 1989 Compost Project Bonds shall be given to the Tender Agent:

(i) in the case of conversion to a Weekly Rate Period, in writing on a Business Day not less than five Business Days prior to the Conversion Date;

(ii) in the case of conversion to a Monthly Rate Period, in writing on a Business Day not less than five Business Days prior to the Conversion Date;

(iii) in the case of conversion to a Semiannual or Extended Rate Period, in writing on a Business Day not less than 15 days prior to the Conversion Date;

(iv) in the case of conversion to a Commercial Paper Rate Period, by telephone not later than 3:00 p.m. (New York City Time) on the Business Day immediately preceding the Commercial Paper Rate Conversion Date; and

(v) in the case of conversion to a Fixed Rate Period, in writing not later than the last Business Day which is at least ten days prior to the date the Fixed Rate is determined pursuant to Section 208(d) hereof.

(b) Notice of Election to Retain. Notices of election to retain 1989 Compost Project Bonds pursuant to Section 304(a) above shall state that the person delivering the same is an Owner, specify the principal amount, series and number of the 1989 Compost Project Bonds to which such notice relates, and direct the Tender Agent not

to purchase the 1989 Compost Project Bonds so specified. In addition, in the case of a conversion to a Fixed Rate Period, such notice shall state:

(i) that the Owner acknowledges that after the Fixed Rate Conversion Date, the 1989 Compost Project Bonds will no longer be subject to tender at the option of the Owner; and

(ii) that the Owner is aware that after the Fixed Rate Conversion Date the rating or ratings assigned to the 1989 Compost Project Bonds may be lowered or withdrawn.

Any such notice given to the Tender Agent shall be irrevocable and binding upon the Owner delivering the same and all subsequent Owners of the 1989 Compost Project Bonds to be retained, including any 1989 Compost Project Bonds to be issued in exchange therefor or upon transfer thereof; except that, in the case of a notice given in connection with a conversion to Commercial Paper Rates, such notice shall be subject to the Owner's ability to reach an agreement with the Remarketing Agent with respect to the initial Commercial Paper Rate Period and Commercial Paper Rate in the manner described in Section 303 hereof.

(c) Notice to Owners. Any notice of a conversion given to Owners pursuant to Section 208(c) hereof shall, in addition to the requirements of such Section, specify:

(i) that the 1989 Compost Project Bonds to be converted will be subject to optional or mandatory tender for purchase on the Conversion Date and the time at which 1989 Compost Project Bonds are to be tendered for purchase;

(ii) the date and time by which any notice of an election to retain 1989 Compost Project Bonds pursuant to this Section must be received; and

(iii) if appropriate, the matters required to be stated in a notice of election to retain 1989 Compost Project Bonds (or contain a form thereof).

(d) Remarketing. At or before 4:00 p.m. (New York City Time) on the Business Day immediately following the last day on which notices of election to tender or retain 1989 Compost Project Bonds may be delivered to the Tender Agent pursuant to Section 302(b) or Section 304(b) above (or immediately upon receipt of such notice in the case of conversions to Commercial Paper Rate Periods), the Tender Agent shall notify the 1989 Trustee, the 1989 Credit Provider, and the Remarketing Agent, by telephone, telegram, telecopy, telex or other similar communication, of the aggregate principal amount of 1989 Compost Project Bonds to be tendered for purchase on the Conversion Date. The Remarketing Agent shall offer for sale and use its best efforts to find purchasers for the 1989 Compost Project Bonds to be tendered. The terms of any sale by the Remarketing Agent shall provide for the purchase of the 1989 Compost Project Bonds to be tendered at the Purchase Price and the payment of such purchase price to the Tender Agent by the Remarketing Agent at the time specified in Section 306 against delivery of the remarketed 1989 Compost Project Bonds at or before 11:30 a.m. (New York City Time), on the Conversion Date.

Section 305. Tenders Upon Expiration, Substitution or Termination of 1989 Credit Facility; Mandatory Purchase Upon Event of Default or Term Loan Under 1989 Credit Agreement.

(a) Purchase Dates Upon Expiration, Substitution or Termination of 1989 Credit Facility. Prior to the Fixed Rate Conversion Date of any 1989 Compost Project Bonds, the affected 1989 Compost Project Bonds shall be subject to mandatory tender for purchase at the Purchase Price:

(i) on a Business Day which is at least five days prior to the date on which the related 1989 Credit Facility is to be cancelled in connection with replacement by an Alternate Credit Facility pursuant to Section 604 of this 1989 Supplemental Ordinance but only if as a result of such replacement the ratings

assigned to the affected 1989 Compost Project Bonds by the Rating Agencies will be withdrawn or will be lower than the ratings assigned thereto immediately prior to such replacement; or

(ii) on a Business Day which is at least five days prior to a termination or expiration of the related 1989 Credit Facility.

Notwithstanding paragraphs (i) and (ii) above, the Owners of the 1989 Compost Project Bonds may elect to retain their 1989 Compost Project Bonds by giving notice of such election in writing to the Tender Agent not later than five Business Days prior to the Purchase Date.

(b) Election to Retain In Connection With Purchase Upon Expiration, Substitution or Termination of 1989 Credit Facility. Notices of election to retain 1989 Compost Project Bonds shall state that the person delivering the same is an Owner, specify the principal amount, series and numbers of the 1989 Compost Project Bonds to which such notice relates, and direct the Tender Agent not to purchase the 1989 Compost Project Bonds so specified notwithstanding the occurrence of the event giving rise to the mandatory tender. Any election to retain 1989 Compost Project Bonds given to the Tender Agent shall be irrevocable and binding upon the Owner delivering the same and all subsequent Owners of the 1989 Compost Project Bonds to be retained, including any 1989 Compost Project Bonds issued in exchange therefor. Notices of election shall state, in connection with the mandatory tender pursuant to Sections 305(a)(i) and (ii), that the Owner is aware that as a result of the related Alternate Credit Facility or the expiration of the related 1989 Credit Facility the rating or ratings assigned to the affected 1989 Compost Project Bonds may be lowered or withdrawn; state in the case of a mandatory tender pursuant to Section 305(a)(ii) that the Owner is aware that the obligation of the related 1989 Credit Provider to purchase the affected 1989 Compost Project Bonds pursuant to the related 1989 Credit Facility is terminating or expiring and that the 1989 Compost Project Bonds will no longer be subject to purchase at the option of the Owner.

(c) Notice to Owners of Purchase Upon Expiration, Substitution or Termination of 1989 Credit Facility. Notice of mandatory tender shall be given by mail by the 1989 Trustee to the Owners of the affected 1989 Compost Project Bonds by two separate mailings at least one week apart, the first of which shall be not less than 30 days prior to the mandatory tender date. Such notice shall specify:

(i) the date by which any notice of election to retain 1989 Compost Project Bonds pursuant to this Section must be received;

(ii) whether the ratings assigned to the 1989 Compost Project Bonds will be reduced or withdrawn;
and

(iii) the matters required to be stated in a notice of election to retain 1989 Compost Project Bonds (or contain a form thereof).

A copy of such notice shall be sent to the Issuer, the Tender Agent and the Borrower. Notice having been so given, such mandatory tender shall occur on the date provided in such notice whether or not an Alternate Credit Facility is provided after such initial notice has been given.

(d) Remarketing. At or before 4:00 p.m. (New York City Time) on the Business Day immediately following the last day on which notices of election to retain 1989 Compost Project Bonds may be delivered pursuant to Section 305(a) above, the Tender Agent shall notify the Remarketing Agent by telephone, telegram, telecopy, telex or other similar communication of the aggregate principal amount of 1989 Compost Project Bonds to be tendered for purchase on the mandatory tender date. The Remarketing Agent shall offer for sale and use its best efforts to find purchasers for the 1989 Compost Project Bonds to be tendered pursuant to Section 305(a) above. In the case of replacement of the related 1989 Credit Facility, the Remarketing Agent shall inform prospective purchasers of the identity of the new 1989 Credit Provider and the ratings to be in effect on the affected 1989

Compost Project Bonds following such conversion. The terms of any sale shall provide for the sale of the 1989 Compost Project Bonds to be tendered at the Purchase Price payable at or before 11:30 a.m. (New York City Time) in immediately available funds.

(e) Mandatory Purchase Upon Occurrence of Event of Default under 1989 Credit Agreement or Upon Certain Term Loans Under 1989 Credit Agreement. In the event that the 1989 Credit Provider shall give written notice to the 1989 Trustee, the Issuer, the Remarketing Agent, the Tender Agent and the Borrower that:

(1) an Event of Default under and as defined in the related 1989 Credit Agreement has occurred which has not been waived or cured within the applicable time period; or

(2) the 1989 Credit Provider has held, for a period of 90 days or more, Credit Purchased Bonds in an aggregate principal amount equal to or greater than \$15,000,000;

and in either case instructing the 1989 Trustee to effect a mandatory purchase pursuant to this Section 305(e), then and in such event all 1989 Compost Project Bonds which are secured by the 1989 Credit Facility provided under such 1989 Credit Agreement shall be purchased or deemed purchased (as provided in Section 302(I) hereof) on the date specified by the 1989 Trustee as provided below.

Within five days of the date of receipt by the 1989 Trustee of the notice from the 1989 Credit Provider described in the immediately preceding paragraph, the 1989 Trustee shall give a written mandatory purchase notice by first class mail, postage prepaid, to the Owners of the Outstanding 1989 Compost Project Bonds subject to mandatory purchase pursuant to this Section, which notice:

(i) shall state that such bonds are subject to mandatory purchase pursuant to this Section by virtue of the occurrence and continuation of an Event of Default under and as defined in the related 1989 Credit Agreement or by virtue of the occurrence of the circumstances referred to in Section 305(e)(2) above;

(ii) shall specify the Purchase Date, which shall be a Business Day selected by the 1989 Trustee and a date not earlier than the tenth nor later than the seventeenth day following the date of mailing of such notice of mandatory purchase; and

(iii) shall state that all 1989 Compost Project Bonds affected thereby shall be purchased or deemed purchased on such Purchase Date and that no Owner of such 1989 Compost Project Bonds shall have the right to retain such 1989 Compost Project Bonds after such Purchase Date.

Section 306. Purchase of Tendered Bonds.

(a) Notices. At or before 3:30 p.m. (New York City Time) on the Business Day immediately preceding the Purchase Date (or 10:30 a.m. (New York City Time) on the Purchase Date in the case of 1989 Compost Project Bonds bearing interest at Commercial Paper Rates), the Remarketing Agent shall give notice by telephone, telegram, telecopy, telex or other similar communication to the 1989 Trustee of the principal amount of tendered 1989 Compost Project Bonds which have been remarketed and of the names, addresses and taxpayer identification numbers of the purchasers and the denominations of remarketed 1989 Compost Project Bonds to be delivered to each purchaser. Upon the receipt of such notice (or, if no notice is received) the 1989 Trustee shall give the related 1989 Credit Provider the notices at the time and in the manner required under the related 1989 Credit Facility with respect to such 1989 Credit Provider's obligation to purchase any such 1989 Compost Project Bonds which have not been remarketed and draw on such 1989 Credit Facility pursuant to Article III hereof.

(b) Sources of Payment. The Remarketing Agent shall pay to the Tender Agent on the Purchase Date

all amounts representing proceeds of the remarketing of such 1989 Compost Project Bonds, such payments to be made in the manner and at the time specified in Sections 302(d), 303(b), 304(d) and 305(d), as applicable. All such proceeds shall be held by the Tender Agent in trust in a separate segregated account and invested solely in Government Obligations which mature not later than the earlier of 30 days after the date of acquisition or the date by which such moneys are expected to be needed to pay the Purchase Price of the related 1989 Compost Project Bonds. The 1989 Credit Provider has agreed under the 1989 Credit Facility to pay to the 1989 Trustee the Purchase Price of the related 1989 Compost Project Bonds that have not been remarketed on or before 3:30 p.m. (New York City Time) on the Purchase Date.

(c) Payments by the Tender Agent; Payments Due on Saturdays, Sundays and Holidays. Before 4:00 p.m. (New York City Time), on the Purchase Date and upon receipt by the Tender Agent of 100% of the aggregate Purchase Price of the tendered 1989 Compost Project Bonds, the Tender Agent shall pay the Purchase Price of such 1989 Compost Project Bonds to the Owners thereof at its Delivery Office or by bank Wire Transfer. Such payments shall be made in immediately available funds. Payments of such Purchase Price are to be made from the following sources in the order of priority indicated:

(i) the proceeds of the sale of the 1989 Compost Project Bonds which have been remarketed by the Remarketing Agent pursuant to Section 302 of this 1989 Supplemental Ordinance (other than proceeds of a sale of the 1989 Compost Project Bonds to the Borrower, any of the Affiliates of the Borrower, or the Issuer);

(ii) moneys paid to the 1989 Trustee pursuant to the 1989 Credit Facility; and

(iii) moneys deposited by the Borrower with the 1989 Trustee for the specific purpose of paying the Purchase Price of any 1989 Compost Project Bonds .

Whenever the Purchase Date for any 1989 Compost Project Bond falls on a day which is not a Business Day, then payment of the Purchase Price of such 1989 Compost Project Bond shall be made (upon delivery of such 1989 Compost Project Bond to the Tender Agent as provided above) on the next Business Day with the same force and effect as if made on the applicable Purchase Date.

(d) Registration and Delivery of Tendered or Purchased Bonds. On the Purchase Date, the Bond Registrar shall register and deliver (or hold) all 1989 Compost Project Bonds purchased on any Purchase Date as follows:

(i) 1989 Compost Project Bonds purchased or remarketed by the Remarketing Agent shall be registered in accordance with the instructions of the Remarketing Agent and made available to be picked up by the Remarketing Agent against payment of the Purchase Price by 11:30 a.m. (New York City Time); and

(ii) 1989 Compost Project Bonds purchased under a 1989 Credit Facility shall be registered in the name of the related 1989 Credit Provider or its nominee and shall be delivered to such 1989 Credit Provider or to its agent.

(e) Delivery of Bonds; Effect of Failure to Surrender Bonds. All 1989 Compost Project Bonds to be purchased on any date shall be required to be delivered to the Delivery Office of the Tender Agent at or before 11:30 a.m. (New York City Time) on the Purchase Date, except that 1989 Compost Project Bonds bearing interest at Semiannual or Extended Rates being tendered for purchase at the election of the Owner pursuant to Section 302 shall be delivered to the Delivery Office of the Tender Agent along with the notice of tender.

If the Owner of any 1989 Compost Project Bond (or portion thereof) that is subject to purchase pursuant to

this Section fails to deliver such 1989 Compost Project Bond to the Tender Agent for purchase on the Purchase Date, and if the Tender Agent is in receipt of the Purchase Price therefor, such 1989 Compost Project Bond (or portion thereof) shall nevertheless be deemed purchased on the Purchase Date and ownership of such Bond (or portion thereof) shall be transferred to the purchaser thereof as provided in Section 306(d) above. Any Owner who fails to deliver a 1989 Compost Project Bond for purchase as required above shall have no further rights thereunder except the right to receive the Purchase Price thereof upon presentation and surrender of said 1989 Compost Project Bond to the Tender Agent. The Tender Agent shall promptly notify the 1989 Trustee of any such failure to deliver a 1989 Compost Project Bond to the Tender Agent and the 1989 Trustee shall be entitled to conclusively rely on such notification.

(f) No Physical Delivery Required While Book-Entry System in Place. Notwithstanding anything expressed or implied herein to the contrary, so long as the Book-Entry System for the 1989 Compost Project Bonds is maintained by the Issuer, there shall be no requirement of physical delivery to the Tender Agent of any 1989 Compost Project Bonds subject to mandatory or optional purchase as a condition to the payment of the Purchase Price therefor. Rather notice of any change in ownership of any 1989 Compost Project Bond as a result of any such mandatory or optional purchase shall be given by the Remarketing Agent to DTC by telephone, telegram, teletype, telex or other similar communication on or before 12:00 noon (New York City time) on the applicable Purchase Date and DTC shall thereupon register the transfer of Beneficial Ownership of such 1989 Compost Project Bond as directed in such notice, whereupon the Purchase Price shall be paid to the former Beneficial Owner thereof.

Section 307. Credit Purchased Bonds. In the event that any 1989 Compost Project Bonds are registered in the name of or pledged to a 1989 Credit Provider pursuant to Section 306(d), the Remarketing Agent shall continue to offer for sale and use its best efforts to sell such 1989 Compost Project Bonds at the Purchase Price. Prior to such remarketing, the Tender Agent shall deliver such 1989 Compost Project Bonds to the 1989 Credit Provider or its designee or, if so instructed by such 1989 Credit Provider, shall hold such 1989 Compost Project Bonds as pledgee for the benefit of such 1989 Credit Provider. While a 1989 Credit Facility is effective, 1989 Compost Project Bonds paid for with funds made available under such 1989 Credit Facility shall not be delivered upon remarketing unless such 1989 Credit Facility is automatically reinstated for the principal amount thereof and interest thereon in accordance with its terms or the Remarketing Agent, the Paying Agent, the Tender Agent and the 1989 Trustee have been advised by such 1989 Credit Provider that it has elected to reinstate such 1989 Credit Facility for the required amount. The initial 1989 Credit Facilities provide that they are automatically reinstated for the principal amount and interest on Credit Purchased Bonds which are remarketed in accordance with its terms.

Section 308. No Purchase or Sales After Certain Defaults.

(a) The Series A Bonds. Anything in this 1989 Supplemental Ordinance to the contrary notwithstanding, there shall be no purchase or sales of Series A Bonds pursuant to this Article III:

(i) if there shall have occurred and be continuing a Series A Event of Default described in Section 701(a)(i) of this 1989 Supplemental Ordinance by virtue of the failure of the 1989 Trustee to properly draw under the 1989 Credit Facility amounts sufficient to pay when due the amounts owing under the Series A Bonds; or

(ii) if:

- (A) (1) the obligation of the 1989 Credit Provider to purchase Series A Bonds pursuant to the 1989 Credit Facility has expired or has been terminated; or
- (2) if the 1989 Credit Provider is in default under the 1989 Credit Facility; and

(B) no Alternate Credit Facility has been obtained in replacement for the 1989 Credit Facility pursuant to Article VI of this 1989 Supplemental Ordinance.

Promptly upon receiving actual notice or knowledge of the same, the 1989 Trustee shall give notice to each Owner of Series A Bonds, the Remarketing Agent, the Tender Agent, and the 1989 Credit Provider of the occurrence and continuance of any of the events set forth in the preceding paragraph and that such event results in no purchases or sales of Series A Bonds being permitted pursuant to this Article, and of the curing of any of such events and that consequently the purchases and sales are again permitted pursuant to this Article.

(b) The Series B Bonds. Anything in this 1989 Supplemental Ordinance to the contrary notwithstanding, there shall be no purchase or sales of Series B Bonds pursuant to this Article III:

(i) if there shall have occurred and be continuing a Series B Event of Default described in Section 701(b)(i) of this 1989 Supplemental Ordinance by virtue of the failure of the 1989 Trustee to properly draw under the 1989 Credit Facility amounts sufficient to pay when due the amounts owing under the Series B Bonds; or

(ii) if:

(A) (1) the obligation of the 1989 Credit Provider to purchase Series B Bonds pursuant to the 1989 Credit Facility has expired or has been terminated; or

(2) if the 1989 Credit Provider is in default under the 1989 Credit Facility; and

(B) no Alternate Credit Facility has been obtained in replacement for the 1989 Credit Facility pursuant to Article VI of this 1989 Supplemental Ordinance.

Promptly upon receiving actual notice or knowledge of the same, the 1989 Trustee shall give notice to each Owner of Series B Bonds, the Remarketing Agent, the Tender Agent, and the 1989 Credit Provider of the occurrence and continuance of any of the events set forth in the preceding paragraph and that such event results in no purchases or sales of Series B Bonds being permitted pursuant to this Article, and of the curing of any of such events and that consequently the purchases and sales are again permitted pursuant to this Article.

Section 309. Insufficient Funds for Purchases. If the moneys available for purchase of 1989 Compost Project Bonds pursuant to this Article III are inadequate for the purchase of all 1989 Compost Project Bonds tendered on any Purchase Date, all 1989 Compost Project Bonds subject to such purchase shall continue to bear interest at the same rate as in effect on the day prior to the Purchase Date to the date on which the earliest of the following occurs:

(i) the Fixed Rate Conversion Date for the affected 1989 Compost Project Bonds;

(ii) the date on which any default by the related 1989 Credit Provider under the terms of the related 1989 Credit Facility has been cured; or

(iii) the date on which an Alternate Credit Facility meeting the requirements of the applicable provisions of Article VI of this 1989 Supplemental Ordinance has been obtained as security for the affected 1989 Compost Project Bonds.

If the preceding paragraph becomes applicable, the Tender Agent shall immediately (but no later than the end of the next succeeding Business Day):

(A) return all affected tendered 1989 Compost Project Bonds to the Owners thereof;

(B) return all moneys received for the purchase of such 1989 Compost Project Bonds to the persons who provided such moneys; and

(iii) notify all affected Owners in writing of the interest rate to be effective pursuant to the preceding paragraph and the term during which it will be effective in accordance with the provisions of this Section.

Section 310. Restriction on Remarketing of Bonds to Issuer or Borrower. So long as the 1989 Credit Facility is effective, no 1989 Compost Project Bond tendered pursuant to this Article III shall be remarketed to the Issuer or the Borrower or any of the Borrower's Affiliates. The Tender Agent shall not be required to monitor the actions of the Remarketing Agent to insure that it will not sell 1989 Compost Project Bonds to the Borrower or any of its Affiliates.

ARTICLE IV

DEPOSIT AND APPLICATION OF BOND PROCEEDS; ESTABLISHMENT AND OPERATION OF ACCOUNTS

Section 401. Establishment of Accounts. There are hereby established with the 1989 Trustee the following accounts, which shall be special separate subaccounts of the Master Project Account established under the Master Ordinance :

(i) the 1989 Construction Account, including as a special subaccount thereof the 1989 Equity Account;

(ii) the 1989 Reserve Account, including as special subaccounts thereof the Series A Reserve Account and, if so determined by the Executive Officer as provided in Section 1011 hereof, the Series B Reserve Account;

(iii) the 1989 Debt Service Account; and

(iv) the 1989 Rebate Account.

Section 402. Use of 1989 Compost Project Bond Proceeds. The proceeds of sale of the 1989 Compost Project Bonds shall, as soon as practicable upon the delivery thereof to the 1989 Trustee, be applied as follows:

(a) an amount equal to the accrued interest paid by the initial purchasers of the 1989 Compost Project Bonds shall be deposited in the 1989 Debt Service Account;

(b) an amount equal to the 1989 Reserve Requirement for the Series A Bonds shall be deposited in the Series A Reserve Account, which deposit shall be made from the proceeds of the Series A Bonds, and, if the Executive Officer determines to establish a Series B Reserve Account as provided in Section 1011

hereof, an amount equal to the 1989 Reserve Requirement for the Series B Bonds shall be deposited in the Series B Reserve Account, which deposit shall be made from the proceeds of the Series B Bonds; *provided that*, at the option of the Borrower, in lieu of such deposit of 1989 Compost Project Bond proceeds, the 1989 Reserve Requirement for either or both of the Series A Bonds or the Series B Bonds may be satisfied in whole or in part by the delivery to the 1989 Trustee of a Reserve Credit Facility in a stated amount that, when added to any moneys on deposit in the Series A Reserve Account or the Series B Reserve Account, as appropriate, will equal the 1989 Reserve Requirement; and

(c) the balance shall be deposited in the 1989 Construction Account.

In addition, on the Closing Date there shall be deposited in the 1989 Equity Account, from moneys remitted by the Borrower from its own funds to the 1989 Trustee, an amount equal to the Equity Cash Contribution.

Section 403. The 1989 Construction Account. Amounts on deposit in the 1989 Construction Account shall be disbursed and applied from time to time to pay the Capital Costs of the 1989 Compost Project upon compliance with the requisition provisions set forth in this Section. Upon the receipt by the 1989 Trustee of a Requisition Certificate signed by the Borrower and meeting the requirements of Section 5.1 of the Loan Agreement, the 1989 Trustee shall disburse from the 1989 Construction Account to or upon the order of the Borrower the amount requested in such Requisition Certificate.

Notwithstanding anything expressed or implied herein to the contrary:

(i) not less than 95% of the moneys and investment earnings on deposit in the 1989 Construction Account (but not including any moneys or investment earnings on deposit in the 1989 Equity Account) shall be expended for Qualifying Costs; and

(ii) in no event shall the proceeds of the Series A Bonds and the Series B Bonds be expended to pay Costs of Issuance in excess of two percent (2%) of the proceeds of the Series A Bonds and the Series B Bonds (within the meaning of Code Section 147(g)(1)); and

(iii) except as may be otherwise required as a result of the limitations and requirements set forth in the next paragraph, fifteen percent (15%) of each disbursement from the 1989 Construction Account shall be made from the moneys on deposit from time to time in the 1989 Equity Account and the remaining eighty-five percent (85%) shall be made from moneys on deposit in the 1989 Construction Account other than the moneys on deposit in the 1989 Equity Account; *provided that* the percentage figures set forth in this subsection (iii) may be changed from time to time by the mutual written agreement of the Issuer, the 1989 Credit Provider and the Borrower.

To the extent that the Costs of Issuance exceed two percent (2%) of the proceeds of the Series A Bonds and the Series B Bonds, such excess shall be paid from the available moneys on deposit in the 1989 Equity Account. In addition, available moneys on deposit in the 1989 Equity Account shall be used to pay Capital Costs of the 1989 Compost Project which do not constitute Qualifying Costs to the extent that such Capital Costs cannot be paid from the Series A Bond proceeds and the Series B Bond proceeds on deposit in the 1989 Construction Account as a result of the restrictions imposed by (i) above. After payment of the items described in the two immediately preceding sentences, any moneys remaining on deposit in the 1989 Equity Account shall be applied to the payment of any other Capital Costs of the 1989 Compost Project. Subject to the provisions of this paragraph, moneys on deposit in the 1989 Equity Account shall be invested, disbursed and otherwise dealt with in the same manner provided herein with respect to the moneys on deposit in the 1989 Construction Account.

Any balance remaining in the 1989 Construction Account (including the 1989 Equity Account) after payment of all Capital Costs of the 1989 Compost Project shall be transferred to and deposited in the 1989 Debt

Service Account and applied first to pay a *pro rata* portion of the principal payments coming due on the Series A Bonds and second to redeem Series A Bonds at the earliest possible date at which such bonds may be redeemed without premium; *provided that* pending such application the moneys so transferred to the 1989 Debt Service Account shall be invested at such yield as shall be specified in an Opinion of Bond Counsel delivered to the Issuer, the Borrower and the 1989 Trustee.

Section 404. 1989 Reserve Account. Pursuant to the Loan Agreement, the Borrower has covenanted and agrees that, while any Series A Bonds remain Outstanding, it shall cause to be maintained on deposit in the Series A Reserve Account an amount equal to the applicable 1989 Reserve Requirement by making deposits thereto as required by Section 7.8 of the Loan Agreement and/or by providing a Reserve Credit Facility. In addition, pursuant to the Loan Agreement, the Borrower has covenanted and agrees that, if the Executive Officer determines to establish a Series B Reserve Account as provided in Section 1011 hereof, then while any Series B Bonds remain Outstanding, it shall cause to be maintained on deposit in the Series B Reserve Account an amount equal to the applicable 1989 Reserve Requirement by making deposits thereto as required by Section 7.8 of the Loan Agreement and/or by providing a Reserve Credit Facility. The provisions of this Section 404 relating to the Series B Reserve Account shall only be applicable in the event the Executive Officer determines to establish the Series B Reserve Account as provided in Section 1011 hereof.

If, on any Interest Payment Date for the Series A Bonds, the amounts on deposit in the 1989 Debt Service Account, when added to moneys drawn or available to be drawn under the 1989 Credit Facility for such purpose, are insufficient to pay all amounts of principal of, premium (if any) and interest on the Series A Bonds due on such Interest Payment Date, then the 1989 Trustee shall, in accordance with the priorities set forth herein, withdraw from the Series A Reserve Account an amount equal to such deficiency and apply the amount so withdrawn to the payment of the amounts of principal of, premium (if any) and interest due on the Series A Bonds on such Interest Payment Date. Withdrawals from the Series A Reserve Account shall be made in the following order of priority:

First, from any cash on deposit in the Series A Reserve Account;

Second, from the liquidation proceeds of any investments made from moneys on deposit in the Series A Reserve Account, with the 1989 Trustee first liquidating those investments with the shortest term to maturity unless otherwise instructed by the Borrower; and

Third, from moneys drawn or paid under any Reserve Credit Facility given for the purpose of meeting in whole or in part the 1989 Reserve Requirement for the Series A Bonds.

If, on any Interest Payment Date for the Series B Bonds, the amounts on deposit in the 1989 Debt Service Account, when added to moneys drawn or available to be drawn under the 1989 Credit Facility for such purpose, are insufficient to pay all amounts of principal of, premium (if any) and interest on the Series B Bonds due on such Interest Payment Date, then the 1989 Trustee shall, in accordance with the priorities set forth herein, withdraw from the Series B Reserve Account an amount equal to such deficiency and apply the amount so withdrawn to the payment of the amounts of principal of, premium (if any) and interest due on the Series B Bonds on such Interest Payment Date. Withdrawals from the Series B Reserve Account shall be made in the following order of priority:

First, from any cash on deposit in the Series B Reserve Account;

Second, from the liquidation proceeds of any investments made from moneys on deposit in the Series B Reserve Account, with the 1989 Trustee first liquidating those investments with the shortest term to maturity unless otherwise instructed by the Borrower; and

Third, from moneys drawn or paid under any Reserve Credit Facility given for the purpose of

meeting in whole or in part the 1989 Reserve Requirement for the Series B Bonds.

The amounts on deposit in the Series A Reserve Account shall be determined by the 1989 Trustee:

- (a) on July 1 of each year; and
- (b) as of the date of issuance of any Additional Bonds hereunder as Series A Bonds; and
- (c) as of the date of any withdrawal from the Series A Reserve Account for the purpose of making up any deficiency in the 1989 Debt Service Account.

The amounts on deposit in the Series B Reserve Account shall be determined by the 1989 Trustee:

- (a) on July 1 of each year; and
- (b) as of the date of issuance of any Additional Bonds hereunder as Series B Bonds; and
- (c) as of the date of any withdrawal from the Series B Reserve Account for the purpose of making up any deficiency in the 1989 Debt Service Account.

For purposes of determining the amounts on deposit from time to time in the Series A Reserve Account and the Series B Reserve Account:

(1) all investments shall be valued at the mean between the bid and asked price therefor as shown in The Wall Street Journal last published immediately prior to the date of such determination; and

(2) there shall be deemed to be on deposit in the Series A Reserve Account an amount equal to the amount available to be drawn by the 1989 Trustee under any Reserve Credit Facility given for the purpose of meeting in whole or in part the 1989 Reserve Requirement with respect to the Series A Bonds, and there shall be deemed to be on deposit in the Series B Reserve Account an amount equal to the amount available to be drawn by the 1989 Trustee under any Reserve Credit Facility given for the purpose of meeting in whole or in part the 1989 Reserve Requirement with respect to the Series B Bonds.

If, on any July 1 of any year, the amounts on deposit in the Series A Reserve Account are in excess of the 1989 Reserve Requirement for the Series A Bonds (with investments on deposit therein being valued as provided herein), then the 1989 Trustee, at the direction of the Issuer, shall withdraw from the Series A Reserve Account an amount equal to such excess and transfer the amount so withdrawn to the 1989 Debt Service Account to be applied to pay the interest next coming due on the Series A Bonds. If, on any July 1 of any year, the amounts on deposit in the Series B Reserve Account are in excess of the 1989 Reserve Requirement for the Series B Bonds (with investments on deposit therein being valued as provided herein), then the 1989 Trustee, at the direction of the Issuer, shall withdraw from the Series B Reserve Account an amount equal to such excess and transfer the amount so withdrawn to the 1989 Debt Service Account to be applied to pay the interest next coming due on the Series B Bonds.

In the event that any amounts are withdrawn from the Series A Reserve Account or the Series B Reserve Account for the purpose of making up any deficiency in the 1989 Debt Service Account as described above, the Borrower shall cause to be deposited in the Series A Reserve Account or the Series B Reserve Account, as appropriate, an amount such that the amount on deposit in such Account shall at least equal the applicable 1989 Reserve Requirement, which deposits shall be made in not more than eighteen equal monthly installments commencing on the first Business Day of the month next succeeding the date of the withdrawal from such Account giving rise to such deficiency. In addition, in the event any amounts are drawn under a Reserve Credit Facility in

order to make up any deficiency in the 1989 Debt Service Account as described above, the Borrower shall, over a period of not to exceed eighteen months, cause the amount available to be drawn under such Reserve Credit Facility to be reinstated to an amount such that the total amount on deposit in the Series A Reserve Account or the Series B Reserve Account, as appropriate, shall at least equal the applicable 1989 Reserve Requirement. For purposes of this paragraph, the 1989 Trustee shall determine the amount on deposit in the Series A Reserve Account or the Series B Reserve Account, as appropriate, as of the date upon which the Borrower makes the last deposit in the Series A Reserve Account or the Series B Reserve Account, as appropriate, pursuant to the first sentence of this paragraph or as of the date upon which the Borrower has caused the Reserve Credit Facility to be reinstated in the amount required by the second sentence of this paragraph, as the case may be.

In the event the amounts on deposit in the Series A Reserve Account or the Series B Reserve Account are less than the applicable 1989 Reserve Requirement solely as a result of changes in the market prices of the investments made from moneys deposited therein, the Borrower shall have no obligation to restore any such deficiency except under the circumstance described in the immediately preceding paragraph and in connection with the issuance of any Additional Bonds hereunder.

All amounts on deposit in the Series A Reserve Account may be applied to the final payment (whether at maturity, by prior redemption or by means of a defeasance as provided in Section 1001 hereof) of all Outstanding Series A Bonds. All amounts on deposit in the Series B Reserve Account may be applied to the final payment (whether at maturity, by prior redemption or by means of a defeasance as provided in Section 1001 hereof) of all Outstanding Series B Bonds.

Section 405. The 1989 Debt Service Account. In addition to the deposit required by Sections 402 and 404 hereof, there shall be deposited in the 1989 Debt Service Account all Loan Repayments as and when received by the 1989 Trustee. On each date upon which any amounts of principal of, premium (if any) or interest on the 1989 Compost Project Bonds are due and payable, the 1989 Trustee shall withdraw from the 1989 Debt Service Account an amount equal to the amounts due on the 1989 Compost Project Bonds and use the amounts so withdrawn to pay to the Owners of the 1989 Compost Project Bonds the amounts so due thereon; *provided that:*

(i) if Loan Repayments and other moneys on deposit in the 1989 Debt Service Account are insufficient to pay in full all amounts due on a payment date under the Series A Bonds and the Series B Bonds, then and in such event the moneys on deposit in the 1989 Debt Service Account shall be applied first to the ratable payment of the amounts due on the Series A Bonds and the balance, if any, shall be applied to the payment of the amounts then due on the Series B Bonds;

(ii) if, on any payment date for the Series A Bonds, the principal, interest or premium due on the Series A Bonds on such date has been paid from moneys drawn under the 1989 Credit Facility, then the Trustee, after payment of all amounts due on the Series A Bonds on such date, shall withdraw from the 1989 Debt Service Account an amount equal to the amount drawn under the 1989 Credit Facility for the purpose of paying such amounts and shall pay the amount so withdrawn to the related 1989 Credit Provider for the account of the Borrower in repayment of the corresponding amount owing under the related 1989 Credit Agreement;

(iii) if, on any payment date for the Series B Bonds, the principal, interest or premium due on the Series B Bonds on such date has been paid from moneys drawn under the 1989 Credit Facility, then the Trustee, after payment of all amounts due on the Series A Bonds and the Series B Bonds on such date, shall withdraw from the 1989 Debt Service Account an amount equal to the amount drawn under the 1989 Credit Facility for the purpose of paying such amounts and shall pay the amount so withdrawn to the related 1989 Credit Provider for the account of the Borrower in repayment of the corresponding amount owing under the related 1989 Credit Agreement; and

(iv) if on any payment date for the 1989 Compost Project Bonds the amounts on deposit in the 1989 Debt Service Account are insufficient to make all payments to the 1989 Credit Provider required under Sections 405(ii) and (iii) above, then and in such event the moneys on deposit in the 1989 Debt Service Account shall be first applied as provided in Section 405(ii) above and the balance, if any, shall be applied as provided in Section 405(iii) above.

Section 406. The 1989 Rebate Account.

(a) Calculation of Rebate Amount; Deposits to and Withdrawals from 1989 Rebate Account. The Issuer, pursuant to the Loan Agreement, has covenanted and agreed that, in accordance with the applicable provisions of the Code, it shall cause a Rebate Analyst to calculate the Rebate Amount accruing with respect to each issue of 1989 Compost Project Bonds as provided herein. Within 25 days after the close of each Calculation Period for each issue of 1989 Compost Project Bonds and within 25 days after the final payment in full of all 1989 Compost Project Bonds of a particular issue, the 1989 Trustee shall provide the Issuer and the Rebate Analyst with detailed information concerning the investments made during the Calculation Period just ended out of any moneys held by the Issuer, the Borrower or the 1989 Trustee hereunder which relate to such issue of 1989 Compost Project Bonds and the Rebate Analyst shall compute the Rebate Amount for such issue of 1989 Compost Project Bonds in accordance with the requirements of Section 148(f) of the Code and shall provide to the Borrower, the Issuer and the 1989 Trustee a Rebate Report setting forth such calculations.

In the event a Rebate Report shows a positive Rebate Amount, the Borrower shall deposit into the 1989 Rebate Account an amount equal to such Rebate Amount.

In the event that a Rebate Report shows that the amounts on deposit in the 1989 Rebate Account exceed the cumulative Rebate Amount for all prior Calculation Periods, the 1989 Trustee is directed to transfer an amount equal to the amount of such excess from the 1989 Rebate Account to the 1989 Debt Service Account (but only to the extent of any amounts on deposit in the 1989 Rebate Account).

Amounts on deposit from time to time in the 1989 Rebate Account shall, to the extent practicable, be invested by the 1989 Trustee in such Government Obligations as the Borrower shall direct in writing.

(b) Payment of Rebate Amount to United States. Not later than 30 days after the end of the first Installment Computation Date for each issue of 1989 Compost Project Bonds and every Installment Computation Date thereafter for each issue of 1989 Compost Project Bonds, the 1989 Trustee shall pay to the United States of America, from moneys on deposit in the 1989 Rebate Account or, if moneys on deposit in the 1989 Rebate Account are insufficient or unavailable to make such payments, from moneys paid by the Borrower, at least 90% of the Excess Earnings during the preceding Calculation Period for such issue of 1989 Compost Project Bonds and 100% of the investment earnings on such Excess Earnings. In addition, not later than 60 days after the Final Computation Date for each issue of 1989 Compost Project Bonds, the 1989 Trustee shall pay to the United States of America all amounts required to be paid thereto in respect of such issue pursuant to Section 148(f) of the Code as set forth in the final Rebate Report, said payment to be made out of moneys on deposit in the 1989 Rebate Account or, to the extent the moneys on deposit in the 1989 Rebate Account are insufficient for such purpose, out of moneys paid by the Borrower.

Notwithstanding anything expressed or implied herein to the contrary, it is the intent that there shall be paid to the United States of America, out of moneys on deposit in the 1989 Rebate Account or payments made by the Borrower, all amounts required to be paid pursuant to Section 148(f) of the Code at the times required thereby.

(c) Conformance to the Code Requirements; "Issue" Defined. Notwithstanding anything expressed or implied herein to the contrary:

(i) the provisions of this Section 406 may be amended from time to time by the Borrower, the Issuer and the 1989 Trustee without the consent of or notice to any Owners in order to conform to the requirements of the Code regarding the payment of the Rebate Amount to the United States of America or the manner or time of calculating such Rebate Amount; and

(ii) in no event shall the Borrower be deemed to be in default in respect of its obligations under this Section 406 so long as all actions taken by the Borrower with respect to the calculation of the Rebate Amount and the payment thereof to the United States of America conform to the requirements of the Code as such requirements may be changed, modified or amended from time to time.

As used in this Section 406 and as used in the definitions of the terms "Bond Year", "Calculation Period", "Excess Earnings" and "Rebate Amount" that appear in Article I hereof, the phrase "issue of 1989 Compost Project Bonds" or any words of similar import shall mean all 1989 Compost Project Bonds of any series which, for purposes of the arbitrage rebate provisions of the Code, are considered to be a single issue of bonds.

Notwithstanding anything expressed or implied herein or in any Supplemental Ordinance to the contrary, the covenants of the Borrower set forth in this Section 406 shall survive the payment in full and/or defeasance of all Outstanding 1989 Compost Project Bonds or any particular issue of 1989 Compost Project Bonds.

Section 407. Investment of Moneys in Accounts. Subject to the restrictions hereinafter set forth in this Section and compliance with the provisions of Section 3.3 of the Loan Agreement and notwithstanding the provisions of any other ordinance of the Issuer:

(i) any moneys held in the 1989 Construction Account shall be invested and reinvested by the 1989 Trustee upon the written instructions of the Issuer in Investment Securities, maturing no later than the date on which it is estimated that such moneys will be required to be paid out hereunder;

(ii) any moneys held in the 1989 Debt Service Account shall be invested and reinvested by the 1989 Trustee upon the written instructions of the Issuer in Permitted Investments, maturing no later than the date on which it is estimated that such moneys will be required to be paid out hereunder; and

(iii) any moneys held in the 1989 Reserve Account and the 1989 Rebate Account shall be invested in investment agreements, single premium annuities or guaranteed investment contracts entered into or issued by an entity whose long-term debt obligations are rated in the highest rating category by the Rating Agencies or, if such entity is an insurance company, whose claims-paying ability is rated in the highest rating category by A.M. Best & Company.

The 1989 Trustee may make any and all such investments through its own investment department. Neither the Issuer nor the 1989 Trustee shall be responsible or liable for the performance of any such investments or for keeping the moneys held by either hereunder fully invested at all times. Any obligations acquired by the 1989 Trustee as a result of such investment or reinvestment shall be held by or under the control of the 1989 Trustee (except for such investments held in book entry form) and shall be deemed to constitute a part of the account from which the moneys used for its purchase were taken. All investment income shall be retained in the Account to which the investment is credited from which such income is derived except to the extent such income is required to be deposited in the 1989 Rebate Account. Subject to the restrictions on the types of investments permitted to be made from the moneys on deposit in the various Accounts established hereunder, the moneys in each such Account may be co-mingled for purposes of investment.

ARTICLE V

THE 1989 TRUSTEE, THE REMARKETING AGENT AND THE TENDER AGENT

Section 501. Acceptance by 1989 Trustee. United States National Bank of Oregon is hereby appointed to act as 1989 Trustee, Bond Registrar for the 1989 Compost Project Bonds and Paying Agent for the 1989 Compost Project Bonds under and pursuant to this 1989 Supplemental Ordinance. United States National Bank of Oregon shall evidence acceptance of such appointment and its agreement to perform the duties of 1989 Trustee by means of a written instrument of acceptance signed by its authorized officer and delivered to the Issuer.

Section 502. Responsibilities of 1989 Trustee. Any recitals of fact herein and in the 1989 Compost Project Bonds contained shall be taken as the statements of the Issuer and no 1989 Trustee assumes any responsibility for the correctness of the same. The 1989 Trustee makes no representations as to the validity or sufficiency of this 1989 Supplemental Ordinance or of any 1989 Compost Project Bonds issued hereunder or as to the security afforded by this 1989 Supplemental Ordinance, and the 1989 Trustee shall not incur any liability in respect thereof. The 1989 Trustee shall, however, be responsible for its representation contained in its certificate of authentication on the 1989 Compost Project Bonds. The 1989 Trustee shall not be under any obligation or duty to perform any act which would involve it in any expense or liability or to institute or defend any suit in respect thereof, or to advance any of its own moneys, unless properly indemnified. Subject to the provisions of the next paragraph, the 1989 Trustee shall not be liable in connection with the performance of its duties hereunder except for its own negligence, misconduct or default.

The 1989 Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this 1989 Supplemental Ordinance. In case an Event of Default has occurred (which has not been cured) the 1989 Trustee shall exercise such of the rights and powers vested in it by this 1989 Supplemental Ordinance, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of her own affairs. Any provision of this 1989 Supplemental Ordinance relating to action taken or to be taken by the 1989 Trustee or to evidence upon which the 1989 Trustee may rely shall be subject to the provisions of this Article.

Section 503. Evidence on Which 1989 Trustee May Act. The 1989 Trustee, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this 1989 Supplemental Ordinance, shall examine such instrument to determine whether it conforms to the requirements of this 1989 Supplemental Ordinance and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. 1989 Trustee may consult with counsel, who may or may not be Bond Counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this 1989 Supplemental Ordinance in good faith and in accordance therewith.

Whenever 1989 Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this 1989 Supplemental Ordinance, such matter (unless other evidence in respect thereof be therein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of the Issuer, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions

of this 1989 Supplemental Ordinance upon the faith thereof; but in its discretion the 1989 Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable.

Except as otherwise expressly provided in this 1989 Supplemental Ordinance, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision thereof by the Issuer to 1989 Trustee shall be sufficiently executed in the name of the Issuer by an Authorized Issuer Representative thereof.

Section 504. Compensation. Pursuant to the Loan Agreement, the Borrower shall cause to be paid to the 1989 Trustee from time to time reasonable compensation for all services rendered under this 1989 Supplemental Ordinance, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this 1989 Supplemental Ordinance and the 1989 Trustee shall have a lien therefor on any and all funds at any time held by it under this 1989 Supplemental Ordinance except with respect to: (i) any monies drawn under the 1989 Credit Facility; and (ii) moneys representing the proceeds derived from the remarketing of any 1989 Compost Project Bonds required to be purchased hereunder.

Section 505. Certain Permitted Acts. The 1989 Trustee may become the Owner of any 1989 Compost Project Bonds, with the same rights it would have if it were not the 1989 Trustee. To the extent permitted by law, the 1989 Trustee may act as depositary for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners of the 1989 Compost Project Bonds or to effect or aid in any reorganization growing out of the enforcement of the 1989 Compost Project Bonds or this 1989 Supplemental Ordinance, whether or not any such committee shall represent the Owners of a majority in principal amount of the 1989 Compost Project Bonds then Outstanding.

Section 506. Resignation of 1989 Trustee. The 1989 Trustee may at any time resign and be discharged of the duties and obligations created by this 1989 Supplemental Ordinance by giving not less than sixty (60) days' written notice to the Issuer, the Borrower and the 1989 Credit Provider, and mailing notice thereof, postage prepaid, specifying the date when such resignation shall take effect, to each Owner of 1989 Compost Project Bonds then Outstanding at his address appearing upon the registry books of the Issuer, and such resignation shall take effect upon the later to occur of the day specified in such notice or the appointment by the Issuer of a successor 1989 Trustee. Any resignation of the Trustee shall not take effect until the appointment of a successor trustee.

Section 507. Removal of 1989 Trustee. The 1989 Trustee may be removed at any time by an instrument or concurrent instruments in writing, filed with the Trustee, and signed by the Issuer or the Owners of a majority in principal amount of the 1989 Compost Project Bonds then outstanding and the 1989 Credit Provider, or their attorneys-in-fact duly authorized, in which event the Issuer shall appoint a successor 1989 Trustee. No such removal shall be effective until the appointment of a successor 1989 Trustee.

Section 508. Notice of Appointment of Successor; Financial Qualifications of Trustee and Successor Trustee. The Issuer shall give, or cause to be given, notice of any appointment of a successor 1989 Trustee made by it by mailing postage prepaid to each Owner of 1989 Compost Project Bonds then outstanding at his address, if any, appearing upon the registry books of the Issuer.

If no appointment of a successor 1989 Trustee shall be made pursuant to the foregoing provisions of this Article within forty-five (45) days after the 1989 Trustee shall have given to the Issuer written notice of resignation or after a vacancy in the office of the 1989 Trustee shall have occurred by reason of its inability to act, removal, or for any other reason whatsoever, the 1989 Trustee (in the case of its resignation under Section 506), the Owner of any 1989 Compost Project Bond, the Borrower or the 1989 Credit Provider (in any case) may apply to any court of competent jurisdiction to appoint a successor 1989 Trustee. Said court may thereupon, after such notice, if any, as

such court may deem proper, appoint a successor 1989 Trustee.

The 1989 Trustee appointed under the provisions of this Article or any successor to the 1989 Trustee shall be a bank or trust company or national banking association, doing business and having its principal office in New York, New York, or the State of Oregon, and shall have (or its parent company or holding company shall have) capital stock and surplus aggregating at least \$50,000,000.

Section 509. Transfer of Rights and Property to Successor 1989 Trustee. Any successor 1989 Trustee appointed under this 1989 Supplemental Ordinance shall execute, acknowledge and deliver to its predecessor 1989 Trustee, and also to the Issuer an instrument accepting such appointment, and thereupon such successor 1989 Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, power, duties and obligations of such predecessor 1989 Trustee, with like effect as if originally named as 1989 Trustee; *provided that* the 1989 Trustee ceasing to act shall nevertheless, on the written request of the Issuer, or of the successor 1989 Trustee, execute, acknowledge, deliver, file and record such instrument of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor 1989 Trustee all the right, title and interest of the predecessor 1989 Trustee in and to any property held by it under this 1989 Supplemental Ordinance or covered by the lien of this 1989 Supplemental Ordinance and shall pay over, assign and deliver to the successor 1989 Trustee any money or other property subject to the trusts and conditions herein set forth; *and provided further that* prior to or simultaneous with such successor 1989 Trustee assuming its duties as such hereunder, the predecessor 1989 Trustee shall have first duly transferred to such successor any and all 1989 Credit Facilities then in effect. Should any deed, conveyance or instrument in writing from the Issuer be required by such successor 1989 Trustee for more fully and certainly vesting in and confirming to such successor 1989 Trustee any such lien, estates, rights, power and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Issuer.

Section 510. Merger or Consolidation. Any company into which 1989 Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which 1989 Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank or trust company organized under the laws of any state of the United States or a national banking association and shall be authorized by law to perform all the duties imposed upon it by this 1989 Supplemental Ordinance, shall be the successor to such 1989 Trustee without the execution or filing of any paper or the performance of any further act.

Section 511. Tender Agent; Duties of Tender Agent. Until the final maturity of all 1989 Compost Project Bonds which could bear interest at a Variable Rate or a Commercial Paper Rate, there shall be a Tender Agent appointed by the Issuer and subject to direction of the 1989 Trustee in the purchase of 1989 Compost Project Bonds pursuant to Article III and payment of the Purchase Price therefor. Without limiting the foregoing, the Issuer hereby covenants and agrees that prior, and as a condition precedent, to the conversion of the 1989 Compost Project Bonds to a Commercial Paper Rate Period or any Variable Rate Period (other than a Weekly Rate Period), it shall appoint a person or entity other than the Remarketing Agent to act in the capacity of Tender Agent during such Rate Period. PaineWebber Incorporated is hereby appointed to act as initial Tender Agent hereunder and shall signify its acceptance of such appointment by executing and delivering to the Issuer and the 1989 Trustee an appropriate instrument. Such Tender Agent shall at all times be a bank, trust company or member of the National Association of Securities Dealers, Inc., having an office in the City and County of New York, New York, organized and doing business under the laws of the United States or of any state, with a combined capital and surplus of at least \$75,000,000, or, in the case of any Tender Agent which is not a bank or trust company, whose debt obligations, or the debt obligations of its parent company, shall be rated not lower than "aa/P3" by Moody's, and, except with respect to a member of the National Association of Securities Dealers, Inc., authorized under such laws to exercise corporate trust powers and subject to supervision or examination by Federal or state authority. If such corporation publishes reports of condition at least annually pursuant to law or the requirements of such authority, then for the

purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

Any corporation into which any Tender Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation, or conversion to which any Tender Agent shall be a party, or any corporation succeeding to the corporate trust business of any Tender Agent, shall be the successor of the Tender Agent hereunder, if such successor corporation is otherwise eligible under this Section, without the execution or filing of any further act on the part of the party or the parties hereto or the Tender Agent or such successor corporation.

Any Tender Agent may resign by giving written notice of resignation to the 1989 Trustee, the Issuer, the 1989 Credit Provider, if the 1989 Credit Facility is then in effect, and the Borrower. The Issuer may terminate the agency of any Tender Agent by giving written notice of termination to such Tender Agent, the 1989 Credit Provider, the Borrower and the 1989 Trustee. Upon receiving such a notice of resignation or upon such a termination, or in case at any time any Tender Agent shall cease to be eligible under this Section, the Issuer shall promptly appoint a successor Tender Agent, and shall give written notice of such appointment to the 1989 Trustee, the 1989 Credit Provider, the Borrower and the Owners.

No such resignation or removal shall take effect until a successor Tender Agent shall have been appointed and agrees to act in such capacity. If no successor Tender Agent has accepted appointment within 30 days after the Tender Agent has given notice of its resignation as provided above, the Tender Agent may petition any court of competent jurisdiction for the appointment of a temporary successor Tender Agent, *provided that* any Tender Agent so appointed shall immediately and without further act be superseded by any Tender Agent appointed by the Issuer as provided above.

The Issuer will cause a Tender Agent other than the 1989 Trustee to execute and deliver to the 1989 Trustee an instrument in which such Tender Agent shall agree with the 1989 Trustee, subject to the provisions of this Section, that such Tender Agent will:

- (i) hold all sums held by it for the payment of the Purchase Price of 1989 Compost Project Bonds in a separate account for the benefit of the Owners of such 1989 Compost Project Bonds until such sums shall be paid to such Owners or otherwise disposed of as herein provided and, if the funds are invested, they shall be invested in Investment Securities at the written request of the Borrower;

- (ii) at any time, upon the written request of the 1989 Trustee, forthwith pay to the 1989 Trustee all sums so held by such Tender Agent; and

- (iii) observe and perform the obligations of the Tender Agent hereunder.

The 1989 Trustee may at any time, for the purpose of obtaining the satisfaction and discharge of this 1989 Supplemental Ordinance or for any other purpose, direct the Tender Agent to pay to the 1989 Trustee all money held by such Tender Agent; and, upon such payment by the Tender Agent to the 1989 Trustee, the Tender Agent shall be released from all further liability with respect to such money.

Section 512. Remarketing Agent. Until the final maturity of all 1989 Compost Project Bonds which could bear interest at a Variable Rate or a Commercial Paper Rate, there shall be a Remarketing Agent selected by the Issuer subject to the conditions set forth in this Section 512. The Remarketing Agent initially appointed hereunder is PaineWebber Incorporated, which shall signify its acceptance of such appointment by executing and delivering to the Issuer and the 1989 Trustee an appropriate instrument. The Remarketing Agent shall designate to the 1989 Trustee its principal office and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Issuer, the 1989 Trustee and the Borrower.

The Remarketing Agent shall by acceptance of its appointment agree to, and shall, do each of the following:

(a) act as agent for the Issuer in determining the Variable Rates, Commercial Paper Rates and the Fixed Rate, act as agent for Owners in receiving and holding 1989 Compost Project Bonds tendered for purchase and moneys to pay the Purchase Price thereof, and act as agent for the Borrower in performing all other functions as Remarketing Agent under the 1989 Supplemental Ordinance;

(b) hold all 1989 Compost Project Bonds delivered to it by the Tender Agent in trust for the benefit of the respective Owners which shall have so delivered such 1989 Compost Project Bonds to the Tender Agent until moneys representing the Purchase Price of such 1989 Compost Project Bonds shall have been delivered to or for the account of or to the order of such Owners;

(c) hold all moneys delivered to it hereunder for the purchase of 1989 Compost Project Bonds in trust for the benefit of the person which shall have so delivered such moneys until the 1989 Compost Project Bonds purchased with such moneys shall have been delivered to or for the account of such person, and not co-mingle such moneys with other funds of the Remarketing Agent;

(d) keep such books and records as shall be consistent with prudent industry practice and make such books and records available for inspection by the Issuer, the 1989 Credit Provider, the 1989 Trustee and the Borrower at all reasonable times; and

(e) perform the duties of Remarketing Agent and comply with the provisions applicable to such duties set forth in Articles II and III hereof.

The Remarketing Agent shall be a commercial bank or a member of the National Association of Securities Dealers, Inc., having an office in New York, New York, and a capitalization of at least \$75,000,000 and authorized by law to perform all the duties imposed upon it by this 1989 Supplemental Ordinance.

The Remarketing Agent may at any time resign and be discharged of the duties and obligations created by this 1989 Supplemental Ordinance by giving at least 60 days' written notice to the Issuer, the Borrower, the 1989 Credit Provider and the 1989 Trustee, but any such resignation shall not be effective until a successor is appointed. The Remarketing Agent may be removed at any time by the Issuer. In the event of any resignation or removal of the Remarketing Agent, a successor Remarketing Agent shall be appointed by the Issuer. No removal of the Remarketing Agent shall be effective until a successor is appointed and has accepted such appointment.

In the event of the resignation or removal of the Remarketing Agent, the Remarketing Agent shall pay over, assign and deliver any moneys and 1989 Compost Project Bonds held by it in such capacity to its successor.

Section 513. 1989 Trustee's Liability for Tender Agent and Remarketing Agent. Notwithstanding anything contained herein to the contrary, the 1989 Trustee shall not be liable for any failure of the Tender Agent or the Remarketing Agent to perform in accordance with the 1989 Supplemental Ordinance any duty required or authorized herein to be performed by such person.

ARTICLE VI

THE 1989 CREDIT FACILITY

Section 601. The 1989 Credit Facility.

(a) **1989 Credit Facility to be Held as Security for the 1989 Compost Project Bonds.** The 1989 Credit Facility and all moneys drawn thereunder shall be held by the 1989 Trustee in trust for the sole and exclusive benefit of the Owners of the 1989 Compost Project Bonds (other than a Credit Purchased Bond) as security for the payment of the pecuniary obligations which, in accordance with the terms of the 1989 Credit Facility, are permitted to be satisfied from moneys drawn under the 1989 Credit Facility; *provided that* if a 1989 Credit Facility is given as security for some 1989 Compost Project Bonds but not all Outstanding 1989 Compost Project Bonds, then and in such event such 1989 Credit Facility shall be held in trust for the sole and exclusive benefit of the Owners of the 1989 Compost Project Bonds for which such 1989 Credit Facility was given as security (other than a Credit Purchased Bond) and no Owner of any other 1989 Compost Project Bond shall have any right, title or interest in, to or under or claim against, such 1989 Credit Facility or any moneys drawn thereunder, it being the intent of this 1989 Supplemental Ordinance that there may be more than one 1989 Credit Facility in place for some or all of the Outstanding 1989 Compost Project Bonds or that there may be no 1989 Credit Facility in place for some or all of the Outstanding 1989 Compost Project Bonds.

(b) **No Surrender or Transfer of 1989 Credit Facility.** The 1989 Trustee shall not sell, assign or transfer the 1989 Credit Facility except to a successor trustee. In addition, the 1989 Trustee shall not terminate the 1989 Credit Facility or surrender the 1989 Credit Facility to the related 1989 Credit Provider except (i) upon the expiration of the 1989 Credit Facility in accordance with its terms or (ii) upon the delivery to the 1989 Trustee of an Alternate Credit Facility in replacement therefor.

(c) **Rights and Duties under 1989 Credit Facility.** The 1989 Trustee is hereby instructed, without further direction, to draw amounts under the 1989 Credit Facility in accordance with the terms and conditions set forth therein at the times, in the manner and for the purposes set forth in this 1989 Supplemental Ordinance. The Issuer agrees that the 1989 Trustee in its name or in the name of the Issuer may enforce all rights of the 1989 Trustee and of the Issuer and all obligations of the related 1989 Credit Provider (including the obligation of such 1989 Credit Provider to honor drafts duly presented in accordance with the terms and conditions of the 1989 Credit Facility) under and pursuant to the 1989 Credit Facility for the benefit of the Owners of the 1989 Compost Project Bonds. The 1989 Trustee agrees to assume and perform the duties and obligations contemplated under the 1989 Credit Facility to be assumed and performed by the 1989 Trustee.

Section 602. Draws Under the 1989 Credit Facility.

(a) **Draws to Pay Principal, Premium and Interest on the Series A Bonds.** To the full extent permitted under the terms of the 1989 Credit Facility then in effect, on or before each Interest Payment Date for the 1989 Compost Project Bonds, the 1989 Trustee shall draw under the 1989 Credit Facility securing such 1989 Compost Project Bonds an amount sufficient to pay in full all amounts of principal of, premium (if any, and if covered under the 1989 Credit Facility) and interest on such 1989 Compost Project Bonds due on such Interest Payment Date, which draw shall be made at such time and on such date as shall ensure that the moneys so drawn will be received by the 1989 Trustee in time to duly pay all amounts required to be paid on such 1989 Compost Project Bonds on such Interest Payment Date; *provided that* in no event shall moneys be drawn under any 1989 Credit Facility for the purpose of paying any amounts owing under any Credit Purchased Bonds.

(b) Draws to Pay Purchase Price. In addition, to the full extent permitted under the terms of the 1989 Credit Facility then in effect, the 1989 Trustee shall draw moneys under the 1989 Credit Facility securing particular 1989 Compost Project Bonds in accordance with the terms thereof to the extent necessary to make timely payments of the Purchase Price of such 1989 Compost Project Bonds required to be made pursuant to, and in accordance with, Article III hereof, as appropriate.

(c) Deposit of Moneys Received Under 1989 Credit Facility. All moneys received by the 1989 Trustee under the 1989 Credit Facility shall be held by the 1989 Trustee in a separate, segregated account established for such purpose and shall not be co-mingled with any other moneys held by the 1989 Trustee and may only be invested in Government Obligations which mature or are subject to redemption at the holders' option not later than the earlier of 30 days from the date of investment or the date upon which they will be needed for the purposes from which such moneys were drawn. All moneys received by the 1989 Trustee under the 1989 Credit Facility shall be used solely and only for the purpose of paying, to the Owners or former Owners of the 1989 Compost Project Bonds entitled thereto, the amounts for which such moneys were drawn.

Section 603. Subrogation Rights of the 1989 Credit Provider. If the 1989 Credit Facility is drawn upon to pay principal of, premium (if any) or interest on any 1989 Compost Project Bonds, the related 1989 Credit Provider shall be subrogated to the rights of the Owners of such 1989 Compost Project Bonds to receive the principal of, premium (if any) and interest on such 1989 Compost Project Bond (as the case may be) which has been paid from the proceeds of a draw under the 1989 Credit Facility.

Section 604. Alternate Credit Facility.

(a) Surrender of 1989 Credit Facility In Connection With Alternate Credit Facility. If at any time there shall be delivered to the 1989 Trustee an Alternate Credit Facility in accordance with this Section 604, then the 1989 Trustee shall accept such Alternate Credit Facility and on the effective date of such Alternate Credit Facility the 1989 Trustee shall promptly surrender the 1989 Credit Facility then in effect for which such Alternate Credit Facility is given in replacement to the 1989 Credit Provider which issued such 1989 Credit Facility in accordance with its terms for cancellation.

(b) Requirements for Alternate Credit Facility. Subject to the limitations set forth herein and except as may be otherwise expressly provided in and subject to the terms and conditions of the 1989 Credit Agreement, the Borrower may, at any time and from time to time, deliver or cause to be delivered to the 1989 Trustee an Alternate Credit Facility, which Alternate Credit Facility may, but need not be, given in complete or partial substitution for or replacement of the 1989 Credit Facility or any Alternate Credit Facility then in effect with respect to all or any of the 1989 Compost Project Bonds.

No Alternate Credit Facility shall be deemed to meet the requirements of this Section 604, nor shall the 1989 Trustee accept any Alternate Credit Facility, unless such Alternate Credit Facility has a term of not less than one year. Except as otherwise provided in this Section 604, the 1989 Trustee shall accept any such Alternate Credit Facility.

If the effective date of any Alternate Credit Facility is a date on which the Owners of the 1989 Compost Project Bonds do not have the right to require the Tender Agent to purchase such bonds pursuant to Article III hereof, the Borrower may not substitute, and the 1989 Trustee shall not accept, any Alternate Credit Facility in complete or partial substitution for or replacement of the 1989 Credit Facility or any Alternate Credit Facility then in effect, unless the 1989 Trustee shall receive, not less than 25 days prior to the proposed effective date of the substitute Alternate Credit Facility, written evidence that, upon the substitution of such Alternate Credit Facility, the 1989 Compost Project Bonds will be rated in the same (or higher) rating category by the Rating Agencies as such bonds are rated immediately prior to such substitution; *provided that*, for purposes of the foregoing limitation, neither the

extension of the term of or the renewal of an existing 1989 Credit Facility or Alternate Credit Facility, nor the delivery to the 1989 Trustee of an Alternate Credit Facility in replacement of and issued by the issuer of an existing 1989 Credit Facility or Alternate Credit Facility within 60 days prior to the stated expiration date thereof, shall be deemed to be a substitution for or replacement of the 1989 Credit Facility or Alternate Credit Facility which is being extended, renewed or so replaced.

(c) Notice of Substitution of Alternate Credit Facility. Not less than 20 days prior to the effective date of an Alternate Credit Facility to be given pursuant to this Section 604, the 1989 Trustee shall give notice by mail to the Owners of all affected Outstanding 1989 Compost Project Bonds, which notice shall:

- (i) describe generally the 1989 Credit Facility or Alternate Credit Facility, if any, then in effect;
- (ii) describe generally the Alternate Credit Facility proposed to be given and the effective date of such Alternate Credit Facility;
- (iii) the rights of such Owners, if any, to have such 1989 Compost Project Bonds purchased on or before the effective date of such Alternate Credit Facility; and
- (iv) the ratings, if any, to be assigned to the 1989 Compost Project Bonds by the Rating Agencies upon the substitution of such Alternate Credit Facility.

ARTICLE VII

Section 701. Events of Default.

(a) Series A Bond Events of Default. The occurrence of any one or more of the following shall constitute a Series A Event of Default with respect to the Series A Bonds:

- (i) default in the due and punctual payment of the principal of, premium (if any) or interest on any Series A Bond when and as the same shall become due and payable, whether at maturity or by call for redemption, or otherwise;
- (ii) default by the Issuer in the performance or observance of any other of the covenants, agreements or conditions on its part contained in this 1989 Supplemental Ordinance and which relate to the Issuer's obligations with respect to the Series A Bonds, which default shall continue for a period of sixty (60) days after written notice thereof to the Issuer by the 1989 Trustee or to the Issuer and to the 1989 Trustee by the Owners of not less than fifty percent (50%) in principal amount of the Series A Bonds outstanding;
- (iii) default by the Borrower in the performance or observance of any other of the covenants, agreements or conditions on its part contained in the Loan Agreement and which relate to the Borrower's

(iv) an Act of Bankruptcy of the Borrower or the 1989 Credit Provider providing the 1989 Credit Facility with respect to the Series A Bonds;

(v) written notice shall have been received by the 1989 Trustee from the 1989 Credit Provider providing the 1989 Credit Facility with respect to the Series A Bonds that an Event of Default has occurred under and as defined in the 1989 Credit Agreement with respect to the Borrower's obligations relating to the Series A Bonds and directing the 1989 Trustee to effect a mandatory purchase of the Series A Bonds pursuant to Section 305(e) hereof; and

(vi) the failure or refusal of the 1989 Credit Provider to honor a proper demand for payment under the 1989 Credit Facility securing the Series A Bonds, or if the 1989 Credit Facility securing the Series A Bonds becomes invalid or unenforceable.

(b) Series B Bond Events of Default. The occurrence of any one or more of the following shall constitute a Series B Event of Default with respect to the Series B Bonds:

(i) default in the due and punctual payment of the principal of, premium (if any) or interest on any Series B Bond when and as the same shall become due and payable, whether at maturity or by call for redemption, or otherwise;

(ii) default by the Issuer in the performance or observance of any other of the covenants, agreements or conditions on its part contained in this 1989 Supplemental Ordinance and which relate to the Issuer's obligations with respect to the Series B Bonds, which default shall continue for a period of sixty (60) days after written notice thereof to the Issuer by the 1989 Trustee or to the Issuer and to the 1989 Trustee by the Owners of not less than fifty percent (50%) in principal amount of the Series B Bonds outstanding;

(iii) default by the Borrower in the performance or observance of any other of the covenants, agreements or conditions on its part contained in the Loan Agreement and which relate to the Borrower's obligations with respect to the Series B Bonds, and such default shall continue for a period of 30 days after written notice specifying such failure and requesting that it be remedied, given to the Borrower by the Issuer or the 1989 Trustee or by the Owners of not less than fifty percent (50%) in principal amount of the Series B Bonds Outstanding; *provided, however, that* if said default shall be such that it cannot be corrected within such period, it shall not constitute a Series B Event of Default if, in the opinion of the 1989 Trustee, it is correctable without material adverse effect on the 1989 Compost Project Bonds and if corrective action is instituted by the Borrower within such period and diligently pursued until the default is corrected;

(iv) an Act of Bankruptcy of the Borrower or the 1989 Credit Provider providing the 1989 Credit Facility with respect to the Series B Bonds;

(v) written notice shall have been received by the 1989 Trustee from the 1989 Credit Provider providing the 1989 Credit Facility with respect to the Series B Bonds that an Event of Default has occurred under and as defined in the 1989 Credit Agreement with respect to the Borrower's obligations relating to the

Series B Bonds and directing the 1989 Trustee to effect a mandatory purchase of the Series B Bonds pursuant to Section 305(e) hereof;

(vi) the failure or refusal of the 1989 Credit Provider to honor a proper demand for payment under the 1989 Credit Facility securing the Series B Bonds, or if the 1989 Credit Facility securing the Series B Bonds becomes invalid or unenforceable; and

(vii) the occurrence of a Series A Event of Default.

(c) Limitations on Actions and Remedies Following Series B Event of Default. The occurrence and continuation of a Series B Event of Default shall not constitute a Series A Event of Default hereunder nor shall the occurrence and continuation of a Series B Event of Default permit the 1989 Trustee, the 1989 Credit Provider or the Owners of the Series B Bonds to take any action that disturbs in any way the lien, or the priority of the lien, on the Series A Trust Estate granted as security for the Series A Bonds as set forth in Section 103 hereof. Upon the occurrence and continuation of a Series B Event of Default, the sole remedy of the 1989 Trustee, the 1989 Credit Provider and the Owners of the Series B Bonds shall be to enforce their rights with respect to the Series B Trust Estate. However, the occurrence of a Series A Event of Default shall constitute a Series B Event of Default and give rise to the right of the 1989 Trustee, the 1989 Credit Provider and the Owners of the 1989 Compost Project Bonds to exercise any and all remedies available hereunder as a result of such Event of Default.

(d) Acceleration.

(i) Series A Event of Default. So long as a Series A Event of Default shall be continuing, unless the principal of all the Series A Bonds shall have already become due and payable, the 1989 Trustee (by notice in writing to the Issuer) may, and upon the written request of the Owners of not less than fifty percent (50%) in principal amount of the Series A Bonds Outstanding (by notice in writing to the Issuer, the Borrower, the 1989 Credit Provider and the 1989 Trustee), shall declare the principal of all the Series A Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and be immediately due and payable, anything in this 1989 Supplemental Ordinance or in any of the Series A Bonds contained to the contrary notwithstanding. The right of the 1989 Trustee or of the Owners of not less than fifty percent (50%) in principal amount of Series A Bonds then Outstanding to make any such declaration as aforesaid, however, is subject to the condition that if, at any time after such declaration, but before the Series A Bonds shall have matured by their terms, all overdue installments of interest upon the Series A Bonds, together with interest on such overdue installments of interest to the extent permitted by law and the reasonable and proper charges, expenses and liabilities of the 1989 Trustee, and all other sums then payable by the Issuer or the Borrower under this 1989 Supplemental Ordinance (except the principal of, and interest accrued since the next preceding Interest Payment Date on, the Series A Bonds due and payable solely by virtue of such declaration) shall be paid for the account of the Issuer or provision satisfactory to the 1989 Trustee shall be made for such payment, and all defaults under the Series A Bonds or under this 1989 Supplemental Ordinance (other than the payment of principal and interest due and payable solely by reason of such declaration) shall be cured or be secured to the satisfaction of the 1989 Trustee or provision deemed by the 1989 Trustee to be adequate shall be made therefor, then and in every such case the 1989 Trustee, by written notice to the Issuer, the Borrower, the 1989 Credit Provider and the Owners of the Series A Bonds, or the Owners of fifty percent (50%) in principal amount of the Series A Bonds Outstanding, by written notice to the Issuer, the Borrower, the 1989 Credit Provider and to the 1989 Trustee, may rescind such declaration and annul such default in its entirety, but no such rescission or annulment shall extend to or affect any subsequent default or impair or exhaust any right or power consequent thereon.

(ii) Series B Event of Default. So long as a Series B Event of Default shall be continuing, unless the principal of all the Series B Bonds shall have already become due and payable, the 1989 Trustee (by notice in writing to the Issuer) may, and upon the written request of the Owners of not less than fifty percent (50%) in principal amount of the Series B Bonds Outstanding (by notice in writing to the Issuer, the Borrower, the 1989 Credit

Provider and the 1989 Trustee), shall declare the principal of all the Series B Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and be immediately due and payable, anything in this 1989 Supplemental Ordinance or in any of the Series B Bonds contained to the contrary notwithstanding. The right of the 1989 Trustee or of the Owners of not less than fifty percent (50%) in principal amount of Series B Bonds then Outstanding to make any such declaration as aforesaid, however, is subject to the condition that if, at any time after such declaration, but before the Series B Bonds shall have matured by their terms, all overdue installments of interest upon the Series B Bonds, together with interest on such overdue installments of interest to the extent permitted by law and the reasonable and proper charges, expenses and liabilities of the 1989 Trustee, and all other sums then payable by the Issuer or the Borrower under this 1989 Supplemental Ordinance (except the principal of, and interest accrued since the next preceding Interest Payment Date on, the Series B Bonds due and payable solely by virtue of such declaration) shall be paid for the account of the Issuer or provision satisfactory to the 1989 Trustee shall be made for such payment, and all defaults under the Series B Bonds or under this 1989 Supplemental Ordinance (other than the payment of principal and interest due and payable solely by reason of such declaration) shall be cured or be secured to the satisfaction of the 1989 Trustee or provision deemed by the 1989 Trustee to be adequate shall be made therefor, then and in every such case the 1989 Trustee, by written notice to the Issuer, the Borrower, the 1989 Credit Provider and the Owners of the Series B Bonds, or the Owners of fifty percent (50%) in principal amount of the Series B Bonds Outstanding, by written notice to the Issuer, the Borrower, the 1989 Credit Provider and to the 1989 Trustee, may rescind such declaration and annul such default in its entirety, but no such rescission or annulment shall extend to or affect any subsequent default or impair or exhaust any right or power consequent thereon.

(e) Transfer of Moneys to 1989 Debt Service Account Upon Occurrence of Series A Event of Default. Immediately upon the occurrence of a Series A Event of Default, all moneys and investments on deposit in any Account held by the 1989 Trustee hereunder (other than the Rebate Account) shall be transferred to the 1989 Debt Service Account for application as provided in Section 703 hereof; *provided that* if, following such transfer, the Series A Event of Default shall have been duly waived or cured in accordance with the terms hereof and all existing 1989 Credit Facilities have been reinstated or replaced with Alternate Credit Facilities, the remaining moneys and investments then on deposit in the 1989 Debt Service Account shall be transferred, *pro rata* (based on the amounts transferred from the various Accounts to the 1989 Debt Service Account), back to the various Accounts from which they were derived.

Section 702. Accounting and Examination of Records After Default and Assignment of Contracts. The Issuer covenants that if an Event of Default shall have happened and shall not have been remedied, the books of record and accounts of the Issuer and all other records relating to the 1989 Compost Project Bonds shall at all times be subject to the inspection and use of the 1989 Trustee and the 1989 Credit Provider and of their respective agents and attorneys.

Section 703. Application of Revenues and Other Moneys After Default.

(a) Series A Event of Default. During the continuance of a Series A Event of Default, the 1989 Trustee shall apply the Series A Trust Estate, including all moneys derived from the liquidation thereof received by the 1989 Trustee pursuant to any right given or action taken under the provisions of this Article, as follows and in the following order:

(i) Rebate Payments - to the payment of any amounts required to be rebated to the United States of America in accordance with the covenants in Section 406 hereof;

(ii) Expenses of the 1989 Trustee - to the payment of the reasonable and proper charges, expenses and liabilities of the 1989 Trustee incurred in connection with the Series A Bonds;

(iii) Payment of Series A Bonds - to the payment of the interest on and principal of the Series A Bonds then due and for payment of obligations related to the Series A Bonds under the 1989 Credit Agreement as follows:

(A) unless the principal of all of the Series A Bonds shall have become or have been declared due and payable and subject to the provisions of the Intercreditor Agreement:

First: To the payment to the persons entitled thereto of all installments of interest then due on the Series A Bonds in the order of the maturity of such installments, together with accrued and unpaid interest on the Series A Bonds theretofore called for redemption, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of the unpaid principal of any Series A Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all the Series A Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal due on such date, to the persons entitled thereto, without any discrimination or preference; and

Third: To the payment to the 1989 Credit Provider of the obligations of the Borrower under the 1989 Credit Agreement to the extent such obligations relate to the Series A Bonds, ratably according to the amounts due thereon, without any discrimination or preference; and

(B) if the principal of all of the Series A Bonds shall have become or have been declared due and payable, first to the payment of the principal and interest then due and unpaid upon the Series A Bonds and for payment of obligations relating to the Series A Bonds under any 1989 Credit Agreement, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Series A Bond or 1989 Credit Agreement over any other Series A Bond or 1989 Credit Agreement, ratably, according to the amounts due respectively or principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Series A Bonds or 1989 Credit Agreement;

Provided that, notwithstanding anything expressed or implied herein to the contrary, all moneys drawn by or paid to the 1989 Trustee under the 1989 Credit Facility following a Series A Event of Default shall only be used for the purpose of paying the principal of and interest on the 1989 Compost Project Bonds secured thereby.

(b) Series B Event of Default. During the continuance of a Series B Event of Default, the 1989 Trustee shall apply the Series B Trust Estate, including all moneys derived from the liquidation thereof received by the 1989 Trustee pursuant to any right given or action taken under the provisions of this Article, as follows and in the following order:

(i) unless the principal of all of the Series B Bonds shall have become or have been declared due and payable:

First: To the payment to the persons entitled thereto of all installments of interest then due on the Series B Bonds in the order of the maturity of such installments, together with accrued and unpaid interest on the Series B Bonds theretofore called for redemption, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of the unpaid principal of any Series B Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all the Series B Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal due on such date, to the persons entitled thereto, without any discrimination or preference; and

Third: To the payment to the 1989 Credit Provider of the obligations of the Borrower under the 1989 Credit Agreement to the extent such obligations relate to the Series B Bonds, ratably according to the amounts due thereon, without any discrimination or preference; and

(ii) if the principal of all of the Series B Bonds shall have become or have been declared due and payable, first to the payment of the principal and interest then due and unpaid upon the Series B Bonds and for payment of obligations relating to the Series B Bonds under any 1989 Credit Agreement, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Series B Bond or 1989 Credit Agreement over any other Series B Bond or 1989 Credit Agreement, ratably, according to the amounts due respectively or principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Series B Bonds or 1989 Credit Agreement;

Provided that, notwithstanding anything expressed or implied herein to the contrary, all moneys drawn by or paid to the 1989 Trustee under the 1989 Credit Facility following a Series B Event of Default shall only be used for the purpose of paying the principal of and interest on the 1989 Compost Project Bonds secured thereby.

Section 704. Appointment of Receiver Upon Series A Event of Default. Subject to the terms and provisions of the Intercreditor Agreement, upon the occurrence of a Series A Event of Default, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the 1989 Trustee and of the Owners of the Series A Bonds under this 1989 Supplemental Ordinance, the 1989 Trustee shall be entitled to make application for the appointment of a receiver or custodian of the 1989 Compost Project and of the Series A Trust Estate, with such power as the court making such appointment shall confer.

Section 705. Proceedings Brought by 1989 Trustee. Subject to the terms and provisions of the Intercreditor Agreement, if a Series A Event of Default shall happen and shall not have been remedied, then and in every such case, the 1989 Trustee, by its agents and attorneys, may proceed, and upon written request of the Owners of not less than twenty-five percent (25%) in principal amount of the Series A Bonds Outstanding shall proceed, to protect and enforce its rights and the rights of the Owners of the Series A Bonds or the issuer of any 1989 Credit Facility securing the Series A Bonds, under this 1989 Supplemental Ordinance forthwith by a suit or suits in equity or at law, whether for the specific performance of any covenant herein contained, or in aid of the execution of any power herein granted or any remedy granted under the Act or at law, or in the enforcement of and other legal or

equitable right as the 1989 Trustee, being advised by counsel, shall deem most effectual to enforce any of its rights or to perform any of its duties under this 1989 Supplemental Ordinance.

Subject to the terms and provisions of the Intercreditor Agreement, if a Series B Event of Default shall happen and shall not have been remedied, then and in every such case, the 1989 Trustee, by its agents and attorneys, may proceed, and upon written request of the Owners of not less than twenty-five percent (25%) in principal amount of the Series B Bonds Outstanding shall proceed, to protect and enforce its rights and the rights of the Owners of the Series B Bonds or the issuer of any Series C Credit Facility securing the Series B Bonds, under this 1989 Supplemental Ordinance forthwith by a suit or suits in equity or at law, whether for the specific performance of any covenant herein contained, or in aid of the execution of any power herein granted or any remedy granted under the Act or at law, or in the enforcement of and other legal or equitable right as the 1989 Trustee, being advised by counsel, shall deem most effectual to enforce any of its rights or to perform any of its duties under this 1989 Supplemental Ordinance; *provided that* no action taken by the 1989 Trustee as a result of a Series B Event of Default shall in any way disturb the lien, or the priority of the lien, on the Series A Trust Estate granted as security for the Series A Bonds hereunder or the application of the proceeds of the Series A Trust Estate as provided in Section 703 hereof.

All rights of action under this 1989 Supplemental Ordinance may be enforced by the 1989 Trustee without the possession of any of the 1989 Compost Project Bonds or the production thereof on the trial or other proceedings, and any such suit or proceedings instituted by the 1989 Trustee shall be brought in its name.

Subject to the terms and provisions of the Intercreditor Agreement, the Owners of not less than a majority in principal amount of the Series A Bonds at the time Outstanding may direct the time, method and place of conducting any proceeding for any remedy available to the 1989 Trustee as a result of a Series A Event of Default, or of exercising any trust or power conferred upon the 1989 Trustee following a Series A Event of Default, *provided that* the 1989 Trustee shall have the right to decline to follow any such direction if the 1989 Trustee shall not be provided adequate security and indemnity or shall be advised by counsel that the action or proceeding so directed may not lawfully be taken or shall be inconsistent with the provisions of this 1989 Supplemental Ordinance, or if the 1989 Trustee in good faith shall determine that the action or proceeding so directed would involve the 1989 Trustee in personal liability or be unjustly prejudicial to the Owners of the Series A-B Bonds not parties to such direction.

Subject to the terms and provisions of the Intercreditor Agreement, the Owners of not less than a majority in principal amount of the Series B Bonds at the time Outstanding may direct the time, method and place of conducting any proceeding for any remedy available to the 1989 Trustee as a result of a Series B Event of Default, or of exercising any trust or power conferred upon the 1989 Trustee following a Series B Event of Default, *provided that* the 1989 Trustee shall have the right to decline to follow any such direction if the 1989 Trustee shall not be provided adequate security and indemnity or shall be advised by counsel that the action or proceeding so directed may not lawfully be taken or shall be inconsistent with the provisions of this 1989 Supplemental Ordinance, or if the 1989 Trustee in good faith shall determine that the action or proceeding so directed would involve the 1989 Trustee in personal liability or be unjustly prejudicial to the Owners of the Series B Bonds not parties to such direction.

Subject to the terms and provisions of the Intercreditor Agreement, regardless of the happening of an Event of Default, the 1989 Trustee shall have power to, but unless requested in writing by the Owners of a majority in principal amount of the related 1989 Compost Project Bonds then Outstanding, and furnished with reasonable security and indemnity, shall be under no obligation, to institute and maintain such suits and proceedings as it may be advised shall be necessary or expedient to prevent any impairment of the security under this 1989 Supplemental Ordinance by any acts which may be unlawful or in violation of this 1989 Supplemental Ordinance, and such suits and proceedings as the 1989 Trustee may be advised shall be necessary or expedient to preserve or protect its interests and the interests of Owners of the related 1989 Compost Project Bonds.

Section 706. Restriction on Owner's Action. No Owner of any 1989 Compost Project Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of any provision of

this 1989 Supplemental Ordinance or the execution of any trust under this 1989 Supplemental Ordinance or for any remedy under this 1989 Supplemental Ordinance, unless such Owner shall have previously given to the 1989 Trustee written notice of the happening of an Event of Default, as provided in this Article, and the Owners of at least 25% in principal amount of the Series A Bonds then Outstanding (in the case of a Series A Event of Default) or the Owners of at least 25% in principal amount of the Series B Bonds then Outstanding (in the case of a Series B Event of Default) shall have filed a written request with the 1989 Trustee, and shall have offered it reasonable opportunity, either to exercise the powers granted in this 1989 Supplemental Ordinance or to institute such action, suit or proceeding in its own name, and unless such Owners shall have offered to the 1989 Trustee adequate security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the 1989 Trustee shall have refused to comply with such request for a period of sixty (60) days after receipt by it of such notice, request and offer of indemnity, it being understood and intended that no one or more Owners of 1989 Compost Project Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the pledge created by this 1989 Supplemental Ordinance, or to enforce any right under this 1989 Supplemental Ordinance, except in the manner therein provided, and that all proceedings at law or in equity to enforce any provision of this 1989 Supplemental Ordinance shall be instituted, had and maintained in the manner provided in this 1989 Supplemental Ordinance and for the equal benefit of the Owners of the Outstanding Series A Bonds (in the case of a Series A Event of Default) or the Owners of the Outstanding Series B Bonds (in the case of a Series B Event of Default), subject only to the provisions of Section 702. The foregoing limitation on Owners' action shall not apply to the 1989 Credit Provider during any period in which it is the Owner of all Outstanding 1989 Compost Project Bonds or after all Outstanding 1989 Compost Project Bonds have been paid in full out of moneys drawn under the 1989 Credit Facility.

Nothing in this 1989 Supplemental Ordinance or in the 1989 Compost Project Bonds shall affect or impair the obligation of the Issuer, which is absolute and unconditional, to pay at the respective dates of maturity and places therein expressed the principal of (and premium, if any) and interest on the 1989 Compost Project Bonds to the respective Owners thereof (but solely out of the Series A-B Trust Estate or the Series B Trust Estate, as applicable), or affect or impair the right of action, which is also absolute and unconditional, of any Owner to enforce such payment of her 1989 Compost Project Bond.

Section 707. Not Exclusive. No remedy by the terms of this 1989 Supplemental Ordinance conferred upon or reserved to the 1989 Trustee or the Owners is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this 1989 Supplemental Ordinance or existing at law, including under the Act, or in equity or by statute on or after the effective date of this 1989 Supplemental Ordinance.

Section 708. Effect of Waiver and Other Circumstances. No delay or omission of the 1989 Trustee or any Owner to exercise any right or power arising upon the happening of an Event of Default shall impair any right or power or shall be construed to be a waiver of any such Event of Default or be an acquiescence therein; and every power and remedy given by this Article to the 1989 Trustee or to the Owners may be exercised from time to time and as often as may be deemed expedient by the 1989 Trustee or by the Owners.

Prior to the acceleration of maturity of the Series A Bonds as provided in Section 701, the Owners of not less than a majority in principal amount of the Series A Bonds at the time outstanding, or their attorneys-in-fact duly authorized, may on behalf of the Owners of all Series A Bonds waive any past default with respect to the Series A Bonds under this 1989 Supplemental Ordinance and its consequences, except a default in the payment of interest on or principal of or premium (if any) on any of the Series A Bonds. No such waiver shall extend to any subsequent or other default with respect to the Series A Bonds or impair any right consequent thereon.

Prior to the declaration of maturity of the Series B Bonds as provided in Section 701, the Owners of not less than a majority in principal amount of the Series B Bonds at the time outstanding, or their attorneys-in-fact duly authorized, may on behalf of the Owners of all Series B Bonds waive any past default with respect to the Series B

Bonds under this 1989 Supplemental Ordinance and its consequences, except a default in the payment of interest on or principal of or premium (if any) on any of the Series B Bonds. No such waiver shall extend to any subsequent or other default with respect to the Series B Bonds or impair any right consequent thereon.

Section 709. Termination of Proceedings. In case any proceeding taken by the 1989 Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the 1989 Trustee or the Owners, the Issuer, the 1989 Trustee, the Borrower, the related 1989 Credit Provider and the Owners shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the 1989 Trustee, the related 1989 Credit Provider and the Owners shall continue as if no such proceeding had been taken.

Section 710. Notice of Default. The 1989 Trustee shall notify the 1989 Credit Provider of the happening of an Event of Default and the Bond Registrar shall promptly mail written notice of the occurrence of any Event of Default to each Owner of Series A Bonds (in the case of a Series A Event of Default) or to each Owner of Series B Bonds (in the case of a Series B Event of Default) then Outstanding at his address, if any, appearing upon the registry books of the Issuer.

Section 711. 1989 Credit Provider's Rights Upon Events of Default. Anything in this 1989 Supplemental Ordinance to the contrary notwithstanding, if any Series A Event of Default hereof has occurred and is continuing, the issuer of the 1989 Credit Facility securing the Series A Bonds shall have the right, in lieu of the Owners of the affected bonds secured by said 1989 Credit Facility, by an instrument in writing, executed and delivered to the 1989 Trustee, to direct the time, method and place of conducting all remedial proceedings available to the 1989 Trustee under this 1989 Supplemental Ordinance, or exercising any trust or power conferred on the 1989 Trustee by this 1989 Supplemental Ordinance, *provided that* the 1989 Trustee shall have the right to decline to follow any such direction if the 1989 Trustee shall not be provided adequate security and indemnity or shall be advised by counsel that the action or proceeding so directed may not lawfully be taken, or if the 1989 Trustee in good faith shall determine that the action or proceeding so directed would involve the 1989 Trustee in personal liability. Said direction shall be controlling to the extent the direction of the Owners of 1989 Compost Project Bonds secured by said 1989 Credit Facility would have been controlling under this Article. Notwithstanding the foregoing, no 1989 Credit Provider shall be entitled to exercise any rights under this Section 711 during any period when:

(i) the 1989 Credit Facility issued by such 1989 Credit Provider shall not be in full force and effect (other than by reason of the 1989 Credit Facility having expired due to all available amounts having been drawn and paid thereunder) or such 1989 Credit Provider shall have failed or refused for any reason to honor a proper demand for payment under such Credit Facility issued thereby;

(ii) such 1989 Credit Provider shall have filed a petition or otherwise sought relief under any federal or state bankruptcy or similar law; or

(iii) an order or decree shall have been entered, with the consent or acquiescence of such 1989 Credit Provider, appointing a receiver or receivers of the assets of such 1989 Credit Provider, or if such order or decree having been entered without the consent or acquiescence of such 1989 Credit Provider, shall not have been vacated or discharged or stayed within ninety (90) days after the entry thereof.

Anything in this 1989 Supplemental Ordinance to the contrary notwithstanding, if any Series B Event of Default hereof has occurred and is continuing, the issuer of the 1989 Credit Facility securing the Series B Bonds shall have the right, in lieu of the Owners of the affected bonds secured by said 1989 Credit Facility, by an instrument in writing, executed and delivered to the 1989 Trustee, to direct the time, method and place of conducting all remedial proceedings available to the 1989 Trustee under this 1989 Supplemental Ordinance, or exercising any trust or power conferred on the 1989 Trustee by this 1989 Supplemental Ordinance, *provided that* the 1989 Trustee shall have the right to decline to follow any such direction if the 1989 Trustee shall not be provided adequate security

and indemnity or shall be advised by counsel that the action or proceeding so directed may not lawfully be taken, or if the 1989 Trustee in good faith shall determine that the action or proceeding so directed would involve the 1989 Trustee in personal liability. Said direction shall be controlling to the extent the direction of the Owners of 1989 Compost Project Bonds secured by said 1989 Credit Facility would have been controlling under this Article. Notwithstanding the foregoing, no 1989 Credit Provider shall be entitled to exercise any rights under this Section 711 during any period when:

(i) the 1989 Credit Facility issued by such 1989 Credit Provider shall not be in full force and effect or such 1989 Credit Provider shall have failed or refused for any reason to honor a proper demand for payment under such 1989 Credit Facility issued thereby;

(ii) such 1989 Credit Provider shall have filed a petition or otherwise sought relief under any federal or state bankruptcy or similar law; or

(iii) an order or decree shall have been entered, with the consent or acquiescence of such 1989 Credit Provider, appointing a receiver or receivers of the assets of such 1989 Credit Provider, or if such order or decree having been entered without the consent or acquiescence of such 1989 Credit Provider, shall not have been vacated or discharged or stayed within ninety (90) days after the entry thereof.

Any modification or amendment of this 1989 Supplemental Ordinance and of the rights and obligations of the Issuer and of the Owners of the 1989 Compost Project Bonds, in any particular other than for the purposes set forth in Section 801 may be made by an ordinance duly enacted by the Issuer with the written consent given as provided in Section 903 of the Owners of at least a majority in principal amount of the affected 1989 Compost Project Bonds Outstanding at the time such consent is given and the related 1989 Credit Provider; *provided, however, that* if such modification or amendment will, by its terms, not take effect so long as any 1989 Compost Project Bonds of like maturity remain Outstanding the consent of the Owners of such 1989 Compost Project Bonds, and the 1989 Credit Provider relating to such 1989 Compost Project Bonds, shall not be required and such 1989 Compost Project Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding 1989 Compost Project Bonds under this Section 902.

No such modification or amendment shall permit a change in the terms of any terms of redemption, purchase or maturity of any Outstanding 1989 Compost Project Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Owner of such 1989 Compost Project Bond, or shall reduce the percentages or otherwise affect the classes of 1989 Compost Project Bonds the consent of the Owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto.

For the purposes of this Section 902, 1989 Compost Project Bonds of a particular maturity shall be deemed to be affected by a modification or amendment of this 1989 Supplemental Ordinance if the same adversely affects or diminishes the rights of the Owners of 1989 Compost Project Bonds of such maturity. The 1989 Trustee may in its discretion determine whether or not in accordance with the foregoing powers of amendment 1989 Compost Project Bonds of any particular maturity would be affected by any modification or amendment of this 1989 Supplemental Ordinance, and may rely upon the advice of Bond Counsel, and any such determination shall be binding and conclusive on the Issuer and all Owners of 1989 Compost Project Bonds.

Section 903. Consent of Owners. The Issuer may at any time enter into an ordinance amending, modifying or supplementing this 1989 Supplemental Ordinance as permitted by the provisions of Section 902 to take effect when and as provided in this Section 903. A copy of such ordinance amending, modifying or supplementing this 1989 Supplemental Ordinance (or brief summary thereof or reference thereto in form approved by the 1989 Trustee), together with a request to the affected Owners and each affected 1989 Credit Provider, for their consent thereto in form satisfactory to the 1989 Trustee, shall be mailed by the 1989 Trustee to such Owners and each affected 1989 Credit Provider. Such ordinance amending, modifying or supplementing this 1989 Supplemental Ordinance shall not be effective unless and until:

(i) there shall have been filed with the 1989 Trustee:

(a) the written consents of Owners of the percentages of affected Outstanding 1989 Compost Project Bonds specified in Section 902 and each affected 1989 Credit Provider; and

(b) an Opinion of Bond Counsel stating that such ordinance amending, modifying or supplementing this 1989 Supplemental Ordinance has been duly and lawfully enacted by the Issuer in accordance with the provisions of this 1989 Supplemental Ordinance, is authorized or permitted by this 1989 Supplemental Ordinance, and is valid and binding upon the Issuer and enforceable in accordance with its terms, subject to bankruptcy, insolvency and other laws affecting creditors' rights generally; and

(ii) a notice shall have been given as hereinafter in this Section 903 provided.

Each such consent shall be effective only if accompanied by proof of the ownership, at the date of such consent, of the 1989 Compost Project Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 1002. A certificate or certificates executed by the 1989 Trustee and filed with the Issuer stating that it has examined such proof and that such proof is sufficient shall be conclusive that the consents have been given by the Owners of the affected 1989 Compost Project Bonds and each affected 1989 Credit Provider described in such certificate or certificates of the 1989 Trustee. Any such consent shall be binding upon the Owner of the 1989 Compost Project Bonds and the 1989 Credit Provider giving such consent and, anything in Section 1002 to the contrary notwithstanding, upon any subsequent Owner of such 1989 Compost Project Bonds and of any 1989 Compost Project Bonds issued in exchange therefor (whether or not such subsequent Owner thereof has notice thereof) unless such consent is revoked in writing by the Owner of such 1989 Compost Project Bonds or the 1989 Credit Provider giving such consent or a subsequent Owner thereof by filing such revocation with the 1989 Trustee, prior to the time when the written statement of the 1989 Trustee hereinafter in this Section 903 provided for is filed. The fact that a consent has not been revoked may likewise be proved by a certificate of the 1989 Trustee filed with the Issuer to the effect that no revocation thereof is on file with the 1989 Trustee. At any time after the Owners of the required percentages of 1989 Compost Project Bonds and the 1989 Credit Provider shall have filed their consents to the 1989 Supplemental Ordinance or resolution, the 1989 Trustee shall make and file with the Issuer a written statement that the Owners of such required percentages of 1989 Compost Project Bonds and the 1989 Credit Provider have filed such consents. Such written statements shall be conclusive that such consents have been so filed.

At any time thereafter, notice stating in substance that the ordinance amending, modifying or supplementing this 1989 Supplemental Ordinance (a copy of which is on file with the 1989 Trustee) has been consented to by the Owners of the required percentages of 1989 Compost Project Bonds and the 1989 Credit Provider, and will be effective as provided in this Section 903, shall be given to Owners and the 1989 Credit Provider by the 1989 Trustee by mailing such notice to Owners and the 1989 Credit Provider not more than ninety (90) days after the Owners of the required percentages of 1989 Compost Project Bonds and the 1989 Credit Provider shall have filed their consents to the 1989 Supplemental Ordinance and the written statement of the 1989 Trustee hereinabove provided for is filed. A record, consisting of the certificates or statements required or permitted by this

Section 903 to be made by the 1989 Trustee shall be proof of the matters therein stated. Such ordinance making such amendment or modification shall be deemed conclusively binding upon the Issuer, the Fiduciaries, the Owners of all 1989 Compost Project Bonds and the 1989 Credit Provider upon the filing by the 1989 Trustee of the notice referred to in the preceding paragraph.

Section 904. Modifications by Unanimous Consent. The terms and provisions of this 1989 Supplemental Ordinance and the rights and obligations of the Issuer and of the Owners of the 1989 Compost Project Bonds may be modified or amended in any respect upon the enactment by the Issuer of an ordinance and the consent of each affected 1989 Credit Provider, and the Owners of all affected 1989 Compost Project Bonds then Outstanding, such consent to be given as provided in Section 903 except that no notice to Owners by mailing shall be required; *provided, however, that* no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without the filing with the 1989 Trustee of the written assent thereto of such Fiduciary in addition to the consent of the affected Owners and the affected 1989 Credit Provider.

Section 905. Exclusion of 1989 Compost Project Bonds. 1989 Compost Project Bonds owned or held by or for the account of the Issuer or the Borrower shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding 1989 Compost Project Bonds provided for in this Article IX, and the Issuer or the Borrower shall not be entitled with respect to such 1989 Compost Project Bonds to give any consent or take any other action provided for in this Article. As long as a 1989 Credit Facility securing all or a portion of the 1989 Compost Project Bonds Outstanding is in effect, the issuer of such 1989 Credit Facility shall be deemed to be the Owner of the 1989 Compost Project Bonds secured thereby:

(i) at all times for the purpose of the enactment of an ordinance amending, modifying or supplementing this 1989 Supplemental Ordinance or of any amendment, change or modification of this 1989 Supplemental Ordinance or the initiation by Owners of any action to be undertaken by the 1989 Trustee at the Owner's request, which under this 1989 Supplemental Ordinance requires the written approval or consent of or can be initiated by the Owners of at least a majority in principal amount of the affected 1989 Compost Project Bonds at the time Outstanding;

(iii) in case any of said 1989 Compost Project Bonds are to be redeemed on any date prior to their maturity, the Issuer shall have given to the 1989 Trustee irrevocable instructions accepted in writing by the 1989 Trustee to mail as provided herein notice of redemption of such 1989 Compost Project Bonds.

For the purposes of this Section 1001, the term "Government Obligations" shall mean and include only direct and general obligations of the United States of America which shall not be subject to redemption prior to their maturity other than at the option of the owner thereof.

As to the Variable Rate 1989 Compost Project Bonds discharged and satisfied under the foregoing provisions, the amount required for the interest thereon shall be calculated at the Maximum Rate permitted by the terms of the provisions which authorized the issuance of such Variable Rate 1989 Compost Project Bonds; *provided, however, that* if on any date, as a result of such Variable Rate 1989 Compost Project Bonds having borne interest at less than such Maximum Rate for any period, the total amount of moneys and Government Obligations on deposit for the payment of interest on such Variable Rate 1989 Compost Project Bonds is in excess of the total amount which would have been required to be deposited on such date in respect of such Variable Rate 1989 Compost Project Bonds in order to fully discharge and satisfy such 1989 Compost Project Bonds, the Issuer may use the amount of

such excess free and clear of any trust, lien, security interest, pledge or assignment securing said Variable Rate 1989 Compost Project Bonds or otherwise existing under this 1989 Supplemental Ordinance.

Section 1002. Evidence of Signatures of Owners and Ownership of 1989 Compost Project Bonds. Any request, consent, revocation of consent or other instrument which this 1989 Supplemental Ordinance may require or permit to be signed and executed by the Owners may be in one or more instruments of similar tenor, and shall be signed or executed by such Owners in person or by their attorneys appointed in writing.

Section 1005. Parties Interested Herein. Nothing in this 1989 Supplemental Ordinance expressed or implied is intended or shall be construed to confer upon, or to give to, any person or corporation, other than the Issuer, the 1989 Trustee, the 1989 Credit Provider, the Borrower, and the Owners of the 1989 Compost Project Bonds, any right, remedy or claim under or by reason of this 1989 Supplemental Ordinance or any covenant, condition or stipulation thereof; and all the covenants, stipulations, promises and agreements in this 1989 Supplemental Ordinance contained by and on behalf of the Issuer shall be for the sole and exclusive benefit of the Issuer, the 1989 Trustee, the 1989 Credit Provider, the Borrower, and the Owners of the 1989 Compost Project Bonds.

This Bond and the rights of the Owner are in all respects subject to and governed by the Ordinance, and the Owner, by acceptance of this Bond, assents to and agrees to be bound by all terms and provisions set forth in the Ordinance.

The Series A Bonds are being issued together with the Series B Bonds to provide funds which together with other available funds will be used to: (1) make the Loan to Riedel Oregon Compost Company, Inc. (the "Borrower") pursuant to a Loan Agreement dated as of November 1, 1989 (the "Loan Agreement") between the Issuer and the Borrower, the proceeds of which Loan will be used to pay a portion of the costs of the 1989 Compost Project; (2) make a deposit to the 1989 Reserve Account established under the 1989 Supplemental Ordinance in an amount equal to the 1989 Reserve Requirement; and (3) pay certain Costs of Issuance incurred in connection with the issuance and sale of the Series A Bonds and Series B Bonds. The Series A Bonds are secured by a pledge of the Series A Trust Estate, which initially includes the 1989 Credit Facility initially consisting of an irrevocable letter of credit issued by Credit Suisse, acting through its New York Branch in favor of the 1989 Trustee for the account of the Borrower pursuant to the 1989 Credit Agreement. For a more detailed collateral pledged as security for the Series A Bonds and the terms of such pledge, reference should be made to the Ordinance. The Series A Bonds are not in any manner or to any extent a general obligation of the Issuer nor a charge upon any revenues or property of the Issuer not specifically pledged thereto. The Owners of the Series A Bonds cannot compel the Issuer to levy any taxes for the purpose of paying any amounts owing under the Series A Bonds. The Series A Bonds are payable solely and only out of the Series A Trust Estate pledged thereto.

The Series A Bonds are subject to mandatory tender for purchase and optional and mandatory redemption prior to maturity only as provided in the Ordinance.

The Series A Bonds are issuable as fully registered Bonds without coupons as provided for in the Ordinance. This Bond is transferable by the Owner as provided for in the Ordinance.

No recourse shall be had for the payment of the principal of, or premium, if any, or interest on, any of the Series A Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in the Ordinance against any past, present or future commissioner, officer, employee or agent of the Issuer, or any successor, under any rule of law of equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such member, officer, employee or agent as such is hereby expressly waived and released as a condition of, and in consideration for, the issuance of this Bond.

The Owner shall have no right to enforce the provisions of the Ordinance or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Ordinance, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Ordinance. If an Event of Default (as defined in the Ordinance) occurs, the principal of all Series A Bonds then outstanding under the Ordinance may be declared due and payable upon the conditions and in the manner and with the effect provided in the Ordinance.

The Issuer, the 1989 Trustee and any paying agent of the Issuer or the 1989 Trustee may treat the person in whose name this Bond is registered as the Owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this Bond be overdue, and neither the Issuer, the 1989 Trustee nor any paying agent shall be affected by notice to the contrary.

The Ordinance prescribes the manner in which it may be discharged, including a provision that the Series A Bonds shall be deemed to be paid if cash and/or Government Obligations (as defined in the Ordinance) maturing as to principal and interest in such amounts and at such times as will be such to insure the availability of sufficient moneys to pay the principal of, and premium, if any, and interest on, the Series A Bonds and all necessary and proper fees, compensation and expenses of the 1989 Trustee and any paying agent shall have been deposited with the 1989 Trustee, after which the Series A Bonds shall no longer be secured by or entitled to the benefits of the Ordinance, except for the purposes of registration and exchange of Series A Bonds and of payment from such source.

Reference is hereby made to the Ordinance, copies of which are on file with the 1989 Trustee, for the provisions, among others, with respect to the nature and extent of the rights, duties and obligations of the Issuer, the 1989 Trustee and the Owners of the Series A Bonds, the terms upon which the Series A Bonds are issued and secured, the collection and disposition of the Series A Loan Repayments pledged as security for the Series A Bonds, the modification, amendment or supplementation of the Ordinance, and other matters, to all of which the Owner assents by the acceptance of this Bond.

The Series B Bonds are being issued together with the Series A Bonds to provide funds which together with other available funds will be used to: (1) make the Loan to Riedel Oregon Compost Company, Inc. The Series B Bonds are secured by a pledge of the Series B Trust Estate, which initially includes the 1989 Credit Facility initially consisting of an irrevocable letter of credit issued by Credit Suisse, acting through its New York Branch in favor of the 1989 Trustee for the account of the Borrower pursuant to the 1989 Credit Agreement. For a more detailed collateral pledged as security for the Series B Bonds and the terms of such pledge, reference should be made to the Ordinance. The Series B Bonds are not in any manner or to any extent a general obligation of the Issuer nor a charge upon any revenues or property of the Issuer not specifically pledged thereto. The Owners of the Series B Bonds cannot compel the Issuer to levy any taxes for the purpose of paying any amounts owing under the Series B Bonds. The Series B Bonds are payable solely and only out of the Series B Trust Estate pledged thereto.

The Series B Bonds are subject to mandatory tender for purchase and optional and mandatory redemption prior to maturity only as provided in the Ordinance.

The Series B Bonds are issuable as fully registered Bonds without coupons as provided for in the Ordinance. This Bond is transferable by the Owner as provided for in the Ordinance.

No recourse shall be had for the payment of the principal of, or premium, if any, or interest on, any of the Series B Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in the Ordinance against any past, present or future commissioner, officer, employee or agent of the Issuer, or any successor, under any rule of law of equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such member, officer, employee or agent as such is hereby expressly waived and released as a condition of, and in consideration for, the issuance of this Bond.

The Owner shall have no right to enforce the provisions of the Ordinance or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Ordinance, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Ordinance. If an Event of Default (as defined in the Ordinance) occurs, the principal of all Series B Bonds then outstanding under the Ordinance may be declared due and payable upon the conditions and in the manner and with the effect provided in the Ordinance.

The Issuer, the 1989 Trustee and any paying agent of the Issuer or the 1989 Trustee may treat the person in whose name this Bond is registered as the Owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this Bond be overdue, and neither the Issuer, the 1989 Trustee nor any paying agent shall be affected by notice to the contrary.

The Ordinance prescribes the manner in which it may be discharged, including a provision that the Series B Bonds shall be deemed to be paid if cash and/or Government Obligations (as defined in the Ordinance) maturing as to principal and interest in such amounts and at such times as will be such to insure the availability of sufficient moneys to pay the principal of, and premium, if any, and interest on, the Series B Bonds and all necessary and proper fees, compensation and expenses of the 1989 Trustee and any paying agent shall have been deposited with the 1989 Trustee, after which the Series B Bonds shall no longer be secured by or entitled to the benefits of the Ordinance, except for the purposes of registration and exchange of Series B Bonds and of payment from such source.

FINANCE COMMITTEE REPORT

Agenda Item No. 6.2

Meeting Date: November 21, 1989

ORDINANCE NO. 89-320, ESTABLISHING A PLAN AND AUTHORIZING THE
ISSUANCE OF 1989 COMPOST PROJECT BONDS

Date: November 20, 1989

Presented by: Councilor Gardner

COMMITTEE RECOMMENDATION: At its November 16, 1989 meeting, the Committee voted unanimously to recommend adoption of Ordinance No. 89-320 as amended. Voting yes were Councilors Collier, Devlin, Gardner, Wyers and Van Bergen.

COMMITTEE DISCUSSION/ISSUES: Messrs. Phelps and Einowski presented the staff report on the Ordinance. They indicated that the Ordinance is referred to as a "Supplemental Ordinance" which authorizes the issuance of \$29,932,597 of Project Revenue Bonds for the purpose of financing capital needs for the Compost Project. Of this amount, \$26,680,000 is in Series A Bonds which are an obligation of Metro as long as the Service Agreement with Riedel is in operation. There are \$1,215,000 in Series B bonds, which are the obligation of Riedel no matter what and the remaining \$2,047,597 is money borrowed to pay the first two years of debt service. Mr. Einowski pointed out that the current structure of the bond sale could change depending whether or not the letter of credit provider guarantees the B series bonds in addition to the A series bonds. He indicated he would know this by the Council meeting. Depending on the answer, he may propose amendments to the Ordinance at the Council meeting.
