### **BRIEF DESCRIPTION OF RESOLUTION**

This resolution will appoint Jim Stahly, Dale MacHaffie and Scott Rosenlund to three expiring terms on the Metro Central Enhancement Committee. The terms are for two years.

### **EXISTING LAW**

The Metro Council adopted Ordinance No. 91-437 for the purpose of amending Chapter 5.06 of the Metro Code to provide for a Metro Central Station Community Enhancement Program and creating a Metro Central Station Community Enhancement Committee. The Metro Council on February 27, 1992, adopted Resolution No. 92-1560 for the purpose of appointing members to the Metro Central Station Community Enhancement Committee. The seven-member committee must be comprised of the Metro Councilor from District #5, Councilor Rex Burkholder, and one member from each of the following: Forest Park Neighborhood Association, Friends of Cathedral Park Neighborhood Association, Linnton Neighborhood Association, Northwest District Association, Northwest Industrial Neighborhood Association, and one member representing the environmental organizations that have, or will have, an interest in the enhancement area.

### **BACKGROUND**

The two-year terms of service of the following individuals expired in November 12, 2000: Art Wagner, Linnton Neighborhood Association; Pamela Ake, Northwest Industrial Neighborhood Association; and Barbara Walker, representing the environmental community. The Executive Officer solicited nominations from each of these neighborhood associations and the environmental organizations that have an interest in the enhancement area. Two nominations were received from Linnton Neighborhood Association, one nomination was received from Northwest Industrial Neighborhood Association, and three nominations from the environmental organizations. All six nominations met the criteria set forth in Ordinance No. 91-437, and they were all excellent candidates. The Executive Officer has reviewed the nominations and to achieve balance on the committee recommends the appointment of the following individuals:

- Dale MacHaffie, Northwest Industrial Neighborhood Association
- Scott Rosenlund, Environmental representative

**BUDGET IMPACT**
