Agenda

MEETING: METRO COUNCIL PUBLIC HEARING
DATE: June 16, 1998
DAY: Tuesday
TIME: 6:00 PM
PLACE: Brentwood Darlington Community Center
7211 SE 62nd Avenue Portland Oregon

Approx.
Time*

6:00 PM

CALL TO ORDER AND ROLL CALL

(5 min.)

1. INTRODUCTIONS

6:05

**2. PUBLIC HEARING REGARDING APPOINTMENT FOR A
VACANCY IN METRO COUNCIL DISTRICT #6.**

ADJOURN

PUBLIC HEARINGS: Public Hearings are held on all Ordinances second read and on Resolutions upon request of the public. All times listed on the agenda are approximate; items may not be considered in the exact order. For questions about the agenda, call Clerk of the Council, Chris Billington, 797-1542. For assistance per the American Disabilities Act (ADA), dial TDD 797-1804 or 797-1540 (Council Office).

District 6 Vacancy

Qualifications

- Must have been a resident of the district for at least the last year
- Must be a registered voter in the district
- Must not be an elected official to any other body other than a school board. If you are, you must resign that position prior to appointment to the Metro Council.

Process

- Public hearing tonight
- Applications due to the Council no later than 5:00 p.m. on Wednesday, June 24
- Council will conduct interviews of some or all candidates
- Councilors will vote on July 2 during the regularly scheduled meeting
- Interim Councilor will serve until the November general election results are certified. If someone other than the interim Councilor wins that election, that person will be sworn in during November (as opposed to January).

Candidates

- Rod Monroe
- Dwight Owens
- Scott Pratt
- Jacqueline Dingfelder (has not yet sent in application, but she plans to do so by June 24)

600 NE Grand Avenue
Portland, OR 97232-2736
(503) 797-1700

METRO

Application for Appointment as Councilor for District No. 6

Name: W. Rod Monroe Date: June 11, 1998

Address: 7802 S.E. 111th Avenue, Portland, OR 97266 Phone 760-4310

1. Are you a registered voter? yes

2. How long have you resided in Council District No. 6? 8 years and 8 months

3. List Experience, skills or qualifications which you feel would qualify you for the position:

Elected Offices: David Douglas School Board (1991, 1992, 1997), Metro Council (1992, 1994),
State Senator (1980, 1984), State Representative (1976, 1978), Precinct Committee Person
1974 - Present, High School and College Teacher of History and Government 1965 - 1997,
Current Boards and Commissions: M.P.A.C., Governor's Advisory Commission on DUII,
Multnomah County Advisory Committee on DUII, F.I.S.H., Warner Pacific College Board of
Trustees (Vice Chair), WPC Foundation Board, WPC Board of Regents, Lynchwood Church
Board of Deacons, Social Concerns Commission of the Oregon and SW Washington Church. (Contin
on attached page)

4. In the space provided, state your reasons and purposes for applying for the position:

I believe in the experiment in elected regional government embodied in Metro. I
want to see it succeed. If Metro succeeds then this urban region will succeed. But,
if Metro fails, this region will suffer. For Metro to succeed, it must function
primarily as a catalyst for communication and consensus among the cities, counties
and special districts that make up this urban region. I believe that my skills and
background uniquely qualify me to serve once again on the Metro Council.

3. (Continued)

My skills are in finance and budgeting, communications, consensus building, transportation planning and land use and urban planning.

**Application for Appointment
 as Councilor for District No. 6**

Name: Dwight (DW) Owens Date: 6-3-98

Address: 8834 SE Reedway PHU OR 97266-4751

1. Are you a registered voter? Yes

2. How long have you resided in Council District No. 6? 17 years

3. List Experience, skills or qualifications which you feel would qualify you for the position:

I have been a community activist for over 15 years
involved in neighborhood, business and professional associations.
I have served on the board and executive committees of Southeast
Uplift and The Alliance of Portland Neighborhood Bus Associations. I
was on the executive committee of the Outer SE Business Coalition and
worked diligently on the OSE Community Plan, The Lewis Neighborhood Plan,
Lewis Revitalization Plan and am currently working on the Lewis 2000 Plan
and Project. I also served on the City of PHU Commercial Recycling Advisory Comm.

4. In the space provided, state your reasons and purposes for applying for the position:

I have the heart of OSE in mind when working on growth
and planning issues. I feel that with my background and understanding
of Metro 2040 and other regional projects such as light rail, I would
be a strong advocate for the citizens of District 6 to the
Metro Council. On a personal note, it would be nice to
be in a paid position as an advocate for livability in District 6
and the entire region.

Application for Appointment

Item No. 3

- An attorney for almost 17 years, 15 years in private practice. My practice has focussed on contractual and organizational law, specifically property and business law for small to medium size transactions. I have practiced both litigation and transactional law and have substantial experience in negotiating resolutions of disputes. I have represented garbage haulers, homebuilders, contractors in varying speculates, real estate agents and people who have had conflicts with these business people. I have represented people in land use proceedings before hearing officers, Planning Commissions, City Councils, County Commissions, LUBA and the Oregon Court of Appeals.
- 15 years service on the Board of the Oregon League of Conservation Voters. I was chair of the OLCV from 1987 through 1993. During that time, the revenues of the OLCV grew from about \$12,000 per year to over \$250,000 per year. The OLCV's primary mission is to involve people in the political process by notifying them of the votes their elected officials make on environmental issues.
- Eight years involved in the Laurelhurst Neighborhood Association. I first served on the Bylaws Committee. I was president for two years and Chair of the LNA Planning Committee for two years. At the beginning of my first term as president, the LNA conducted a survey of residents' opinions about growth. The survey was delivered to all 1800 neighborhood homes and we received over 230 responses. We relayed the results of that survey to the City of Portland and, through our newsletter, we informed neighborhood residents of the land use matters being considered by Portland. We organized residents to give written and oral testimony. We also made a concerted effort to meet with and join with other neighborhood associations regarding issues of common concern. During my tenure, the LNA also repaired several of the arches on the boundaries of Laurelhurst, provided funding for a symphony in Laurelhurst Park and started an annual neighborhood cleanup.
- Helped found the Nathan McMurry Thomas Fund and served on the Board for three years. The NMTF organized a Community Unity Concert. We organized volunteers and solicited donations of money and material to build a children's' soccer field and to repair and renovate basketball courts in the inner city. Soccer and basketball were Nathan's two favorite sports. We started a children's soccer tournament. We improved the courtyard at Fernwood Middle School, Nathan's school. The NMTF continues planning, funding and finding donations for community improvement projects.
- I have been interested in growth management issues for many years and have followed those issues in great detail. I have also been interested in regional governments and have followed Metro because it

is the most established and advanced of the regional governments. I therefore already know a great deal about the issues addressed by Metro and I can begin service as a Councilor with the background necessary to shorten the learning process.

- Item No. 4

I am seeking appointment to Metro Region 6 Councilor because I think the most critical issue facing Metro right now is citizen involvement in growth management decisions. In 2000, Metro is likely to face a statewide ballot measure that would abolish Metro. We need to build support for Metro to defeat such a ballot measure. We can build that support by going out into our communities and listening to the concerns of our citizens. We need to involve citizens early, before decisions are made. If citizen involvement consists of telling citizens about decisions that have already been made, we will only alienate them and risk having them vote to abolish Metro.

As described in Item No. 3 above, I have the qualifications to help improve citizen involvement in Metro and in growth management decisions. During most of my adult life, I have volunteered an average of five to ten hours per week encouraging and helping citizens to become involved in the actions taken and decisions made by their elected and appointed officials. I have credibility with many people and I know how to help them become involved.

I believe that Metro is generally pursuing the right policies about growth and growth management in the Portland area. Since Metro is pursuing policies that are largely untested, it must constantly monitor the effects of these policies to see if the assumptions behind the Regional Framework Plan are correct.

Metro must be prepared to adjust if it finds that we are not growing as fast as currently projected, or if we are growing faster. Metro has to determine if the current UGB area can absorb the additional jobs and housing that are projected and be prepared to change if it finds that the negative effects of increased density are greater than anticipated. We have to be willing to slow the rate of UGB expansion if we determine that we do not need to add as much land to absorb the actual growth. Metro cannot stop the growth management planning process with adoption of the Regional Framework Plan. The effects of that plan must be examined and citizens must be continually involved in updating the Regional Framework Plan. This will help build and maintain support for Metro and allow Metro to continue the important work it has started.

I want to help Metro survive the upcoming years. I have the necessary experience and qualifications for these challenges. I can bring people into the process of making growth management decisions and by doing so, build support for Metro.

Re: Appoint Scott Pratt to fill Lisa Naito's Vacancy

Ladies and Gentlemen:

I have known Scott Pratt for a few years, having worked with him on a fairly difficult case we had together a few years ago and consider him a friend as well as a colleague.

I can think of no person better qualified for appointment to fill the council vacancy left by Lisa Naito. Mr. Pratt is level headed, professional, smart, courteous and thorough. I think Mr. Pratt would be a councilor inclined away from making emotional or political decisions in favor of reasoned, sensible decisions based on what best serves the goals of Metro.

As a person who lives and works in the center of Portland, I feel confident the Metro area would have the best chance to continue to prosper and maintain a high quality of life with Scott Pratt a member of the Metro Council.

Very truly yours,

Simon J. Harding

Re: Appointment of an interim councilor to replace Lisa Naito

Dear Councilors:

Please consider **Scott Pratt** for this important interim appointment. I have known Scott for eight years during which we have spent many hours discussing politics, literature, sports and many other subjects. The key attributes these conversations have demonstrated to me are his intelligence and thoughtfulness. Many times, my own initial take on an issue has been reformed as a result of Scott's quiet, gentle analysis. He accomplishes persuasion without argument or rancor. These are the qualities which may be more important than any specific position on an issue in these days of polarization on so many issues.

Thank you for considering him.

Very Truly Yours,

Gerald H. Itkin

RE: Appointment filling Lisa Naito's seat

Dear Councilors:

This letter is being written to request your strong consideration for the appointment of Mr. Scott Pratt. Scott has been a long term member of our community and very active in volunteering his personal time regarding the issues that effect all of us in the metro area. His legal background and solid knowledge of the issues facing the growth of our area make him simply the right person for this appointment.

My personal representation of a firm that has done business in Portland for over 90 years, Mt. Hood Chemical, and growing up in Portland myself, I have a vested interest in this community and we would all be very well served by your consideration in appointing Scott Pratt for this vacant Metro seat.

Sincerely yours:

Perry Kenin
Vice President
Mt. Hood Chemical

June 12, 1998

Dear Metro Councilors:

I am writing to recommend Scott Pratt for the position of Metro Councilor.

I have known Scott for many years and found him to be honest and ethical. I worked with him primarily in his capacity as Chair of the Oregon League of Conservation Voters. I felt that he worked well with others, understood complex issues, showed leadership, and was clearly committed to working

to make positive changes in the
community.

I respectfully urge you to
consider appointing Scott Pratt
to the current vacancy on the
Council.

Sincerely,

Carl Lieberman

Re: Scott Pratt

Dear Gentlepeople:

I can recommend Scott Pratt for a position on the Metro Council.

I have known him since we entered Willamette Law School together in August, 1978. Scott has always impressed me as very bright and a quick analytical read to any problem posed. He was always of good humor and could persuasively advance his causes without taking things personally.

Since graduation, I've sought his advice on some legal matters and have found him to be very knowledgeable. Additionally, he appears politically involved and very hard working in those regards.

I think he would become a well liked and extremely effective member of the Metro Council.

Very truly yours,

William J. Hedges

Re: Pending Vacancy of Region 6 Seat

Dear Councilors:

I write this letter to urge you to appoint Mr. Scott Pratt to the Region 6 seat that will soon be vacated by Lisa Naito. I have known Mr. Pratt for over 15 years and find him to be a man of unquestioned integrity, intelligence and practicality. Mr. Pratt's experience as a practicing lawyer, serving his clients' interests in both transactional and litigation matters, and his political experience gained while providing leadership to the Oregon League of Conservation Voters, provide a firm foundation for him to make a significant contribution to the community and region through service on your governing body. Specifically, I believe his experience and interest in land use issues can be valuable assets to the citizens of this region in the years to come.

Yours very truly,

Michael P. Ryan

Re: Scott O. Pratt

To whom it may concern:

It has come to my attention that the Metro Councilors are considering Scott Pratt for a Metro Councilor appointment to fill the vacancy created by Lisa Naito's move to Multnomah county.

I highly recommend Scott for this position. I have know Scott personally and professionally for over 14 years. I have trusted him with my personal and when appropriate, corporate legal affairs. He guidance and wisdom have helped me through many tough situations.

Scott has contributed to our community in many ways. He has worked for his neighborhood association, the Nathan McMurry Thomas fund, The Oregon League of Conservation Voters and many other organizations.

To me it seems like a very natural progression for Scott to move into a seat of government. We need the very best people in government. Once again, I highly recommend Scot Pratt for this position.

Sincerely,

Bill Dickey

Re: The Metro Vacancy

Dear Councilors:

I am writing today to recommend Scott O. Pratt for the Metro seat that is soon to be open. I support Mr. Pratt for a number of important reasons.

- 1) I trust him. As a personal secretary and legal assistant in his law office, I see first hand what an honorable, hard working, concerned and credible person he is.
- 2) He cares. He is sincere and passionate about the causes he believes in, one of those causes being the City of Portland, and surrounding areas. He takes the time as citizen to explain to people and help them understand why he feels issues are important.
- 3) He is qualified. Scott Pratt is a very intelligent human being. He uses his wisdom to help others, not only as counsel to them as an attorney, but also as friend, a father, and a proud resident of Oregon.

There are more reasons why I would recommend Scott O. Pratt for Metro, but the main reason is because I believe he would do his best to fulfill his obligations as a Metro Councilor.

Sincerely yours,

Corriedawn Greiling

Re: Metro Council Vacancy

Dear Council:

I am writing to recommend that you appoint Scott Pratt to fill Lisa Naito's vacancy. I have known Scott for quite some time and have been impressed with his volunteer activity and his neighborhood activism. Scott is politically involved and is known for his public interest both in his activism and in his legal work. He would make a strong addition to the Metro Council and I would urge you to appoint him to the vacant seat.

Very truly yours,

Peter W. Preston

Re: Region 6 Metro Councilor

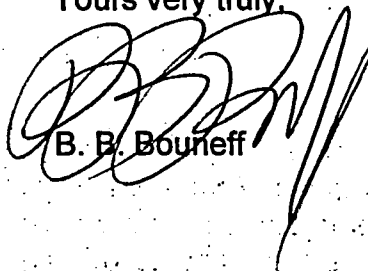

Ladies and Gentlemen:

I understand a meeting of the Metro Council is presently scheduled for July 2, at which time the Council will be appointing a person to fill the vacancy in Region 6 created by Ms. Naito's election to the Multnomah County Commissioner's office.

Mr. Scott Pratt is one of the applicants for this seat and will be running for the seat in the November election. As a member of the electorate in Region 6, I would urge the Council to select Mr. Pratt to fill the vacancy until the election in November. I have been involved with Mr. Pratt as an attorney. In fact, he represented the opposing party. I was impressed with his intelligence, his ability to grasp the problem and seek solutions that assisted in diffusing various volatile situations and to attempt to work through problems rather than allowing them to become disastrous and expensive situations for all concerned.

Based upon my contact with him and as an elector in Region 6, I would urge the Metro Council to appoint Mr. Pratt to fill the vacancy in Region 6.

Yours very truly,

B. B. Bouneff

Re: Metro Council Region 6 vacancy

Dear Chair Kvistadt and Members of the Metro Council:

With great pleasure I endorse Scott Pratt to fill the Metro Council Region 6 vacancy. Scott is an active supporter of neighborhood livability and will be a fine successor to Councilor Naito. He will bring to the Council a strong environmental perspective and the credibility earned through years of diverse volunteer work.

Please appoint him to fill the vacancy.

Sincerely,

Anthony Boutard

Dear Metro Council:

My wife Judy and I have known Mr. Scott Pratt since 1986. Because of his community involvement and activism we look to his expertise in these areas for guidance in making our own decisions at election time. We value his council.

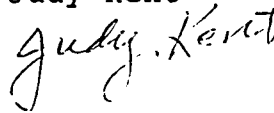

With that said we support Mr. Pratt for Metro Council seat being vacated by Lisa Naito.

Sincerely,

Ray Kent

Subject: Appointment To Metro Council

Presiding Officer Kvistad and Councilors,

I am writing as a private citizen and strong supporter of Metro and the 2040 planning process in support of Jacqueline Dingfelder's candidacy for appointment to fill Councilor Naito's seat during the interim period prior to the election. Jacqueline has discussed her intention to run for that seat and I will be supporting her in that effort. Given the extensive work on natural resource planning (watershed planning, stormwater management, Goal 5 inventories and program development, implementation of the Greenspaces Master Plan, implementation of Title 3) I can think of no candidate, certainly no one currently in the running, who would bring more expertise and experience to the Council in the natural resource arena.

It is critical that Metro Council have the type of credentials that Jacqueline would bring to the Council and to the 2040 implementation process.

Sincerely,

Portland, OR 97266

Dear Mr. Kvistad,

I would like to recommend Jacqueline Dingfelder to fill the District 6 council seat. I've known Jacqueline for many years and believe she has the skills, especially communication and listening skills, to be an effective councilor.

She would be a great addition to the Metro Council.

Sincerely,

Jay W. Graves

Jon Kvistad, Metro Council Presiding Officer and Fellow Metro Councilors
Metro Council
600 NE Grand Avenue
Portland, OR 97266

Dear Councilor Kvistad:

**RE: APPOINTMENT OF JACQUELINE DINGFELDER TO METRO COUNCIL DISTRICT 6
POSITION**

I have known Jacqueline Dingfelder since she came to Oregon several years ago both professionally (as a fellow planner at CH2M HILL) and through her community involvement.

Jacqueline Dingfelder's involvement in planning issues at CH2M HILL, and, later, with land use and water quality issues as staff director of the Tualatin River Watershed Council, have involved her directly in the issues facing the metropolitan region and have also given her a thorough understanding of Metro activities and processes. Her years with the legislature and public policy groups in Maine add additional depth and perspective to her Oregon experience. She currently serves as a member of the Water Resources Policy Advisory Committee and as an alternate on the Metro Technical Advisory Committee.

Her range of community involvement demonstrates that her professional interest in land use, water quality, transportation, and environmental issues reflect a deep personal commitment to the region. In all of her work, Jacqueline Dingfelder has demonstrated her skill in listening to and working with diverse perspectives and interests, including elected officials, local businesses, farm and forest interests, homebuilders, and environmental advocates. Jacqueline's skills in public policy go well beyond being an articulate and committed advocate; she has proven experience preparing and managing budgets, at both the project and program level.

The breadth and depth of her personal policy "network" constantly amaze me—there seems to be hardly a person or group involved in metropolitan regional growth issues that has not worked with Jacqueline. What most remark about Jacqueline is how her technical knowledge, commitment, and consensus-building skills have served so well to develop solutions to public policy issues, from watershed actions to transportation alternatives.

As a Laurelhurst resident of District 6, I am convinced that Jacqueline will best represent the interests and issues of this district. I urge you to appoint her to the newly vacated seat.

Sincerely,

Andy Linehan, AICP

Mr. Jon Kvistad, Presiding Officer
Metro
600 N.E. Grand Avenue
Portland, Oregon 97232-2736

Dear Jon:

I am writing to urge your support for the appointment of Jacqueline Dingfelder to fill the vacancy created by the departure of Lisa Naito. I have worked directly with Jacqueline the past two years as a member of the Tualatin River Watershed Council. Based on my 19 years of involvement in regional and local government activities, I believe that Jacqueline will bring the balance of commitment to regional planning, technical knowledge, community involvement, and private sector experience that will most benefit the Council.

As coordinator of the Tualatin River Watershed Council, Jacqueline has effectively led a consensus process to the successful preparation of the Council's draft action plan, from a group that had floundered and dwelt on conflicts prior to her arrival. As a result of Jacqueline's work and leadership, the Tualatin River Watershed Council is now widely recognized as one of the best in the state.

Jacqueline is also familiar with Metro and its activities. I sit with Jacqueline on the Water Resources Policy Advisory Committee, where she is an active and effective participant. Her Watershed Council work and her volunteer work on MPAC and MTAC bring her into contact with planners, citizens, businesses, elected officials, and representatives of groups covering the spectrum from stream friends groups to the Home Builders Association. She listens to and understands each viewpoint, and has proven her effectiveness at developing consensus from these divergent perspectives.

Once again, I urge you and the Council to appoint Jacqueline Dingfelder to this vacancy. She will be a valuable member of the Council who will add to its effectiveness and credibility.

Sincerely,

Kevin L. Hanway

June 16, 1998

Presiding Officer Jon Kvistad and Metro Councilors:
600 NE Grand Ave
Portland, OR 97232-2736

Dear Councilors:

I regret that I am unable to attend today's public hearing regarding the appointment of the Metro councilor seat for District 6. With this letter I would like to encourage your appointment of Jacqueline Dingfelder to the District 6 position.

I have known Jackie for 4 years and am confident that her experience and interest qualify her for a position on Metro Council. She has worked professionally in solid waste, planning and water issues since I've known her. She also is active in neighborhood and transportation issues. She has extensive experience working with planners, elected officials, local businesses, farm and forest interests, environmental and stream groups, homebuilders, educators, and special districts. With her background, Jackie would contribute a great deal of technical knowledge to discussions of Metro issues.

From my local government perspective, Metro needs people like Jacqueline Dingfelder. She cares about the issues. She's a good listener and is good at and interested in building consensus. She'll work hard to make decisions that are good for the region but which are informed by local governments.

I am impressed by Jacqueline's stamina, enthusiasm and knowledge of Metro issues. I wholeheartedly support her application for this position and encourage her appointment.

Sincerely

JoAnn Herrigel

Jackie Dingfelder
METRO Appointment
June 16, 1998

Good evening Presiding Officer Kvistad and members of the Council. My name is Jackie Dingfelder.

I know you have a full agenda, so I'll be brief. Tonight I want to explain why I want to serve on METRO Council, describe the skills and abilities I offer you, and talk about what I hope to accomplish if I am appointed.

Let me begin with the two reasons why I want this job.

First, I am deeply committed to the issues central to METRO's mission: land use planning, parks and open spaces, transportation, solid waste management and oversight of public facilities such as the Zoo and Convention Center. I have made important contributions in several of these areas, either through professional positions in the public and private sectors, or by service on community boards and committees.

Second, I want to see this region grow wisely, especially during these prosperous times. I can't think of a better place in the world to live, work, and raise a family than right here in this part of Oregon. METRO offers our best chance for ensuring this region remains the livable place it is today.

That's why I want to serve on the METRO Council. But am I qualified for the job?
You bet.

Let's start with the skills I would bring to the Council.

I think the greatest strength I offer is my ability to work with all kinds of people. I know how to build consensus among divergent interests as well as create coalitions that work. I listen and I seek positive solutions.

I'm also quite familiar with the legislative process. Some of you originally met me through my work on METRO Council committees MTAC and WRPAC. But I have lobbied and advised members of many city councils, several state legislatures and the U.S. Congress.

And I have strong roots in METRO district six. I have held several community positions, serving on two Portland municipal committees, two METRO advisory panels, and on the board of directors of a Portland non-profit organization. I even organized the annual Northeast 54th Avenue block party.

Finally, I have exceptionally strong technical abilities, including almost 15 years of professional experience in environmental planning, public involvement, and budget and

staff management. I also hold graduate and undergraduate degrees in regional planning and geography.

That brings me to my third and final point -- what I want to accomplish if I am appointed.

I believe the most important issue facing the METRO Council right now is the implementation of the 2040 Regional Framework Plan. It's also the area where my unique skills and experience will allow me to make a significant contribution to your work.

The success of the Framework Plan depends on creating and maintaining partnerships between METRO and the 27 local governments in the tri-county region. The Framework Plan will not be successful without these relationships.

I know how to build those kinds of ties. Let me give you an example of how I've done it in the past.

I am currently director of the Tualatin River Watershed Council. When I took this job two years ago, the organization lacked a budget, cohesiveness and direction.

I set out to change this. Less than two years later, the Tualatin River Watershed Council has a \$125,000 annual budget, an active, representative board, and programs that are making a difference. We serve as a model watershed council throughout the state.

What's the secret to our success? It can be summed up in two words: regional partnerships. I concentrated on building good working relationships with many area interests, including farmers, developers, foresters, environmentalists, and local governments. Without solid relationships with these diverse interests, the Tualatin River Watershed Council would not be as successful as it is today.

Building those kinds of coalitions between METRO and local jurisdictions on behalf of the Framework Plan would be one of my top priorities if you appoint me to this vacancy. Thanks to my professional and community experience, I know how to make this happen.

In summary, what I offer is commitment, experience, and a regional approach that produces results. I would like very much to have your support. I would be happy to answer any questions.

Thank you.
