

BEFORE THE COUNCIL OF THE  
METROPOLITAN SERVICE DISTRICT

In the matter of conducting a            )  
feasibility study report for a            )  
sanitary landfill located in            )  
the Wilsonville area of Clackamas        )  
County                                    )  
Resolution 79-22  
Requested by  
Rick Gustafson

WHEREAS, The Metropolitan Service District (MSD) is a municipal corporation established under ORS Chapter 268, and is authorized by Chapter 268 to dispose of and provide facilities for disposal of solid waste, and

WHEREAS, The St. Johns Landfill in North Portland and the Rossman's Landfill in Oregon City are the only two sites within MSD accepting generally all types of residential, commercial and industrial waste, and

WHEREAS, The St. Johns Landfill, if expanded, will reach capacity in 1985 and the Rossman's Landfill, with expansion, will reach capacity in 1982, and

WHEREAS, Sanitary landfills are a necessary part of any solid waste disposal or processing plan with the most immediate need for a sanitary landfill being in the southerly portion of the District, and

WHEREAS, The MSD's Resource Recovery Facility in Oregon City may commence operation in 1983, and

WHEREAS, MSD approved the "Disposal Siting Alternatives" report, dated September, 1978, which identified potential sanitary landfills, and

WHEREAS, In December, 1978, MSD was contacted by the owners of a site known as Mira Monte, located south of MSD in Clackamas County, as a possible site for a sanitary landfill, and

WHEREAS, after preliminary review it appears that the Mira Monte site has potential of being utilized as a sanitary landfill, now, therefore,

BE IT RESOLVED,

That the Council of the Metropolitan Service District instructs the Executive Officer to officially contact the Board of County Commissioners of Clackamas County informing them of MSD's interest in the Mira Monte site and requesting that Clackamas County appoint an advisory committee to work with MSD staff in identifying areas of concern to be further addressed in a feasibility study report and final design.

ADOPTED by the Council of the Metropolitan Service District this 22nd day of February, 1979.
