

AMENDMENT TO THE CRAG LAND USE FRAMEWORK RULES
SECTION 11
ADOPTED BY THE CRAG BOARD OF DIRECTORS
MAY 26, 1977
EFFECTIVE: MAY 26, 1977

The following new section should be added to the Framework Plan Rules:

"Section 11. Housing Densities in Rural and Natural Resource Areas

a. The purpose of this section is to implement Article V, Section 2a and Article VI, Section 2a of the Framework Element.

b. Until such time as each member adopts a comprehensive plan which is in compliance with the Framework Element minimum site sizes in Rural and Natural Resource areas may be determined by members by applying to such areas a zone, interim zone, or the density standards of a zone which most closely approximates and complies with the provisions of the above cited sections.

c. Comprehensive plans and implementing measures adopted by members after the effective date of the Framework Element shall designate minimum residential site sizes for all housing types in Rural Areas based on Article V, Section 2a and in Natural Resource Areas based on Article VI, Section 2a.
