Sir:

Robert T. Breihof, Jr. of the Portland Recycling Refuse Operators Inc. may have a concern about some Metro Councilors' efforts to recycle, but he certainly is uninformed about all of us.

I have been processing all of my recyclable materials at the Portland Recycling Team Center at Portland Boulevard and Denver Avenue, or at the recycling center at the St. Johns Landfill, for over six years--long before I became a Metro Councilor--this includes glass, tin, newspapers, oil and those acceptable plastics. I used to recycle waste paper but this is no longer acceptable. My garbage hauler can accept only newspapers and does not offer the service to which Mr. Breihof refers. Neither Mr. Breihof nor any one of his staff made an inquiry as to what I do with my recyclable materials.
