Dear Ms. Perkins:

Enclosed is an article that updates the recycling services available in our area.

One of the keys to getting people involved in recycling is to explain that recycling can be easy, efficient and convenient. Your help in spreading the word to your readers will be appreciated by the dedicated people in our neighborhood and the region who are working to reduce the tremendous amount of valuable materials that are wasted.

If you have any questions or comments please feel free to contact me or Metro staff members.

Thank you.
Sincerely,

Mike Burton
Councilor, District 12
