AGENDA MANAGEMENT SUMMARY

TO: Coordinating Committee FROM: Executive Officer

FROM: Executive Officer SUBJECT: Making Appropriations by Fund and Organization for the

FY 82 General Fund

I. RECOMMENDATIONS:

A. ACTION REQUESTED: Adopt Resolution No. 81-268, making appropriations by fund and organization for the FY 82 General Fund.

- B. POLICY IMPACT: This action does not change the policies approved as part of the FY 82 Budget process.
- C. BUDGET IMPACT: This action does not change the level of appropriation initially adopted by the Council.

II. ANALYSIS:

A. BACKGROUND: State Budget law requires that appropriations be made by fund and organization. In reviewing the Budget Ordinance, the Tax Supervising and Conservation Commission has requested that the Council provide more detail for the FY 82 General Fund Budget reflecting the appropriations by organization. While this requirement has been in effect in the past, the TSCC is now requesting Metro's compliance.

The total appropriation in the 'Exhibit "B"' portion of the Resolution is the same as originally adopted by the Council and reflects the organizational structure as it existed when the budget was adopted on June 25, 1981. Budget changes are being prepared to reflect the reorganization recently presented to the Council.

- B. ALTERNATIVES CONSIDERED: This action is required to bring the FY 82 Budget Ordinance in compliance with State Budget law.
- C. CONCLUSION: Adopt Resolution No. 81-268.
