CONSIDERATION OF RESOLUTION NO. 84-465 FOR THE
PURPOSE OF AUTHORIZING FEDERAL FUNDS FOR A
16(b)(2) SPECIAL TRANSPORTATION PROJECT AND
AMENDING THE TRANSPORTATION IMPROVEMENT PROGRAM

Date: April 4, 1984

FACTUAL BACKGROUND AND ANALYSIS

Proposed Action

Recommend Council adoption of the attached Resolution which authorizes \$24,000 of Federal 16(b)(2) funds. These funds will be used for the purchase of a 20- to 25-passenger vehicle to provide special transportation services in Washington County to a specific client group not served by Tri-Met. This Transportation Improvement Program (TIP) addition will allow the agency to apply for 16(b)(2) funding from ODOT.

This action is consistent with the adopted Intergovernmental Agreement entered into by Oregon Department of Transportation (ODOT), Tri-Met and Metro, whereby roles, responsibilities and funding for Special Needs transportation are established.

TPAC has not reviewed this application due to its late arrival and, therefore, has no recommendation.

JPACT has reviewed this project and unanimously recommends approval of the Resolution.

Background

Section 16(b)(2) authorizes the Urban Mass Transportation Administration (UMTA) to make capital grants to private, nonprofit organizations to provide transportation services for elderly and handicapped persons. Capital investments include purchase of conventional and paratransit vehicles and other equipment associated with providing local and regional (non-intercity) transportation services to the elderly and handicapped. Apportioned 16(b)(2) funds are not available for operating expenses. Transportation Improvement Programs and their Annual Elements must be amended to include new 16(b)(2) projects.

Section 16(b)(2) funding is only available to private, nonprofit organizations in the Metro region and only for use to serve specific client groups that cannot be served effectively by

Tri-Met. In applying these criteria, Tri-Met and Metro review all applications and recommend approval or denial accordingly.

A local provider has submitted an application for capital equipment using 16(b)(2) funds and has been found to meet the criteria of serving specific client groups which cannot better be served by Tri-Met. The application involves:
