6.3 Consideration of Resolution No. 86-650, for the Purpose of Accepting the Hearings Officer's Report in Contested Case No. 85-7 (Kaiser), Furthering Annexation of the Affected Property to Metro and Expressing Council Intent to Amend the Urban Growth Boundary

Consideration of Exception to the Hearings Officer's Report filed by BenjFran. Jill Hinckley, Land Use Coordinator, said an exception had been filed by BenjFran regarding the hearings officer's report for the BenjFran, Kaiser and Riviera cases by the the Petitioners for the BenjFran. She said staff would present its report on this matter, make its recommendation, and then the petitioners would be given an opportunity to address the Council. She requested to Council determine how it wanted to handle the expectations before it proceeded to the merits of the case.

Ms. Hinckley explained the Hearings Officer, Adrienne Brockman, had consolidated alternative site and transportation issues which related to the BenjFran, Kaiser and Riviera petitions. Those issues were heard jointly for a joint record. At the time of that joint hearing, BenjFran did not object to any material entered as evidence by Kaiser or Riviera. Subsequently, at the end of April, the Hearings Officer's report was released which recommended the Kaiser and Riviera petitions be approved and the BenjFran petition be denied. Ms. Hinckley said staff had originally scheduled all three cases to be heard by the Council on June 12. May 22 was initially set as the deadline by which exceptions to the Hearings Officer's report could be filed. She then discussed the problem with Metro's Code regarding deadlines for exceptions. The Council, not the Executive Officer, was authorized to set deadline for exceptions. Therefore, when deadlines were set by staff, staff had no authority to deny those exceptions would be heard by the Council.

Ms. Hinckley further explained that after the May 22 deadline was established, the three petitioners appeared before the Council on May 15, all represented by Susan Quick, requesting the BenjFran petition be separated out from the other two and be considered on June 26. The reasons for the delay were to give BenjFran more time to prepare their exceptions and to not overload the Council by having the three issues considered on one evening. When that request was presented to the Council on May 15, staff advised the Council that an extension of Council consideration would also mean the deadline for filing exceptions would be extended two weeks. Ms. Hinckley noted the Council's action to extend the date of consideration represented the recognition of staff extending the
