Memorandum

Date: October 8, 1986

To: Metro Councilors

From: Joan Saroka, Public Affairs *JMS*

Regarding: Recycling Recognition Award

Attached is Resolution No. 86-694. This resolution will be introduced during the Executive Officer Report at the Oct. 9th Council Meeting.

The purpose of the resolution is to announce two recycling recognition awards. The awards will be presented to Clackamas County and the Clackamas County Refuse Disposal Association.

The awards are being given to show support and appreciation for the innovative recycling programs in Clackamas County. The Clackamas County recycling programs have been developed jointly by the county government and private business.

The joint efforts of the Association and Clackamas County have resulted in:

- Joint funding of promotion/education representatives
- Development of promotional materials
- School presentations
- Teacher In-Service Days
- Pilot programs with non-profit recycling depots
- Pilot programs for yard debris collection
- Pilot programs for Multi-family curbside recycling

The Clackamas County recycling program has increased participation rates and is reducing the amount of waste going into the regional landfills. The program has made a substantial impact on the community and has been very successful.

3. EXECUTIVE OFFICER REPORT

Marion County Solid Waste Contract. Executive Officer Gustafson reported Marion County had made several amendments, none major, to the contract previously approved by the Council for the delivery of solid waste to Marion County. Those amendments would be reported to the Council at a later date.

Southern Pacific Railroad Right-of-Way. Metro was working with the City of Portland and other jurisdictions to preserve the railroad right-of-way for future use. In response to Councilor Frewing's question, the Executive Officer said no direct Metro funds had been spent on the effort, only staff time. Staff had been coordinating meetings on an informal basis. Metro's role in the project would now be more formal, he explained.

Leadership Day. A special day to recognize local government leaders was scheduled at the Washington Park Zoo on October 18.

Recycling Awareness Days. Vickie Rocker, Public Affairs Director, reported the activities planned for the week of October 6 through 17 to increase the public's awareness of recycling. Activities including workshops throughout the area, recycling information presented at the Zoo and kickoff of an improved Metro office recycling program.

Consideration of Resolution No. 86-694, for the Purpose of Recognizing Recycling Achievement in the Metro Region

The Executive Officer explained the Council annually recognized individuals or groups who were successful at encouraging recycling. By adopting Resolution No. 86-694, the Council would give special recognition to Clackamas County and the Clackamas County Refuse Disposal Association for recycling efforts. The two agencies, he said, had worked cooperatively to create innovative education, promotion and recycling program which had resulted in increased recycling participation in the Metro region.

Motion: Councilor Kirkpatrick moved the Resolution be adopted and Councilor Frewing seconded the motion.

Vote: A vote on the motion resulted in:

Ayes: Councilors Collier, Cooper, Frewing, Gardner, Hansen, Kelley, Kirkpatrick, Ragsdale, Van Bergen and Waker

Absent: Councilors DeJardin and Kafoury

The motion carried and Resolution No. 86-690 was adopted.

The Executive Officer then presented recycling awards to the two agencies which were accepted by Ken Spiegel for Clackamas County and Mike Borg for the Refuse Disposal Association. "Mr. Trash" and "Mr. Cool Can" visited the Council chamber (Richard Dobb and Fred

Kahut dressed in special costumes), greeted Councilors and distributed recycling information.

4. WRITTEN COMMUNICATIONS TO COUNCIL ON NON-AGENDA ITEMS

None.

5. CITIZEN COMMUNICATIONS TO COUNCIL ON NON-AGENDA ITEMS

None.

6. CONSIDERATION OF MINUTES

Councilor Kirkpatrick requested the first page of the Minutes of August 28, 1986, be corrected to show she was present at the meeting. Her presence and voting activity had been correctly noted throughout the remaining pages of the record.

Motion: Councilor Kirkpatrick moved the minutes of August 28, 1986, be approved as corrected and Councilor Gardner seconded the motion.

Vote: A vote on the motion resulted in:

Ayes: Councilors Collier, Cooper, Frewing, Gardner, Hansen, Kelley, Kirkpatrick, Ragsdale, Van Bergen and Waker

Absent: Councilors DeJardin and Kafoury

The motion carried and the minutes of August 28 were approved as corrected.

Presiding Officer Waker said the Council Clerk had distributed a memo explaining the need to correct the minutes of August 14, 1986. After the minutes were approved by the Council on September 11, it came to the Clerk's attention the votes on Resolution No. 86-671 had been incorrectly recorded. Councilor Frewing had actually voted against the main motion and Councilor DeJardin had voted in favor of both motions.

Motion: Councilor Frewing moved that page 19 of the minutes of August 14, 1986, be corrected to reflect that Councilor Frewing had voted in opposition to the main motion to adopt Resolution No. 86-671 and that Councilor DeJardin had voted in favor of the main motion and the motion to amend Resolution No. 86-671. Councilor DeJardin seconded the motion.
