**Subject:** OC/South Fork appeal

Attached is the Table of Contents for the record, which I have revised to fit in the transcripts and make it non-LUBA. This is already in the original for Metro. You will have to substitute it in the party copies. You will also have to number the transcript pages for the copies using the decimal scheme for the additions and insert them in the binders. I know you can handle it.

*Michael E Judd*

Assistant County Counsel
