Reminder: The regularly scheduled fourth Thursday GPAC meetings for November 23 and December 28 were cancelled and in their place the December 14 meeting is being held.

October 12, 2006

Meeting with Park Planners:

Please join your fellow Park Planning Staff on October 26, 2006 from 1:30 to 2:30 p.m. in room 501 at Metro to discuss finalizing the review of the Greenspaces Policy Advisory Committee's System and Master Plan maps. The System Plan map is a compilation of the region's developed park system. The Master Plan map represents each agency's future plans as identified on comprehensive plans or master plans. The Park Directors are scheduled to review this work on October 31, 2006. The Park Directors will also be discussing the development of a baseline level of service for the region. These maps will be used by Metro staff to prepare a gap analysis between existing and planned facilities for parks development for the region. This is important work that will be finalized by the Greenspace Policy Advisory Committee and will be discussed at a Park Summit that is being planned for spring 2007. Maps will be provided shortly.

Thank you in advance for your help and participation. If you have questions or cannot attend the meeting but would like to provide comments to staff, please call Lydia Neill at (503) 797-1830 or email at neilll@metro.dst.or.us
