EXHIBIT A

(Resolution No. 88-935)

1. The Boundary Commission contains 12 members appointed by the Metro Executive Officer from lists of nominees submitted by Metro Councilors.
2. The Metro Executive Officer in consultation with the Commission shall annually submit a budget for Boundary Commission activities in the proposed Metro budget and for review and adoption by the Metro Council. The Commission activities would be funded within the District's Planning Fund.
3. The Commission current revenue sources would continue: local government assessments authorized by statute with the level determined by the Metro Council in the annual budget process; and filing fees authorized by statute but set by the Metro Council through adoption of the budget or at any other appropriate time.
4. The Commission staff, as appropriate, would be transferred to Metro and staff services would be provided by Metro under District Personnel Rules. Subsequent hiring of staff would be by Metro Executive Officer or his/her designee.
5. Commission decisions continue to be appealable to the Court of Appeals with the exception of proposals for the incorporation of cities, such proposals being appealable to the Metro Council prior to judicial review.
6. Metro central administrative services would be used to support the Boundary Commission activities subject to District "overhead" charges as any other District function.
