AGREEMENT between
METRO and the LABORERS' INTERNATIONAL UNION of NORTH AMERICA,
LOCAL NO. 483

THIS AGREEMENT, made and entered into this ~~July 22~~ Month XX, 20104 by and between METRO, Portland, Oregon, its successors and assigns, hereinafter called the "Employer," and LABORERS' INTERNATIONAL UNION of NORTH AMERICA, LOCAL NO. 483, hereinafter called the "Union."

Formatted: Strikethrough

PREAMBLE:

The provisions of this Agreement shall be applied equally to all employees in the Bargaining Unit without discrimination as to race, color, religion, sex, national origin, age, marital status, familial status, gender identity, sexual orientation, veteran status, political affiliation, disability for which a reasonable accommodation can be made, or any other status protected by law. The Union shall share equally with the Employer the responsibility for applying this provision of the Agreement. Nothing in this section, however, shall be construed to prohibit actions taken because of bona fide job qualifications.

Upon notification to the Union of filing for redress of any item in this preamble in another recognized legal forum, any grievance filed by that same employee or Union under this Article will be withdrawn.

1. RECOGNITION:

- 1.1 The Employer recognizes the Union as the sole collective bargaining agent for all members of the Bargaining Unit employed by the Employer at the Oregon Zoo and Parks, excluding Parks seasonal employees, confidential employees, supervisory employees including first line supervisors, administrative employees, and employees whose primary duties consist of security or guard functions.
- 1.2 No supervisor shall perform any of the work covered under this Agreement, except in cases of emergency. Emergency is defined as a situation beyond the control of the Employer, which the Employer could not anticipate, including but not limited to:
 - (a) Unanticipated situations where Bargaining Unit employees were contacted, but were not available for work, or:
 - (b) The Employer has made an unsuccessful attempt to contact Bargaining Unit employees at their current home number as listed with the Employer.

Emergencies shall not include those day-to-day situations which require immediate action which have been normally performed by Bargaining Unit employees. A supervisor may use tools or equipment and perform work when the objective is to show, explain or train employees in the proper performance of their work assignments.

- 1.3 No first line supervisor shall perform the work covered under this Agreement except under the following circumstances:
- 1.3.1 In cases of emergency as defined in paragraph 1.2.
 - 1.3.2 When the objective is to show, explain or train employees in the proper performance of their work assignments.
 - 1.3.3 To reacquaint themselves with methods and routines, to maintain knowledge, skills and abilities, expertise or certification, or an understanding of the work provided, as long as the work done does not replace a regular employee of the Bargaining Unit.
- 1.4 Except as provided in this Article, work performed by classifications covered by this Agreement shall be performed at rates and conditions herein established. Any work, which is performed by bargaining unit employees shall not be contracted out until Metro indicates that the contracting out will result in reduced costs. When contracting out work is being considered, Metro shall withhold taking such action to provide the Union a reasonable opportunity for discussion of this matter, including alternative methods of performing the work. Metro will provide all available cost comparison data to the Union based on uniform specifications. However, except for union contractors, available cost comparisons must include: wage, health, welfare and pension costs equivalent to those contained in this agreement. The foregoing cost comparisons shall not apply to existing contracts and practices, including those that may be renewed. This does not, however, restrict the Employer from contracting out work previously subcontracted.

11.5.3 Employees assigned to sliding shift at Parks shall be paid the third shift premium, for all time worked during daylight savings time. Parks will minimize the shift changes on the sliding shift as far as practical in recognition of the impact such shifts have on employees.

11.6 The shift premium provided for by 11.3, 11.4 and 11.5 above shall not apply to employees classified as temporary or during hours when regular staff are on vacation, sick leave, or any other paid leave of absence.

12. OVERTIME:

12.1 OVERTIME RATE:

Overtime at the rate of one and one-half (1 ½) times an employee's established hourly rate, shall be paid for all work performed outside of or in excess of an employee's established shift hours and on the employee's sixth (6th) and seventh (7th) day of work in any week and on holidays, provided, however, that the Employer may compensate for such overtime by time off (at a time mutually agreed upon) at the rate of one and one-half (1 ½) hours off for each hour of overtime to a maximum of sixty (60) hours in one (1) year worked.

12.2 ASSIGNMENT OF OVERTIME:

Overtime, as determined by management, will be offered in order of the senior most qualified employee(s) by classification within the work unit. If overtime is declined by all eligible employees, it will be assigned to the lowest senior most qualified employee, as determined by management.

Parks and Natural Areas:

Overtime, as determined by management, will be offered in order of the senior most qualified employee(s) by classification within the work unit and an employee's assigned location. If overtime is declined by all eligible employees, it will be assigned to the lowest senior most qualified employee, as determined by management.

Work Unit, as discussed in this Article, shall be defined as follows:

12.32 RECORD OF OVERTIME HOURS:

A record of overtime hours worked or offered to each employee shall be maintained in each Work Unit for each month and such information shall be posted. An employee who wishes additional or less available overtime shall review the matter with their immediate supervisor and Union representative.

12.43 OVERTIME HOURS:

Employees required to work around the clock, without an eight (8) hour rest period prior to the start of their next assigned shift and required to continue to work any part of their regular assigned shift shall continue to receive pay at the overtime rate for those hours worked.

12.54 An employee who is required to work more than four (4) hours before, or two (2) hours beyond their regular shift shall be allowed a lunch period of no less than thirty (30) minutes and no more than sixty (60) minutes as determined by mutual agreement with the employee's supervisor on the Employer's time, to be taken not later than the expiration of such four (4) or two (2) hour overtime period. In the event such employee works for more than four (4) hours, or more than two (2) hours before or beyond such four (4) or two (2) hour overtime period, they shall receive an additional lunch period of no less than thirty (30) minutes and no more than sixty (60) minutes as determined by mutual agreement with the employee's supervisor on the Employer's time for each additional four (4) or two (2) hour overtime increment as the case may be.

12.65 No employee shall be required to take their lunch period later than one (1) hour after the middle of their shift. In the event it is not possible to allow a lunch period before this

time, the employee shall receive time and one-half for their one-half (1/2) hour lunch period and shall also be allowed a reasonable opportunity to eat their lunch on the Employer's time. For purposes of this Section, a "reasonable opportunity" shall include, with respect to Railroad employees, eating lunch at their duty stations.

13. REPORTING PAY AND MINIMUM PAY:

13.1 Any Regular employee who is scheduled to report for work on their scheduled shift and who presents themselves for work as scheduled, but where work is not available or made available for them, shall be paid at their regular rate for the duration of their regular shift.

13.1.1 Above shall not apply to Regular Part-Time ~~or Temporary~~ employees whose minimum guarantee shall be four (4) hours.

13.2 Any regular employee who clocks out and is called to return to work immediately, or before the employee's next work shift, ~~and such call is after the employee has left the Employer's premises at the end of their last shift,~~ shall be paid for a minimum of four (4) hours at the rate of one and one-half (1 ½) times the regular rate. However, when any regular employee is required to work in excess of eight (8) hours in any workday, and the excess time is adjacent to the employee's regular work schedule, the employee will be paid time and one-half (1 ½) only for the time worked in excess of eight (8) hours.

~~13.2.1 If a Regular Part-Time or Temporary employee is called to work on the Railroad and circumstances make it unfeasible to operate the trains and the employee is sent home, and then later on this same day is called to return to work, they shall be guaranteed only two (2) hours pay for the second call.~~

~~13.2.2~~ 13.2.1 Employees who agree to return to work after their regular shift for the purposes of pre-arranged training, meetings, animal care assignments or medical certification will receive pay at the overtime rate for the actual time at work and for not less than one (1) hour.

13.3 Any regular employee required to work a split shift shall be paid at the rate of time and one-half (1 ½) for not less than eight (8) hours of such shift (exclusive of any overtime worked in addition thereto). Time worked on the employee's sixth (6th) or seventh (7th) day shall not be covered by this paragraph.

13.4 Upon determination by the Zoo Director or Parks Director, or the Zoo or Parks Director's designee, of inclement weather conditions and such determination results in the decision to close the Oregon Zoo or the Parks and to send the staff home before the end of their normal shift, those employees required by Management to stay on the job shall receive one (1) hour travel pay.

14. SENIORITY:

- 14.1 The Employer shall provide the Union a seniority list showing the continuous service of each employee. This list will be furnished to the Union on ~~August~~ July first (1st) of each year and the Employer shall notify the Union by written communication immediately upon any change therein.
- 14.2 Regular Part-Time employees shall have seniority only within their job classifications and such seniority shall accrue only on the basis of continuous employment from their date of hire. Temporary employees shall accrue no seniority rights under this Article.
- 14.3 Except as provided in 14.1, in the matter of lay off and recall of employees, as well as in the matter of promotion, selection of jobs or opportunities to work on new jobs ~~or~~ processes, ~~or a preferred job~~ within the Bargaining Unit and the selection of work shifts and vacation periods, the Employer shall prefer those employees with the greatest length of service with the Employer in accordance with the following sections. If two or more employees were employed in any classification on the same day, seniority shall be determined by their order of hire by the Employer's records.
- 14.4 Seniority of an employee as used in this Agreement shall be based upon their continuous length of employment with the Employer from their date of hire. Any employee who voluntarily quits, is discharged, or who does not return to work from a leave of absence, as provided for in this Agreement, will forfeit all seniority rights with the Employer. Seniority shall continue and accumulate on the following basis:
- 14.4.1 During a lay off.
- 14.4.2 Any authorized leave of absence in which an employee continues their pay status.
- 14.4.3 During a military leave of absence as provided for by law.
- 14.4.4 Up to one (1) year because of leave of absence caused by personal sickness or injury. The employee's seniority will be frozen after such leave provided they have requested to return to work as provided in 24.2.
- 14.4.5 Up to eighteen (18) months for an industrial accident. (See also 24.3.6)
- 14.4.6 Up to ninety (90) working days for a personal leave of absence.
- 14.4.7 Up to one (1) year for an educational leave of absence.
- 14.4.8 During an authorized leave under OFLA/FMLA.

15. VACANCIES:

15.1 For the purposes of this Article, a qualified employee is an employee who is qualified by knowledge, skill and experience, and is physically able to perform the job. The parties recognize the desirability of preferring qualified employees. In the selection process for promotion, the Employer shall award one (1) percent of the total possible score to each qualified employee for each full year of continuous employment at the Zoo and Parks up to a maximum of ten (10) percent. In the event two or more qualified employees have the same final score, the employee with the greater length of service shall receive preference. When a vacancy occurs in a regular job, present employees shall be given the first opportunity on the following basis:

15.1.1 ~~If the vacancy involved is a new job process or a preferred job within a classification,~~ First opportunity shall be given to qualified employees in that classification within the Work Unit where the vacancy occurs. Employees working in a Lead or Senior classification are eligible to bid with the first opportunity pool for lower level jobs within the same job family classification (e.g., Lead Park Ranger to Park Ranger).

Second opportunity to fill the vacancy shall be afforded to any qualified employee covered by this Agreement.

Formatted: Indent: First line: 0"

15.1.2 Whenever a vacancy occurs which creates promotional opportunities within the Unit, qualified employees within the Work Unit where a promotional opportunity exists shall be given first opportunity to fill such vacancy, and second opportunity to fill promotional opportunity shall be afforded to any qualified employee covered by this Agreement.

15.1.3 For purposes of vacancies and promotional opportunities which occur in Work Units Animal Care, those employees will be given first opportunity equally based on qualifications and seniority within the classification.

Employees working in the Senior Keeper classification will be eligible to bid with the first opportunity pool for lower level jobs within the same job family classification.

Formatted: Indent: Left: 1"

15.2 PROMOTIONS:

An employee filling a promotional opportunity or filling a vacancy shall work the work schedule specified for such job.

15.2.1 Promoted employees shall serve a one hundred and eighty (180) calendar day probationary period. The probationary period shall be used by the Employer as an evaluation period in which the Employer will make written evaluation to the employee at the completion of ninety (90) calendar days of their probationary period, and at the completion of their probationary period.

15.2.2 Any employee who is promoted and fails to complete probation for the new position shall be returned to their former classification with all rights and conditions of employment they had in their former classification, as long as the reason for failure to complete probation wasn't due to misconduct or policy violations (i.e. discrimination/harassment, misappropriation of Metro resources, funds, drug and alcohol, theft, workplace violence) which would affect the employee's success in the former classification.

15.2.3 Within one hundred and eighty (180) calendar days of promotion, any employee may elect to return to their former classification with no loss of rights and conditions of employment; provided a vacancy exists in the employee's former classification within six (6) months of the promotion.

15.3 All vacancies within the Bargaining Unit under Article 15 shall be posted in the work location of the affected employees. Such job opportunities shall be posted for a period of seven (7) working days. Employees shall bid in writing on such opportunities according to the provisions of this section and such bid shall be made no later than the eighth (8th) working day after the first day of posting. The Employer will make a good faith effort to promote from within prior to advertising for outside candidates. This constitutes the LIUNA bid process.

15.3.1 If the Employer makes an assignment from within the Bargaining Unit, the assignment will normally be made within fourteen (14) working days after the bid is closed. The name and seniority of the employee assigned to the job shall be posted and a copy given to the Union. Upon request of any applicants, the Employer shall submit in writing to applicants concerned the reasons for the choice with a copy to the Union.

15.4 Whenever a vacancy occurs in any regular job, the Employer may temporarily fill it by appointment. Qualifications and seniority shall be the two governing factors in such appointments. Employees on temporary assignments shall retain their seniority in their regular job classification. Temporary appointments shall not exceed 720 hours.

16. WORKING OUT OF CLASS

16.1 Work-out-of-class should be assigned in writing where possible.

16.1.1 If an employee believes they are working out of class they can approach their supervisor at the first reasonable opportunity to discuss why or why not the assignment qualifies for WOC. (i.e. a discussion about whether the work being completed is contained in another class specification, etcetera).

16.1.2 Incidental assignments do not qualify for work out of class pay.

- 16.1.3 Working out of class shall be paid the next highest monetary step in the new assignment which allows for at least a five percent (5%) increase in wage for the out-of-class assignment.
- 16.1.4 For Keeper staff, if a Senior Keeper is on leave for six (6) or more consecutive days, an employee will receive working out of class pay for hours worked from the first day of the Senior Keeper's absence.
- 16.1.5 If assigned to the duties and responsibilities of a higher classification at the beginning of the employee's shift, they shall receive the higher rate for a minimum of four (4) hours, but if more than four (4) hours they shall receive eight (8) hours. If an employee is assigned after the beginning of the shift and works four (4) hours or less they shall receive a minimum of four (4) hours at the higher rate, and if they work more than four (4) hours they shall be paid the higher rate for the balance of the shifts.
- 16.1.6 When it is necessary to work employees in a lower classification, the Employer shall pay the employee his/her regular rate for his/her regular classification.

17. REDUCTIONS IN FORCE:

- 17.1 When a reduction in force occurs, employees shall be laid off by seniority within the classification with the least senior person being laid off first. An employee so removed shall be entitled to work in a lower classification in which they have held Regular status in the order of their seniority in that classification in the Zoo and Parks.
 - 17.1.1 No lay-offs or reduction to a lower classification shall be executed as long as there are Temporary employees, Seasonal employees, or work release employees serving within the affected classifications covered by this Agreement.

17.2 SENIORITY LISTS:

17.2.1 The Parks and Zoo departments shall have separate seniority lists by classification. These lists shall be used in the event that a reduction in force or resultant recall is deemed necessary. Employees may not bump another employee within classification or to a lower classification across departments. If a vacancy exists at the Zoo or Parks, the laid-off employee may bump or be recalled to that position. For recalls, an employee may be recalled to a different department if no one from that department is on a lay-off list.

17.3 RECALL:

17.3.1 The Employer shall recall laid off employees on a strict seniority basis for the classification from which the employee was laid off.

17.3.2 On recall of laid off employees, the Employer shall notify the employee by certified letter, with a copy to the Union, mailed to their last known address. The employee shall have five (5) days to report their intentions to the Employer and shall report to work within two (2) weeks after notification by the Employer or as mutually agreed. Failure to accept recall to work will terminate any rights for re-employment.

17.3.3 The rights to recall shall continue for two (2) years from the date of lay-off and then be terminated.

17.4 USE OF VOLUNTEERS DURING LAYOFFS:

17.4.1 In the event of a layoff, the employer shall not replace bargaining unit employees with volunteers. A layoff cannot be implemented if either department engages volunteers who are serving within the affected classification more than 1,000 hours per budgeted FTE for that classification. If a layoff is to occur within the affected classification, volunteer hours must be reduced to 1,000 hours per fiscal year per remaining FTE before affecting a layoff. (e.g. if one (1) gardener of the seven (7) gardeners is laid off, the volunteer program can only be a total of 6,000 hours per fiscal year).

The volunteer limitation of this agreement does not apply to large one or two-day volunteer projects. (e.g. Nike Volunteer Project), nor does it apply to the Zoo Lights program.

18. VACATIONS:

All employees except Temporary employees shall receive vacations with pay as follows:

18.1 ACCRUALS:

Vacation leave for employees shall be computed on base wages which include sick, vacation, personal, holiday leave and comp time used the basis of hours worked during each pay period. ~~The rate that annual vacation leave accrues shall depend on the number of years of total service for the Employer, whether or not total service was broken.~~ An employee's anniversary date for the purpose of accruing annual vacation leave is based on continuous service from the date of hire into a Metro benefit eligible position. ~~shall be their date of hire.~~

Total Years of Service	Accrual per Hours Worked	Vacation and Leave Per Year	Maximum Accrual (2X Annual)
0 through 4	.0385 hours	80 hours	160 hours
5 through 9	.0577 hours	120 hours	240 hours
10 through 14	.0674 hours	140 hours	280 hours
15 through 19	.0770 hours	160 hours	320 hours
20 through 24	.0865 hours	180 hours	360 hours
25 yrs. or more	.0962 hours	200 hours	400 hours

18.2 An employee's vacation is deemed earned at the end of each pay period pursuant to Article 8. Probationary employees earn, but may not use vacation, until their probation is completed.

18.3 In computing vacation "years of total service" as used in 18.1 above:

18.3.1 Includes time taken while on leave of absence with pay or military service without pay.

18.3.2 Includes absence because of an on-the-job injury up to eighteen (18) months.

~~18.3.3 For Regular Part Time employees, total length of service shall constitute the accumulative number of months in which such employee actually worked eighty (80) hours or more. Such employee will accrue vacation leave on the basis of time actually worked each month.~~

18.4 Employees shall continue to earn vacation credit for:

18.4.1 A period of one (1) year because of an absence caused by an on-the-job injury.

18.4.2 Any authorized leave of absence where an employee continues their pay status.

18.4.3 Any authorized personal leaves of absence not to exceed thirty (30) days in a fiscal year.

18.5 Employees shall not accumulate more than the maximum accrual allowed per 18.1, above. Additional hours that would have accrued at the rates in this Agreement shall be forfeited unless a denial of vacation request, that was submitted at least three (3) months prior to reaching the maximum accrual, prevents an employee from avoiding the maximum accrual. If denial of a vacation request prevents an employee from avoiding the maximum accrual, the employee may submit a written request to the supervisor and Human Resources director to have an extended period of time to bring their accrual below the maximum or to have up to six (6) pay periods of vacation accrual paid out.

It is the expectation of Metro that an employee monitors and manages their leave accruals to prevent forfeiting hours in excess of the maximum accrual.

Both parties agree to meet and review the application of this clause one (1) year following the signing of the contract. At that time either side can request to renegotiate Article 18.5 only. Opening of this clause does not open any other contract language for renegotiation.

18.6 Whenever an employee who has completed probation is laid off or terminated, his/her accrued and unused vacation hours shall be paid in accordance with state law.

18.7 Employees shall be permitted to choose either a split or entire vacation. Employees shall have the right to determine their vacation time on the basis of seniority as provided in Article 18.9.

18.8 Work Unit, as discussed in Article 18.9, shall be defined for the Zoo as per Article 1.5.5 and for Regional Parks for the purposes of vacation selection only as: Blue Lake Park, Oxbow Park, and Remote Sites, Willamette District, and Columbia District.

18.9 VACATION SELECTION:

18.9.1 Vacation selections shall be by classification on the basis of seniority within the Work Unit in which employed:

18.9.2 Each employee will be entitled to exercise their seniority for only one (1) vacation selection each year, up to a max of five (5) weeks. For purposes of this section "selection" means one or more consecutive days. The employer may allow employees to rescind portions of their approved seniority bid as long as the final selection results in a selection of one or more consecutive weeks.

18.9.3 Such selection shall be made by bid posting between January 15 and February 15, of each year for vacations between April 1 of that year and March 31 of the next year in accordance with the following:

- (a) Any employee wishing to submit a bid concerning preferred vacation scheduling shall do so in writing not later than February 15. Employees on the top third of the seniority list will submit their preferred vacation bid in writing no later than January 25. Employees on the middle third of the seniority list will submit their preferred vacation bid in writing no later than February 5. Employees on the bottom third will submit their bids no later than February 15. Failure to submit a bid on a timely basis, within the above deadlines, means that seniority vacation bidding rights are forfeited for that year and the employee loses his/her ability to secure a vacation on the basis of their seniority for the bid process.
- (b) Any duplication in preferred vacation scheduling shall be worked out between employees submitting such duplicate bids and the supervisor involved in accordance with 18.9.3 section (a).
- (c) In the event duplicate bids cannot be worked out to the satisfaction of the employees involved and the Employer in accordance with 18.9.3 section (a), seniority shall control subject only to the overall staffing needs of the Zoo operation. Management may require the least senior employee to modify his/her bid. If the employee fails or refuses to modify his/her bid, the employee loses his/her ability to secure a seniority vacation selection for the bid process.
- (d) Requests for vacation after the preferred vacation has been satisfied shall be on a first come first served basis and shall not be unreasonably denied.

19. HOLIDAYS:

19.1 HOLIDAYS OBSERVED:

New Year's Day, Martin Luther King, Jr. Day, President's Day, Memorial Day, Independence Day, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day, and any other day designated by the Metro Council.

After completion of six (6) months service, each employee covered by the terms of this Agreement shall have two (2) personal holidays per fiscal year. The personal holidays shall be arranged upon reasonable notice and by mutual agreement between the employee and the supervisor. Employees should request a personal holiday with at least 14 days notice. Personal holiday requests will not be unreasonably denied. Personal holidays not taken within the year accrued will be forfeited.

19.2 ELIGIBILITY:

An eligible employee shall be any employee who has been an employee of the Employer at least ten (10) days prior to the holiday.

19.2.1 No employee shall receive holiday pay if the employee is absent on their scheduled work day either immediately preceding or immediately following the holiday, unless they were in a paid status for the entire such day before and day after, or unless they have previously applied to their supervisor in writing for permission to be so absent and such written request has been approved by the Director. However, in emergency situations where an employee is unable to procure prior approval for such absence they may submit a written request for holiday pay, stating the reason for their absence, to the Director. If the Director considers the reason for the absence excusable, the holiday pay shall be paid. Should the Director either question the validity of the request or consider the reason for the absence insufficient cause for being absent, they shall contact the Union, discuss the case with them, and together shall render a decision. The deliberation and decision shall be based upon both the following considerations:

19.2.2 Whether the absence would have been granted had prior approval been sought, and, in addition;

19.2.3 Whether the reason for not seeking prior approval was a valid one. Such decision shall be final and binding and not subject to the grievance procedure.

19.3 PART TIME EMPLOYEES:

Holiday eligibility will be pro-rated based on actual scheduled hours worked within the preceding pay period, or for the hours actually worked on the holiday, with the exception that personal holiday eligibility will be pro-rated based upon the employee's full-time equivalent (FTE) status.

A Regular Part-Time employee shall be entitled to receive personal holiday pay only upon completion of six (6) consecutive calendar months in which such employee works eighty (80) hours or more per month.

19.3.1 Notwithstanding any other provision of this Article, Regular Part-Time employees shall be eligible for paid holidays only if working on a regularly scheduled basis. Holiday pay for eligible Regular Part-Time employees will be computed on the basis of hours worked in accordance with Article 19.3. Regular Part-Time employees who accept on-call work on holidays will be paid, at the overtime rate, only for time worked.

19.4 HOLIDAYS FALLING ON WEEKEND:

Whenever one of the above listed holidays falls on Saturday, the Friday before or the Monday following said holiday shall be considered as a holiday and paid for as such. The Employer shall have the option to schedule employees off for that holiday on either of such days in accordance with operational needs. As to any employee who is not given either the preceding Friday or the following Monday off as a holiday, the preceding Friday shall be deemed the holiday. Notwithstanding the foregoing, those jobs which operate seven (7) days per week and/or twenty-four (24) hours per day will observe Christmas on December 25, New Year's on January 1, and Independence Day on July 4th. Whenever a holiday falls on Sunday, the following Monday shall be deemed a holiday and paid for as such.

19.5 HOLIDAYS FALLING ON DAY OFF:

Whenever a holiday falls on an employee's regularly scheduled day off, the employee may, prior to such holiday, choose the first work day preceding or following such holiday, subject to overall staffing needs of the Zoo and Parks operation, and such day shall be considered a holiday and paid for as such.

19.6 COMPENSATION:

Eligible employees shall receive eight (8) hours regular pay for each of the holidays set forth above on which they perform no work. Eligible employees who work a 4-10 schedule shall receive ten (10) hours regular pay for each of the holidays set forth above on which they perform no work.

19.6.1 In addition to an employee's holiday pay they shall be paid the overtime rate for any holiday they are required to work. However, if an employee is regularly scheduled to work on a holiday, they will be permitted to defer the holiday with regular pay until a later date. An employee under this section can accumulate no more than five (5) deferred or postponed holidays. Deferred or postponed holidays will be taken at a time mutually agreeable to the supervisor and the employee. Prior to the use of any vacation time, any deferred or postponed holiday time must be taken. The employee will endeavor to schedule the deferred or postponed holiday within the fiscal year it accrues.

19.7 IF SICK ON HOLIDAY:

If an eligible employee is on sick leave and a holiday is observed, they shall be paid for such holiday and it shall not count against their accumulated sick leave.

20. HEALTH AND WELFARE:

20.1 ELIGIBILITY:

All Regular Full-Time employees may enroll in the Metro sponsored health and welfare plan. Metro sponsored health coverage will include medical, dental and vision coverage for the employee and their dependents. Metro sponsored Welfare coverage will include long-term disability, accidental death and dismemberment, life and dependent life insurances, pursuant to Article 20.6.

20.3 PREMIUM SHARING:

Beginning July 1, 2011 ~~and throughout the duration of this Agreement~~ Metro shall contribute ninety-four percent (94%) of the insurance premium costs and employees shall pay six percent (6%) of the premium costs through payroll deduction for medical, dental, and vision plans provided by an HMO and/or indemnity carrier. Beginning July 1, 2015 and throughout the remainder of this Agreement Metro shall contribute ninety-two percent (92%) of the insurance premium costs and employees shall pay eight percent (8%) of the premium costs through payroll deduction for medical, dental, and vision plans provided by an HMO and/or indemnity carrier.

~~20.3.1 If any health insurance plan increases by more than twelve percent (12%) two years in a row then Metro and the Union shall split the increase over twelve percent (12%) equally beginning with the second year.~~

20.3.1² Metro agrees to pay ~~cash back at~~ an amount not to exceed \$150 per month to regular full-time employees and a pro-rated amount equivalent to their FTE status for those in less than full-time positions, who provide proof of other medical coverage and who opt out of medical coverage through Metro. Metro shall determine the amount offered to employees for opt-out based on contracts with insurance carriers, financial consideration and health insurance plan designs.

20.3.23 If Metro does not voluntarily change plans, rather the health insurance carrier or benefits administrators change terms of a plan during the life of the contract, Metro and the Union agree to accept those changes or go to the next best available plan until such time as the JLMC for Health Benefits can be reconvened and make a recommendation. The parties agree to meet at the earliest possible date and discuss that portion of the contract. At no time shall Metro operate outside of the health insurance plan structure which it is offering employees.

20.4 Life insurance, dependent life, accidental death and dismemberment and long term disability coverage shall be provided to all employees who enroll in the Metro plan. Such coverage will be provided at no cost to the employee unless adjustments are made as a result of recommendations made by the Joint Labor Management Committee, to minimize medical, dental and vision costs.

20.5 JOINT LABOR-MANAGEMENT COMMITTEE:

A Metro Joint Labor-Management Committee (JLMC) for Health Benefits comprised in accordance with adopted by-laws shall review health dental and vision insurance plans and costs, and make plan offering recommendations to the Metro Human Resources Director and Chief Operating Officer in an effort to keep health care costs at a minimum for employees and for Metro. Metro shall make available to the Committee current information regarding insurance premium rates and projected increases, as such information becomes available to Metro.

The Chief Operating Officer shall consider the Committee's recommendations and have the authority to make Plan modifications as necessary. In the event that the Parties do not agree, the Union has the right to utilize the remedies available under ORS 243.698 – 243.722 including mediation and fact-finding.

20.6 Metro will fund health benefits to the limits listed. Should Metro choose to fund any other group at a higher level, then such new level will be applied equally to this contract.

20.7 The Employer will not be liable for payroll deduction or premium payment errors, but will make proper adjustment for errors as soon as practicable, upon knowledge of the error.

21. RETIREMENT:

21.1 Effective July 1, 1991, and during the term of this Agreement, all eligible Unit employees shall participate in the Oregon Public Employees Retirement System (PERS), as provided in the Oregon Revised Statutes. The extent of PERS membership shall include prior eligibility service, and the unused sick leave option, which shall become effective July 1, 1992. PERS membership shall not include prior benefit service.

21.2 Effective December 16, 1994, the “employee portion” (6%) shall be paid by the employee through automatic payroll deduction as authorized by the Agreement.

29. GRIEVANCES, COMPLAINTS AND ARBITRATION:

- 29.1 A grievance for the purpose of this Agreement is defined as a dispute regarding the meaning or interpretation of a particular clause of this Agreement or regarding an alleged violation of this Agreement. Grievances shall be processed in the following manner:

29.1.1 LEVEL 1 – SUPERVISOR:

Any employee with a grievance shall refer the matter in writing within fourteen (14) calendar days of the date upon which the alleged grievance occurred. The employee may be accompanied by a Union representative in any discussion following such reference to the supervisor. The Union may take up any grievance with or without the consent of the employee.

29.1.2 LEVEL 2 - DIRECTOR:

If the matter is not settled within fourteen (14) calendar days of reference to the supervisor, the matter may be referred to the Director, provided that such reference shall be in writing, shall state the nature of the grievance, the section of the Agreement allegedly violated, and the remedy requested, and shall be presented to the Director or their designated representative within fourteen (14) calendar days of the expiration of the fourteen (14) calendar day period for settlement with the supervisor. The Director, or their designate, and such assistants as they may select, shall meet promptly to attempt to settle such grievance with the Union.

29.1.3 LEVEL 3 –CHIEF OPERATING OFFICER:

Should the Union and the Director fail to effect a settlement of the dispute within fourteen (14) calendar days of its submission to the Director, the Union shall have the right to perfect and submit the grievance in writing to the Chief Operating Officer or designee, provided that such submission shall be within twenty-one (21) calendar days from the date of submission to the Director.

29.1.4 LEVEL 4 – ARBITRATION:

If the grievance remains unresolved the Union shall have the right to submit the matter to arbitration. In the event the Union elects to do so, it must notify the Chief Operating Officer of its decision in writing within twenty-one (21) calendar days from the date of submission to Level 3. After the grievance has been so submitted, the Union shall request a list of five (5) arbitrators from the State of Oregon Mediation and Conciliation Service within 30 calendar days of stating their intent to advance the grievance to arbitration. Upon receipt of the list of arbitrators, the parties will strike names within fourteen (14) calendar days. The parties shall select an arbitrator by mutual agreement or alternate striking of names with the Union proceeding with the first strike. The final name left on the list shall be the arbitrator, and shall be contacted by the parties to set a hearing. The parties will make best efforts to schedule arbitration within six (6) months of selecting an arbitrator.

~~Requesting arbitration shall not prohibit the parties also requesting grievance mediation at the same time. Any mediation shall be mutually agreeable to the parties. Parties or their representatives shall jointly request the State Mediation and Conciliation Service for a list of names of seven (7) arbitrators. The Parties shall select an arbitrator from that list by such method as they may jointly select or, if they are unable to agree upon a method, then by the method of alternate striking of names under which the grieving party shall strike the first name objectionable to it, and the Employer shall then strike the first name objectionable to it. The final name left on the list shall be the arbitrator.~~

29.2 The Arbitrator's decision shall be final and binding, but they shall have no power to alter, modify, amend, add to or detract from the terms of this Agreement. Their decision shall be within the scope and terms of this Agreement. However, nothing in this section prohibits the Parties from attempting to resolve the grievance through mediation.

29.3 The losing party, as determined by the Arbitrator, shall pay the arbitrator's fee, the cost of any hearing room and cost of reporting if requested by the arbitrator. All other expenses shall be borne by the Party incurring them.

29.4 If mutually agreed upon by both the Employer and the Union, and the request is made prior to the response deadline, timelines for all of the above sections may be extended.

30. STRIKES AND LOCKOUTS BARRED:

There shall be no lockouts on the part of the Employer, nor suspension of work on the part of the employees. This Agreement is a guarantee that for the duration of the Agreement there will be neither strikes nor lockouts, and that all complaints, grievances or disputes arising under its provisions will be settled pursuant to its grievance procedure.

31. SAVING CLAUSE:

Should any part hereof or any provision herein contained be rendered or declared invalid by reason of any existing or subsequently enacted legislation or by any decree of a court of competent jurisdiction, such invalidation of such part or portion of this Agreement shall not invalidate the remaining portions hereof; provided, however, upon such invalidation the parties agree immediately to meet and negotiate such parts or provisions affected. The remaining parts or provisions shall remain in full force and effect.

32. RECOUPMENT OF WAGE AND BENEFIT OVERPAYMENTS AND UNDERPAYMENTS:

For purposes of recovering overpayments by payroll deduction, the following shall apply:

- (b) Where this process is utilized, the employee and Metro shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.

If an employee leaves Metro service before Metro fully recovers the overpayment, the remaining amount may be deducted from the employee's final check.

32.1.2 An employee who disagrees with Metro's determination that an overpayment has been made to the employee may grieve the determination through the grievance

procedure. No collection will be made until a determination is made on the grievance.

32.1.3 This does not waive Metro's right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

32.2 UNDERPAYMENTS:

32.2.1 In the event an employee does not receive wages or benefits to which the record/documentation has for all times indicated the employer agreed the employee was entitled, Metro shall notify the employee in writing of the underpayment. Metro shall correct any such underpayment made within a maximum period of two years before the notification

32.2.2 This provision shall not apply to claims disputing eligibility for payments which result from this Agreement.
