

 Metro | Memo

Date: Friday, December 12, 2014
To: Metro
From: Pam Welch, Records and Information Analyst
Subject: Potential Missing Record – February 1971 to December 22, 1980 Solid Waste Policy Advisory Committee (SWPAC) Packets

An attempt was made to confirm the existence of these records by going through related meeting packets and interviewing former MSD and Metro staff. However, copies of the packets could not be found nor could it be determined when formal meeting packets were created. It is uncertain if the meeting packets were never created or were lost with the passage of time.

Between the dates of February 1971 to December 22, 1980 the committee existed under the following committee names:

Committee Name	Date Created	Date Dissolved	Became
MSD Citizens Advisory Committee	February 1971	April 26, 1974 as per MSD Resolution 8	MSD Solid Waste Committee
MSD Technical Advisory Committee	February 25, 1972	April 25, 1974 as per MSD Resolution 8	MSD Solid Waste Committee
MSD Solid Waste Committee	April 26, 1974 as per MSD Resolution 8		Solid Waste Advisory Committee
Solid Waste Advisory Committee	January 4, 1979 as per Metro Resolution 79-5		Solid Waste Policy Alternatives Committee (SWPAC)
Solid Waste Policy Alternatives Committee (SWPAC)	March 8, 1979 as per Metro Resolution 79-32		Solid Waste Policy Advisory Committee (SWPAC)

See the finding aid for the Solid Waste Policy Advisory Committee (SWPAC) collection for additional information
