Regarding: Cancellation of the December SWPAC Meeting

The Solid Waste Staff has considered the issues now facing our department, and although there are many, we have concluded they are in a stage of revisions rather than reaching the point of needing SWPAC's advice to the Council.

For this reason, and because we know your December is probably as busy as ours, we are canceling the meeting for this month.

The new members of SWPAC will assume their duties in January and we want to thank all of you for your many months of loyalty to the committee and the many hours you spent in considering the issues in order to give advice to the Council. We appreciate the time and energy expended by you in this public service.

We wish you Happy Holidays and a busy, healthy, happy, New Year!
