Date: Friday, December 15, 2014
To: Metro
From: Pam Welch, Records and Information Analyst
Subject: Potential Missing Record – June and July, 1987 Solid Waste Policy Advisory Committee (SWPAC) Packet

An attempt was made to confirm the existence of the records by going through meeting packets and minutes from 1987. However, a copy of the packet could not be found nor could it be confirmed if the committee met during the months of June and July.
