BE IT RESOLVED THAT

The Metro Contract Review Board hereby exempts the attached contract (Exhibit A attached hereto) with Eastman Kodak Company from the competitive bidding procedures pursuant to Metro Code Chapter 2.04.041 (c) since the Board finds Eastman Kodak Company to be the sole provider of maintenance and repair services for the Kodak 300 duplicator.

ADOPTED by the Metro Contract Review Board this 13<sup>th</sup> day of June, 1996.

  
\_\_\_\_\_  
Jon Kvistad, Presiding Officer

METRO shall have the right to withhold from payments due CONTRACTOR such sums as necessary, in METRO's sole opinion, to protect METRO against any loss, damage or claim which may result from CONTRACTOR's performance or failure to perform under this agreement or the failure of CONTRACTOR to make proper payment to any suppliers or subcontractors.

If a liquidated damages provision is contained in the Scope of Work and if CONTRACTOR has, in METRO's opinion, violated that provision, METRO shall have the right to withhold from payments due CONTRACTOR such sums as shall satisfy that provision. All sums withheld by METRO under this Article shall become the property of METRO and CONTRACTOR shall have no right to such sums to the extent that CONTRACTOR has breached this Contract.

### ARTICLE XIII SAFETY

If services of any nature are to be performed pursuant to this agreement, CONTRACTOR shall take all necessary precautions for the safety of employees and others in the vicinity of the services being performed and shall comply with all applicable provisions of federal, state and local safety laws and building codes, including the acquisition of any required permits.

### ARTICLE XIV INTEGRATION OF CONTRACT DOCUMENTS

All of the provisions of any bidding documents including, but not limited to, the Advertisement for Bids, General and Special Instructions to Bidders, Proposal, Scope of Work, and Specifications which were utilized in conjunction with the bidding of this Contract are hereby expressly incorporated by reference. Otherwise, this Contract represents the entire and integrated agreement between METRO and CONTRACTOR and supersedes all prior negotiations, representations or agreements, either written or oral. This Contract may be amended only by written instrument signed by both METRO and CONTRACTOR. The law of the state of Oregon shall govern the construction and interpretation of this Contract.

### ARTICLE XV ASSIGNMENT

CONTRACTOR shall not assign any rights or obligations under or arising from this Contract without prior written consent from METRO.

## STAFF REPORT

IN CONSIDERATION OF RESOLUTION 96-2338 FOR THE PURPOSE OF AUTHORIZING AN EXEMPTION TO METRO CODE CHAPTER 2.04.041(C), COMPETITIVE BIDDING PROCEDURES AND AUTHORIZING A SOLE-SOURCE CONTRACT WITH EASTMAN KODAK COMPANY TO PROVIDE MAINTENANCE AND REPAIR SERVICE ON THE KODAK 300 DUPLICATOR.

---

Date: May 14, 1996

Presented by Pam Juett

### PROPOSED ACTION:

Adoption of Resolution No. 96-2338 authorizing an exemption to competitive bidding procedures, and authorizing the execution of a public contract with Eastman Kodak Company to provide maintenance and repair services on the Kodak 300 duplicator at Metro Regional Center.

### FACTUAL BACKGROUND AND ANALYSIS:

Metro's current contract with Eastman Kodak Company for the maintenance and repair of the Kodak 300 duplicator expires July 1, 1996. Eastman Kodak Company has been the sole source of maintenance and repair on the 300 duplicator since its purchase in 1989. Two previous sole source maintenance and repair contracts have been authorized by the Council through resolutions 92-1634 and 93-1857.

Under the provisions of ORS 279.015 (2)(a)(b), it is proposed that Metro enter into a new three year sole source contract with Eastman Kodak Company to continue maintenance and repair of this duplicator.

### SOLE-SOURCE JUSTIFICATION:

While there may be some independent repair facilities that may claim they can repair the Kodak 300, Kodak does not license or authorize these services on the 300 duplicator. The Kodak 300 duplicator involves use of patented technology in the sole control of Eastman Kodak. In addition, Eastman Kodak is the sole purveyor of sales and replacement parts for the Kodak 300 duplicator. They do not sell replacement parts on the open market, therefore no Kodak parts are available from non-Kodak suppliers.

It is critical to the high volume production in the Print Shop to provide the minimal service response time that Eastman Kodak can provide with its available stock of replacement parts.

The exemption from competitive bidding is sought on the basis that it is unlikely that the exemption will encourage favoritism or substantially diminish competition, and that Eastman Kodak Company is the only provider of authorized service and would be the only available bidder for the reasons stated above.

**BUDGET IMPACT:**

The FY 1996-97 proposed budget includes \$77, 625 for the maintenance and repair on all of the Metro Regional Center copiers. The sole source contract with Eastman Kodak Company is a three year contract totaling \$124,268 total, with \$39,880 estimated to be expended in FY 1996-97. The payments are made in monthly installments based on state and local government pricing of \$663 each, with a per copy charge of .0067 for each copy made.

**Executive Officer Recommendation:**

The Executive Officer recommends approval of Resolution No. 96-2338.
