## STAFF REPORT

IN CONSIDERATION OF ORDINANCE NO. 16-1379, FOR THE PURPOSE OF ANNEXING TO THE METRO BOUNDARY APPROXIMATELY 29.17 ACRES LOCATED AT 25505 AND 25805 NW EVERGREEN ROAD IN HILLSBORO

Date: July 22, 2016

### BACKGROUND

CASE: AN-0616, Annexation to Metro District Boundary

PETITIONER: Mackenzie  
1515 SE Water Ave., Suite 100  
Portland, OR 97293

PROPOSAL: The petitioner requests annexation of two parcels to the Metro District boundary. The applicant annexed the subject property to the City of Hillsboro on May 3, 2016.

LOCATION: The parcels are located at 25505 and 25805 NW Evergreen Road in Hillsboro. The parcels total 29.17 acres in size. A map of the area can be seen in Attachment 1.

ZONING: The property is currently zoned Future Development (FD-20) by Washington County and will be zoned for industrial use (I-S) upon annexation to Hillsboro.

The land was added to the UGB in 2005 and is part of the North Hillsboro Industrial Area Community Plan. The land must be annexed into the Metro District for urbanization to occur.

### APPLICABLE REVIEW CRITERIA

The criteria for an expedited annexation to the Metro District Boundary are contained in Metro Code Section 3.09.070.

#### *3.09.070 Changes to Metro's Boundary*

*(E) The following criteria shall apply in lieu of the criteria set forth in subsection (d) of section 3.09.050. The Metro Council's final decision on a boundary change shall include findings and conclusions to demonstrate that:*

- 1. The affected territory lies within the UGB;*

#### Staff Response:

The subject parcel was brought into the UGB in 2005 through the Metro Council's adoption of Ordinance No. 05-1070A.

- 2. The territory is subject to measures that prevent urbanization until the territory is annexed to a city or to service districts that will provide necessary urban services; and*

Staff Response:

The conditions of approval for Ordinance No. 05-1070A include a requirement that Washington County apply interim protection measures for areas added to the UGB as outlined in Urban Growth Management Functional Plan Title 11: Planning for New Urban Areas. Title 11 requires that new urban areas be annexed into the Metro District Boundary prior to urbanization of the area. Washington County also requires the land to be annexed into the appropriate urban service districts or a city prior to urbanization occurring. The land was annexed into the City of Hillsboro in May 2016. These measures ensured that urbanization would occur only after annexation to the necessary urban service districts is completed.

- 3. The proposed change is consistent with any applicable cooperative or urban service agreements adopted pursuant to ORS Chapter 195 and any concept plan.*

Staff Response:

The property proposed for annexation is part of the North Hillsboro Industrial Area Community Plan. The current Hillsboro Urban Service Provider Agreement, dated April 2, 2003, does not include areas within the urban growth boundary that were added to the UGB after 2002. In June and July of 2009, the City of Hillsboro and Washington County passed resolutions acknowledging commitment and consensus policies for the governance and management of existing unincorporated urbanized areas in the County (aka, "Urbanization Forum" resolutions). City of Hillsboro Resolution No. 2291 states that "all future additions to the applicable Urban Growth Boundary in Washington County during and after 2010 must be governed and urbanized by the interested City" and that "in this context, 'urbanized' means that the interested City has planning responsibility under state law, and land use decision making authority with respect to the subject territory." The area being annexed is within an unincorporated area designated as "urban" by the Washington County comprehensive plan and its annexation will implement and be in conformance with the referenced City and County resolutions. The proposed annexation is also required by Hillsboro as part of a land use application. The inclusion of the property within the Metro District is consistent with all applicable plans.

## **ANALYSIS/INFORMATION**

**Known Opposition:** There is no known opposition to this application.

**Legal Antecedents:** Metro Code 3.09.070 allows for annexation to the Metro District boundary.

**Anticipated Effects:** This amendment will add approximately 29.17 acres to the Metro District. The land is currently within the UGB in unincorporated Washington County. Approval of this request will allow for the urbanization of the parcel to occur consistent with the North Hillsboro Industrial Area Community Plan.

**Budget Impacts:** The applicant was required to file an application fee to cover all costs of processing this annexation request, thus there is no budget impact.

## **RECOMMENDED ACTION**

Staff recommends adoption of Ordinance No. 16-1379.
