

Date: December 6, 2015
To: Metro Council
From: Becky Shoemaker, Metro Records Officer
Subject: Ordinance No. 16-1375

TITLE: *For the Purpose of Adopting a Landfill Capacity Policy and Amending Metro Code Chapter 5.05.*

NOTE TO FILE: This ordinance was withdrawn from consideration before drafted; no documentation available.

REASON FOR WITHDRAWAL: Staff were in the process of drafting an ordinance and staff report when Councilor Bob Stacey elected to remove the item from the agenda and replace it with his own resolution which said that staff finished the work on this project. However, the Metro Council elected to table the landfill policy work and possibly pick it back up sometime after December 1, 2016.
