Metro Council

Portland , Oregon 97232

Dear President Hughes and Councilors:

The Tax Supervising and Conservation Commission met on June 8, 2017 to review, discuss and conduct a public hearing on Metro's 2017-18 Approved Budget. This hearing was conducted pursuant to ORS 294.605 to 294.705 to confirm compliance with applicable laws and to determine the adequacy of estimates necessary to support efficient and economical administration of the district.

The budget was filed timely on May 9, 2017. The Commission hereby certifies by a majority vote of members of the Commission that it has no objections or recommendations to make with respect to the budget.

The Commission noted one budget law violation. This occurred at the end of the 2015-16 budget year. An actuarial review of liability claims resulted in a large increase on a claims reserve. The actuarial review was completed after the budget year ended but before the final year-end closing entries were made. Thus, expenditures were increased too late for a budget change. The district has changed its claims review schedule to eliminate this situation in the future. See the attached letter for full explanation. The Commission will require no more response to this issue.

For 2017-18, estimates were judged to be reasonable for the purpose shown and the document was found to be in substantial compliance with Local Budget Law. The budget estimates and levy amounts, as shown in the approved budget, are shown on the attached page.

Please file a complete copy of the adopted budget with the Commission no later than August 31, 2017.
