- 4.1 Resolution No. 17-4794, For the Purpose of Confirming Appointments to the Metro Public Engagement Review Committee

Council President Hughes called on Ms. Becca Uherbelau for a brief presentation on the resolution. Ms. Uherbelau explained that approval of the resolution would appoint four new members to Metro's Public Engagement Review Committee (PERC). She noted that the committee served as a key component of the agency's efforts to develop successful public engagement processes, practices, and outcomes. Ms. Uherbelau provided an overview of the committee's membership as well as its work plan for the next year. She acknowledged that committee appointments were typically considered as part of the consent agenda, but noted that through public engagement, Metro's community partners and stakeholders had consistently expressed interest in having more opportunities to interact directly with decision-makers. She explained that by having the members introduce themselves, she hoped to advance such opportunities.

Ms. Uherbelau then invited the following new PERC members in attendance to introduce themselves: Ms. Sprinavasa Brown, Catlin Gabel Alumni Program Director and Executive Director for Camp ELSO; Ms. Libra Forde, Chief Operating Officer at Self-Enhancement, Inc.; and Ms. Fiona Yau-Luu, Policy and Advocacy Coordinator for the Oregon Community Health Workers Association. The new members provided overviews of their backgrounds and highlighted their excitement to serve on the committee. Ms. Uherbelau thanked the new members for their commitment and recognized the departing PERC members who had served on the committee for its first six years.

#### *Council Discussion*

Councilors thanked the new committee members for their time and service. Councilor Craddick noted that she was happy to see geographical diversity among the applicants. Councilor Harrington asked about the range of applications received. Ms. Uherbelau explained that 12 applications were received and noted that 75% were women, 66% identified as

people of color, 16% were from Clackamas County, 33% were from Multnomah County, and 50% were from Washington County. Councilors highlighted the importance of PERC's feedback in Metro's work and thanked the members again for their willingness to participate.

Council President Hughes stated that the Metro Council held a work session on the FY 2017-18 budget on Tuesday, April 18. He explained that the Council would hold a public hearing on Resolution No. 17-4769, which would formally adopt the budget, and would not take action on the resolution at the current meeting. President Hughes further clarified that following the hearing, the Council would consider a second resolution approving the budget for transmittal to the Tax Supervising and Conservation Commission for review.

He noted that an additional public hearing on Resolution No. 17-4769 was scheduled for Thursday, June 15, with Council consideration and vote scheduled for Thursday, June 22.

- 4.3 Resolution No. 17-4770, For the Purpose of Approving the FY 2017-18 Budget, Setting Property Tax Levies and Transmitting the Approved Budget to the Multnomah County Tax Supervising and Conservation Commission

Council President Hughes called on Mr. Tim Collier, Metro's Finance and Regulatory Services Director, for a brief presentation on the resolution. Mr. Collier informed the Council that the resolution provided for three actions: it approved the 2017-18 budget, set a maximum property tax rate to be levied by Metro in the coming year, and directed Metro's Chief Operating Officer and staff to transmit the budget to the Tax Supervising and Conservation Commission for review. Mr. Collier provided an overview of the three proposed tax levies for the next year and noted that the proposed budget also increased the full-time equivalent (FTE) employees of Metro by a total of 5.05.

Mr. Collier also highlighted a recommended amendment to the resolution that would provide sufficient appropriations in the General Revenue Bond Fund should the Oregon Convention Center Hotel bond sale occur in FY 2017-18 rather than FY 2016-17 as originally anticipated.
