C. CONTRACTOR and subcontractors shall make records available to METRO, and its authorized representatives, including but not limited to the staff of any METRO department and the staff of the METRO Auditor, within the boundaries

Such costs may be withheld from any sum that is due or that becomes due from METRO.

G. ARTICLE XII RIGHT TO WITHHOLD PAYMENTS

METRO shall have the right to withhold from payments due CONTRACTOR such sums as necessary, in METRO'S sole opinion, to protect METRO against any loss, damage or claim which may result from CONTRACTOR'S performance or failure to perform under this agreement or the failure of CONTRACTOR to make proper payment to any suppliers or subcontractors. In addition for public improvement work, if a CONTRACTOR is required to file certified statements under ORS 279C.845, METRO shall retain 25 percent of any amount earned by the CONTRACTOR on the public works until the contractor has filed all required certified statements with METRO.

If a liquidated damages provision is contained in the Scope of Work and if CONTRACTOR has, in METRO'S opinion, violated that provision, METRO shall have the right to withhold from payments due CONTRACTOR such sums as shall satisfy that provision. All sums withheld by METRO under this Article shall become the property of METRO and CONTRACTOR shall have no right to such sums to the extent that CONTRACTOR has breached this Contract.

ARTICLE XIII SAFETY

Any breach of the above set forth warranty, misrepresentation, or violation of Contractor's covenant to continue to comply with said Tax Laws during the term of the Contract shall constitute a material breach of this Contract. Such breach shall entitle Metro to terminate this Contract, to pursue and recover any and all damages that arise from the breach and the termination of this Contract, and to pursue any or all of the remedies against Contractor available under this Contract, at law, or in equity, including but not limited to direct, indirect, incidental and consequential damages, costs of cure, and costs incurred in securing a replacement contractor, limited specific performance, declaratory or injunctive relief. For purposes of this section, the term "Tax Laws" includes but is not limited to laws ORS 305.620 and ORS chapters 316, 317 and 318, and any tax provisions imposed by a political subdivision of this state that applies to Contractor, to Contractor's property, operations, receipts, or income, or to Contractor's performance of or compensation for any work performed by Contractor, or that applies to goods, services, or property, whether tangible or intangible, supplied by Contractor.

Memo

Date: September 19, 2017
To: Gabriele Schuster, Procurement Manager
From: Josh Lipscomb, OCC Facilities Manager
Subject: Special Procurement Memo for Alerton Controls Service Support Agreement

The Oregon Convention Center seeks approval for Alerton Controls Service Support Agreement as a Special Procurement pursuant to Metro's LCRB Rule 47-0288 (11).

Estimated project term: October 4, 2017 through October 3, 2022
Estimated contract amount: \$250,000.00
Proposed contractor: Environmental Controls Corporation

This project meets the specific requirements for the pre-approved class of Special Procurement as follows:

During the expansion of OCC in 2003, a new Building Automation System (BAS) was installed. The BAS is manufactured by Alerton and is a control system for the HVAC system in the facility. The BAS is manufactured by and maintained by Alerton Controls. Environmental Controls Corporation is the regional provider for the proprietary Alerton control system. The Alerton BAS is the control system for the entire HVAC system in the facility. This agreement is necessary to ensure the ongoing and efficient operation of the Alerton BAS.

Per Rule 14-0288 (11) (c) OCC is permitted to acquire the parts and service for the Alerton BAS from Environmental Controls Corporation in order to maintain compatibility, preserve warranties, and to provide the best possible service as no other contractors in this region are as well-trained or experienced.

This project meets the basic requirements for Special Procurement as follows:

- **No favoritism:** unlikely to encourage favoritism or substantially diminish competition because there is only one provider in the region for certified service and maintenance.
- **Promotes public interest:** in the best interest of Metro in a manner that cannot be practicably realized by complying with competitive solicitation rules.

MERC Staff Report

Agenda Item/Issue: For the purpose of approving the contract with Environmental Controls for “Alerton Control Services Support” for the Oregon Convention Center, and authorizing the General Manager of Visitor Venues to execute the contract.

Resolution No.: 17-31

Presented By: Craig Stroud, Executive Director

Date: October 4, 2017

Background and Analysis:

The Oregon Convention Center (OCC) opened in 1990 and expanded in 2003. With the expansion, OCC installed a new Building Automation System (BAS). The BAS controls the heating, ventilation and air conditioning (HVAC) system for the whole building and is manufactured and maintained by Alerton Controls. Alerton Controls uses Environmental Controls Corporation as the regional provider for their proprietary systems.

Environmental Controls is the only company directly authorized to sell, install and service Alerton Control products in specific Oregon and Washington counties, including Multnomah County. As the Alerton dealer for Oregon, Environmental Controls has factory-trained personnel on staff and access to proprietary products and information that are part of the Alerton BAS.

This service agreement is necessary to ensure the ongoing and efficient operation of the Alerton BAS. Under Metro Code Provision 2.04.053(6) Special Procurement, the Oregon Convention Center is requesting to contract with Environmental controls for Alerton Control Service Support.

Fiscal Impact: Work performed under this contract scope will be funded from OCC operations and maintenance budget, pending adoption each budget year through the contract term of October 3, 2022.

Recommendation: Staff recommends that the Metropolitan Exposition-Recreation Commission, by Resolution 17-31, approve the contract award and written contract (attached hereto) with Environmental Controls, for an amount not to exceed two hundred fifty thousand and 00/100 dollars (\$250,000.00) for Alerton Control Services Support for the Oregon Convention Center and authorize the General Manager of Visitor Venues to execute the contract.
