STAFF REPORT

CONSIDERATION OF RESOLUTION NO. 98-2601 FOR THE PURPOSE OF FILLING A VACANCY ON THE TRAFFIC RELIEF OPTIONS TASK FORCE

Date: January 9, 1998

Presented by: Bridget Wieghart

PROPOSED ACTION

Adoption of this resolution endorses approval of a new member to fill a vacancy on the Traffic Relief Options Study Task Force. It is recommended that Albert R. Bullier, Jr., Senior Vice President of Colliers International, replace sitting member Bob Scanlan, President of Scanlan Kemper Bard Company. Mr. Scanlan has resigned his duties from the task force due to increased commitments related to his business.

JPACT reviewed this matter at its January 15, 1998 meeting and recommended approval of Resolution No. 98-2601.

BACKGROUND

On June 6, 1996, Metro passed Resolution No. 96-2333 for the purpose of endorsing the Congestion Pricing Task Force, a study advisory task force of business and community leaders to oversee the two-year study on Congestion Pricing being undertaken jointly by Metro and ODOT. The task force will be responsible for making a recommendation to JPACT, the Metro Council and the Oregon Transportation Commission as to whether congestion pricing is a traffic management tool that should be pursued within this region and, if so, the parameters of a demonstration pilot to further test the concept.

The task force provides a broad-based, long-range perspective into the issues associated with a possible congestion pricing project in this region. The task force oversees the technical work and public outreach efforts associated with the study to ensure that the topic is comprehensively addressed. Task force members also serve as spokespersons for the study. Further details on the duties and responsibilities of the task force are contained in Exhibit A of this resolution. Exhibit B of this resolution includes a current list of the task force.

We are recommending Albert R. Bullier, Jr. for membership on the task force to replace the vacancy created by the resignation of Bob Scanlan. Mr. Bullier was president of Bullier & Bullier from 1972 until 1996, when Bullier & Bullier was acquired by Colliers Macaulay Nicolls International. Mr. Bullier served as a member by appointment to the State Land Conservation and Development Commission for three years. His in-depth understanding of development issues and experience as a member of LCDC will make Mr. Bullier a valuable addition to the task force.
