

MSD Meeting

January 14, 1972  
1:30 P.M.  
Portland Water Bureau  
Agenda

I. Reports:

- a. Solid Waste Study
  - 1. Loan
  - 2. Advisory Committee
- b. Storm Drainage Program
- c. Rules for Conduct of Meeting

NOTE: While using the Water Bureau Board Room for our meetings some of us have parked our cars in the covered parking area. This has posed some difficulty for the Water Bureau officials and employees who have had stalls assigned to them. Accordingly we are being asked to find parking else where. I am attempting to make arrangements with a neighboring garage but until this is satisfied it is suggested we use the public lots nearby.
