

METROPOLITAN EXPOSITION-RECREATION COMMISSION

RESOLUTION NO. 94-15

Adopting the Support Costs Analysis Report dated March, 1994 and establishing guideline limits as contained in the report.

The Metropolitan Exposition-Recreation Commission finds:

1. There has been a shift in support services from MERC to Metro;
2. The support service costs have been analyzed;
3. Concerns have been raised regarding the rate of growth of support costs;
4. Resolution No. 94-10 recommending reallocation of hotel tax funds to support the PCPA requires that guideline limits for support costs be established;
5. It is prudent to establish guideline limits for support costs to ensure these costs are consistent with the size of business;

BE IT THEREFORE RESOLVED that the Commission adopts the Support Costs Analysis Report and recognizes the proposed guideline limits as an administrative standard to be used and reviewed annually during the budget process.

Passed by the Commission March 30, 1994.
