

METROPOLITAN EXPOSITON-RECREATION COMMISSION

RESOLUTION NO. 97-12

Authorizing extension of the existing MERC Agreement with Friends of the Performing Arts Center to June 30, 1998.

The Metropolitan Exposition-Recreation Commission finds:

1. The existing Agreement has achieved the desired results in defining the relationship between the parties and facilitating the development of the FRIENDS as an effective advocate on behalf of the Portland Center of the Performing Arts; the activities initiated by the parties in 1994 are expected to continue, as the FRIENDS organization matures and grows.

2. Since PCPA is continuing to provide support including office space, telephone and computer services, it is desirable to extend the Agreement and to maintain the momentum that has been developed in the initial years.

Be it therefore resolved that the Amendments as attached to this Resolution be hereby approved and the General Manager is authorized to execute the Amendment on behalf of the Commission.

MERC STAFF REPORT

Agenda Item/Issue: Approving extension of the existing MERC Agreement with Friends of the Performing Arts Center to June 30, 1998.

Resolution No: 97-12

Date: April 9, 1997 **Present by:** Harriet Sherburne

BACKGROUND: In fall, 1993, MERC entered into a general Agreement with the Friends of the Portland Center for the Performing Arts for a one year term ending September 30, 1994; the Parties also entered into a Marketing Services Agreement for \$25,000 to support start-up activities of the tax exempt, non-profit corporation. The general Agreement was amended to continue through June 30, 1996, and to provide continuing support including \$2,500 each fiscal year.

The FRIENDS organization has developed a broad-based program of advocacy, outreach and education in support of the Performing Arts Center and its resident non-profit arts organization. Regular program activity includes publication and distribution of the Calendar of PCPA Events, Brown Bag Lunch Series, Speakers' Bureau, Membership Programs, and capital enhancements of the PCPA facilities.

The FY 96-97 and 97-98 PCPA budgets provide for \$2,500 per year in support for FRIENDS programs, necessitating the formal action to extend the Agreement through June 30, 1998.

FISCAL IMPACT: The proposed amendment provides the necessary frame-work for conveying funds already budgeted for expenditure.

RECOMMENDATION: Staff recommend that the Commission approve the proposed extension amendment.
