MERC STAFF REPORT

Agenda Item/Issue: Authorizing the MERC General Manager to execute an amendment and renewal of the Parking Lot Labor Services Agreement with ACE Parking Management, Inc.

Resolution No: 01-19

Date: May 16, 2001

Presented by: Chris Bailey

Background: Resolution 98-30 authorized Ace Parking Management, Inc. to provide parking lot labor services at the Portland Metropolitan Exposition Center. The Agreement term is for three years ending June 30, 2001 with an option for one additional two-year term. The Agreement also provides that both parties may modify or amend the Agreement in writing.

In reviewing known and potential changes in operation at the Expo Center (the new Exhibit Hall D, revised parking lot configuration, reduced parking capacity, Master Plan implementation and the construction/operation of IMAX), staff and the Contractor have reviewed the renewal conditions and agree that an amendment to the Agreement is in the best interest of both parties.

The amendment would provide for a one-year term and a second year term at the sole option of MERC. The Contractor has proposed parking lot labor rates for both one-year renewal periods, see Exhibit A, and these proposed rates are acceptable to staff.

Fiscal Impact: The proposed rates provide for a 6% increase for cashiers and a 5% increase for the supervisor in year one of the renewal; year two provides for a 4% increase in both labor classifications.

Recommendation: Staff recommends that the Metropolitan Exposition-Recreation Commission authorizes the MERC General Manager to execute an amendment and renewal of the Parking Lot Labor Services Agreement with ACE Parking Management, Inc.
