MERC STAFF REPORT

Agenda Item/Issue: Approving the selection of an architect and authorizing the General Manager to negotiate and execute a Personal Services Agreement with Yost Grube Hall Architecture to provide full architectural services.

Resolution No: 99-25

Date: May 19, 1999

Presented by: Chris Bailey

Background: In accordance with Resolution 99-16, MERC Staff issued a Request for Proposals on April 9, 1999 for Architectural Services associated with the construction of a new Exhibit Hall D. Twenty-five copies of the request were issued and a pre-proposal conference site visit occurred on April 15, 1999.

Two firms responded to the request: Gensler Architecture, Design & Planning Worldwide and Yost Grube Hall Architecture.

As specified in the evaluation procedure/criteria, a selection committee including MERC (Mark Hunter and Chris Bailey) and Metro Staff (Glen Taylor) reviewed the proposals and interviewed the two respondents. Evaluation criteria and subsequent scoring included Project Approach and Management Plan, Staffing, Fee Proposal and Past Relevant Experience. The highest combined score of the proposals and interviews then determined the committee's recommendation.

Fiscal Impact: Based on the proposed scope of work, staff anticipates a total expenditure of approximately \$1,123,000 in FY 1999-00 and \$200,000 in FY 2000-01.

Recommendation: Based upon the evaluation procedure/criteria noted above, the selection committee is recommending the firm of Yost Grube Hall Architecture as the most suitable respondent in meeting the needs of the Commission.

Staff recommends that the Metropolitan Exposition-Recreation Commission approve the selection of Yost Grube Hall Architecture to provide full architectural services for the construction of a new building at the Portland Metropolitan Exposition Center and authorize the General Manager to negotiate and execute a Personal Services Agreement for such design services.
