Dear Hardy:

I apologize for not getting this letter out sooner. As of May 7, 1992 I will no longer be an active member on the Metro Charter Committee. I will be on an extended trip and therefore would like to submit a formal written resignation. I have also notified Speaker Campbell explaining that I will no longer be involved on the Metro Charter Committee. It is up to his discretion to appoint another person to fill my vacancy.

I enjoyed working with the committee, and I wish you and the rest of the committee members success as you finish drafting the charter. I am looking forward to coming back from my trip and seeing the final charter.

Best Regards,

From the Oregon Trail Fort Bridger, Wyoming -

Representative John Meek
