February 27, 1992

MEMO TO: Charter Committee members

FROM: Janet Whitfield

At a previous meeting Larry Derr and Frank Josselson requested that Metro counsel put together a concise list, in possible charter language, of Metro functions currently being performed.

A list written by Dan Cooper follows. The first four items are current Metro functions. The following eight items (5-12) are functions that Metro has the authority to undertake.

1. Regional urban growth management including but not limited to regional goals and objectives for land use planning, urban growth boundary management, and functional planning.

2. Zoo facilities

3. Solid waste and liquid waste disposal

4. Cultural, trade, convention, exhibition, sports entertainment and other spectator facilities

5. Parks, open space, and recreational facilities

6. Public mass transportation

7. Sewage disposal

8. Drainage

9. Water supply

10. Criminal and juvenile justice facilities, planning, and programs

11. Human services, planning, coordination, and evaluation

12. Library activities
