

Greenspaces Technical Advisory Committee

Meeting Notes:

GTAC meeting
May 9, 2001
1 to 3 p.m.
Metro Regional Center, rm. 370

Regional Greenspaces System Map

Jennifer Budhabhatti of Metro Regional Parks and Greenspaces presented an overview of the work to date on the draft Regional Greenspaces System Map that GTAC and other local "experts" have been reviewing since last fall. She explained the technical outreach process and criteria used to generate the top 200 regionally significant natural areas on the current draft map. She discussed the latest map refinements including additional modeling of natural areas with a new emphasis on upland areas and the coordination with Metro's Goal 5 riparian corridor inventory work. A matrix compiling all the comments generated throughout the map review process and copies of the draft map were distributed to GTAC for further study. The deadline for comments has been extended to June 5, 2001. Please call Jennifer at (503) 797-1876 or e-mail your comments to budhabhattij@metro.dst.or.us. *Matrix is attached; call or send e-mail for a copy of the map.*

Next Meeting: Wednesday, June 13, 2001 at Metro Regional Center in Room 370 from 1 to 3 p.m.
