

# METRO REGIONAL PARKS AND GREENSPACES

## Greenspaces Technical Advisory Committee

---

### Meeting Notes:

GTAC/Quarterly Trails Meeting  
January 10, 2001  
1 to 3 p.m.  
Metro Regional Center, rm. 370

---

### Regional Trails and Greenways Plan

Mel Huie of Metro's Regional Parks and Greenspaces Department led the group through several documents related to the Regional Trails and Greenways Plan for discussion and approval. A few changes were made to the *Glossary of Terms* and the *Criteria for Determining Regionally Significant Trails and Greenways* before they were unanimously approved (see attached for approved versions). The proposed additions of the North Willamette River Greenway Trail, the Willamette Trolley Shoreline Trail, the East Buttes Loop Trail and the Sullivan's Gulch/Banfield/I-84 Corridor Trail to the Regional Trails and Greenways Plan were all unanimously approved (see attached for more information). The group began discussion of the matrix of comments received about the Regional Trails and Greenways Map. This discussion will continue at the February meeting.

### MTIP Update

Bill Barber of Metro's Transportation Department presented information about the Metropolitan Transportation Improvement Program. Since the meeting, the Metro Council has approved the project nomination process and the project solicitation period has been extended through April 2. For more information, call Metro's transportation hotline at 503-797-1900 option 2.

### GTAC Roster Review and Update

Heather Nelson Kent of Metro's Regional Parks and Greenspaces Department distributed the current roster of GTAC representatives. Metro is updating its records and will be asking the jurisdictions to confirm their representatives, probably via e-mail.
