### **“Rails with Trails” presentation by Mia Birk, Alta Consulting**

1:15 – 1:55 (40 minutes)

Alta Consulting has a contract with the U.S. Department of Transportation to study “Rail with Trail” projects in the U.S., Canada, Australia and Europe. These case studies include information on design, safety, liability, working with railroad companies, and operations and maintenance.

Examples of local “Rails with Trails” projects include:

- OMSI to Springwater Trail (next to the Oregon Pacific Railroad Co. tracks between the Ross Island and Sellwood bridges)
- Steel Bridge (trail next to the Union Pacific/AmTrak lines)

Future projects may include:

- Willamette Shoreline Rail with Trail
- Sullivan’s Gulch / I-84 Trail (N. side of freeway next to UP RR line & Eastside MAX)
- Westside MAX: Hillsboro north to future Intel Campus

### **Update on Regional Trails Projects**

1:55 – 2:05 (10 minutes)

- Peninsula Crossing
- OMSI to Springwater
- Palmsblad to Rugg Rd.
- Fanno Creek Greenway Trail
