Goal 5 Update/Stakeholder Interview Report

Rosemary Furfey of Metro's Growth Management Services reported on the progress of Goal 5 work and the results of several recent public involvement efforts. 250 people participated in a series of policy workshops and open houses in late April and early May--a report summarizing their response will be available around the end of July. For more information about Goal 5, please contact Jennifer Budhabhatti at 797-1876 or Rosemary Furfey at 797-1726.

Natural Areas Protection Plan (Parks Functional Plan) Update:

Compendium of Regulatory/Non-Regulatory Protection Measures - Draft

Jennifer Budhabhatti presented a draft of the policy paper "Compendium of Regulatory and Non-Regulatory Policies for Natural Areas and Parks Protection" for review by GTAC. (The purpose of the paper is to identify successful strategies to encourage private landowners to conserve and protect natural resources, and to discuss the related issues. The study looks at regulatory and non-regulatory strategies used elsewhere and will employ a survey of stakeholders and program administrators.) For a copy of the draft report or to comment on the report, please contact Jennifer Budhabhatti at 797-1876.

Work Plan, Year 2

Jennifer Budhabhatti presented a draft work plan for the second year work of the Regional Framework Plan. See *enclosed copy*. Please give your feedback to Jennifer at 797-1876 or be prepared to comment at the July GTAC meeting.

Metro Salmon Recovery Coordination

Dave Moskowitz, Metro's new Regional Salmon Recovery Coordinator, introduced himself and discussed Metro's response to the ESA listings and future role in regional fish recovery efforts. For more information, please call Dave Moskowitz at 797-1579. *There will be an ESA workshop for local jurisdictions and districts at Metro Regional Center following the GTAC meeting on July 14.*

Open Spaces Bond Measure: 4th Year Anniversary Report

Jim Desmond of Metro's Open Spaces Acquisition Division presented a slide show and update of the bond measure acquisition program. Metro has acquired more than 4,400 acres of regionally significant land in 146 separate property transactions. For a copy of the 4-year *Report to Citizens*, please call 797-1555.

Bond Measure Local Share Update and 6-month Extensions

Mel Huie reported on the status of the Local Share projects and announced the availability of six-month extensions. Call Mel at 797-1731 for more information.

Master Planning Guidelines

Jane Hart presented a draft of the Master Planning Guidelines for publicly owned components of the regional system. Please review the *enclosed copy* and bring your feedback and comments to the July GTAC meeting.

NEXT MEETING: *Wednesday, July 14, 1999, 1 to 2:30 p.m. at Metro Regional Center, Room 370*

Immediately following the July GTAC meeting, you are invited to either attend the ESA Workshop (2:30 in the Council Chambers at Metro Regional Center) or join us for a sneak preview tour of the Willamette River Eastbank Floating Trail.
