To:

**Metro Councilors** 

**Executive Officer** 

From:

Charles Ciecko, Director, Regional Parks and Greenspaces Departmen

Jim Desmond, Manager, Open Spaces Acquisition Division

Subject:

Quarterly Report - Open Spaces Bond Measure

Period Covered: October 1 to December 31, 1998

Pursuant to the Open Spaces Implementation Work Plan, the Executive Officer or his designee is required to prepare and present a quarterly update to the Council summarizing activity in each of the target areas. The Executive Officer has asked the Regional Parks and Greenspaces Department to prepare the summary that follows.

## **Acquisition**

Metro total to date:	4008.33	acres acquired	136 acquisitions
Regional funds total to date: % of 6,000-acre regional goal:	3,981.93 66%	acres acquired	128 acquisitions
Multnomah Co. funds total to date:	<b>26.4</b> .	acres acquired	8 acquisitions
FY95-96:	936.07	acres acquired	16 acquisitions
FY96-97:	1,416.63	acres acquired	44 acquisitions
FY97-98:	1,035.45	acres acquired	44 acquisitions
FY98-99 first quarter:	301.3	acres acquired	8 acquisitions
FY98-99 second quarter:	292.48	acres acquired	16 acquisitions
FY98-99 goal per work plan	4.000		
and budget:	1,000	acres	

A significant milestone was reached this quarter when we surpassed 4,000 acres of acquired open space (including the 26 acres purchased by Metro with Multnomah County local share bond funds), putting us more than two-thirds of the way to the goal of 6,000 acres. This quarter was one of the most active in the history of the program with 16 closings, including three particularly noteworthy purchases:

# Open Spaces Quarterly Report January 5, 1998

- East Buttes/Boring Lava Domes (Van Zyl) Nearly 60 acres of wooded hillside inside the City of Gresham and adjacent to 200 acres previously purchased by the City.
- East Buttes/Boring Lava Domes (Chia Development Corporation) 40 acres of forested slopes on Mt. Talbert, adjacent to 67 acres purchased by Metro earlier in 1998. The nearly 110 acres of publicly-owned mixed hardwood and conifer forest atop Mt. Talbert are visible throughout the Portland region and complement the rapidly urbanizing area along Sunnyside Road.
- Tryon Creek Linkages (Wilson) Nearly 9 acres which connect Tryon Creek State Park and the City of Portland's Marshall Park, and include significant frontage on Tryon Creek.

Second quarter acquisitions are listed below. Total acquisitions are listed in the attached spreadsheet.

East Buttes/Boring Lava Domes: 75% of acre goal; 119% of allocated dollars for East Buttes/Boring Lava Domes; 34% of Options allocated dollars

- 1.71 acres: MJD Development, Inc. (25% City of Portland)
- 0.8 acres: Djojonegoro (25% City of Portland)
- 15.45 acres: Brownwood (28.8% City of Portland)
- 5.01 acres: Marincus
- 2.64 acres: Nicholson
- 5.12 acres: Boros
- 39.98 acres: Chia Development Corporation (25% NCPRD)
- 59.54 acres: Van Zyl

Forest Park: 114% of acre goal; 47% of allocated dollars

• 0.71 acres: Harrold

Gales Creek: 33% of acre goal; 42% of allocated dollars

45 acres: Maroon

- • 1.8 acres: Moore Revocable Trust

Sandy River Gorge: 91% of acre goal; 62% of allocated dollars

• 40 acres: American Hellenic Educational Center

Tryon Creek: 158% of acre goal; 150% of allocated dollars

• 8.53 acres: Wilson

Willamette River Greenway: 54% of acre goal; 44% of Willamette River Greenway allocated dollars; 21% of Options allocated dollars

- 49.30 acres: Pemberton (Willamette Narrows)
- 16.64 acres: Heerman (Multnomah Channel)
- 0.25 acres: MGD Properties (Canemah Bluff) (donation).

Open Spaces Quarterly Report January 5, 1998

# **Due Diligence**

Completed due diligence on all closed properties listed above; commenced due diligence on 15-20 additional properties currently under option, being negotiated or otherwise under consideration for acquisition.

# Peninsula Crossing Trail

Segment one of the Peninsula Crossing Trail from Willamette Boulevard north to Columbia Court was completed. A grand opening and dedication ceremony was held on Oct. 3. (See Community/Special Events for more details.) Metro continued negotiations with Oregon Department of Transportation (ODOT) on an intergovernmental agreement regarding the North Portland road segment of the trail. Metro will design and build the trail in the ODOT right-of-way, and the State of Oregon will own and maintain it. A Friends of the Peninsula Crossing Trail group formed at an organizational meeting in December, with administrative assistance from Metro staff.

### **OMSI to Springwater Corridor Trail**

Metro signed a Letter of Agreement with Portland Parks that includes a work plan, budget and time line to design and build the OMSI to Springwater Corridor Trail. Completion is targeted for the end of 1999 or early 2000.

Oregon Pacific Railroad has begun relocating the railroad track from the west side of the berm to the eastside. The relocation work is starting from the north end of the corridor and is expected to be completed by the agreed date of April 30, 1999.

The City of Portland and Metro requested public input on the OMSI to Springwater Corridor Trail design at the following outreach meetings: Brooklyn Action Corps and Neighborhood Association; Sellwood Moreland Improvement League (SMILE); City Bike Advisory Committee; Friends of Oaks Bottom; 40-Mile Loop Land Trust; and an ad hoc Neighborhood Advisory Committee.

Dec. 1998 Open spaces web site updated. Includes slide images of acquisitions, restoration work and "work in progress" on the Peninsula Crossing Trail.

One new site added: Tualatin River Access

### Community/Special Events

Oct. 1998 Peninsula Crossing Trail grand opening event; approximately 150 neighbors, elected officials and trails advocates attended (in the pouring rain). Event included a bicycle give-away (two bikes were donated by Weir's Cyclery); entertainment (Roosevelt High School Marching Band and the McMenamins Marching Band); a ribbon cutting ceremony; trail tours and lunch. Attended by Metro Councilors Jon Kvistad and Ed Washington, Metro Executive Officer Mike Burton, and Portland City Commissioners Jim Francesconi and Erik Sten.

### **Multnomah County Local Share**

### **Springwater Corridor Trail East County Segment**

Portland Parks is under contract with Metro to design and construct the east county segment of the Springwater Corridor Trail from Palmblad Road to Rugg Road. Portland Parks and Metro held citizen design workshops earlier in the year, and design work is nearing completion. After bidding, a construction contract is expected to be awarded by summer 1999.

### **Burlington Bottoms Bridge**

Working with Bonneville Power and the Oregon Department of Fish and Wildlife, local share funds were used to replace a burned out bridge at the Burlington Bottoms wetland site. A flatbed railcar was used for the bridge replacement. This is a good example of creative design and recycling.

#### Whitaker Ponds

Metro and the City of Portland signed an intergovernmental agreement to transfer management of Whitaker Ponds (14 acres) to Portland Parks and Recreation.

### **Oxbow Park Improvements**

A consultant was selected to develop the Oxbow Park Master Plan, which will include bond-funded improvements.

### **Local Share**

To date, twenty-two (22) jurisdictions/park providers have drawn down funds from the local share fund for 60 different projects. Six jurisdictions have completed their intergovernmental agreements and drawn all of their allocated local share funds. A summary of local share draws is attached. The following is a summary of local share activity to date:

Total local share bond funds disbursed to date:*	\$12,031,506
Total-local share bond funds disbursed 2nd quarter:*	\$744,066
% of bond local share (\$25 million) disbursed to date:*	48%
Number of local share projects funded to date:*	· 60
Local share funds remaining:*	\$12,968,494

<sup>\*</sup> Estimated figures available as of December 30, 1998; complete first quarter figures are not available until January 15, 1999.

### **Regional Fund Summary**

Total regional share bond funds disbursed through Nov. 30, 1998: \$61,016,942 % of regional bond funds (\$110.6 million) disbursed Nov. 30, 1998: 55% Regional share funds (including interest and other revenue) remaining (approximate) as of Nov. 30, 1998: \$69,546,373

January 11, 1999

Councilor Rod Monroe, Presiding Officer Metro Council 600 N E Grand Avenue Portland, OR 97232

Dear Presiding Officer Monroe,

Congratulations on your selection as Presiding Officer of the Metro Council for 1999. The Regional Parks & Greenspaces Advisory Committee looks forward to working with you and the rest of the Council in the coming year.

Last October, the RPAG Advisory Committee sent a letter to then Presiding Officer Jon Kvistad which strongly recommended the appointment of a "tax study committee" to consider a region-wide auto rental tax as an opportunity to increase funding for Metro parks and associated programs. We never received a response, although we recognize that the Council was preoccupied with the difficult decisions surrounding the UGB expansion.

With those issues at least partially resolved, I am re-submitting the original letter (copy attached) at the request of the RPAG Advisory Committee.

As we have indicated to Executive Office Mike Burton, enhanced funding for Parks & Greenspaces is our top priority and an issue which we hope you will seriously consider, especially in light of declining Metro general fund resources. As indicated previously, we stand ready to assist in any way we can. We look forward to your response.

Best regards,

John Griffiths, Chair

Re: Regional Parks & Greenspaces Department Funding Needs

Dear Presiding Officer Kvistad,

The Regional Parks and Greenspaces Advisory Committee voted unanimously at its September 8, 1998, meeting to recommend the Metro Council appoint a "tax study committee" within the next six months to consider a region-wide auto rental tax as a method of enhancing funding for Parks Department facilities and programs.

Our recommendation comes in response to a request from citizen advocates who approached the Executive Officer, Mike Burton, about commencing a process to identify and implement a source of funding for the planning, development and ongoing operations of the Parks Department.

Tom Imdieke, Administrative Services Budget Analyst, presented a 5-year projection addressing <u>current park facilities and programs</u>. What we learned is significant.

### Draw-down on the Regional Parks Fund:

- could begin as early as FY 1999-2000 by \$178,422
- and could result in fund balance depletion as early as 2002-03.

The obvious result would be:

- a greater demand on the general fund and/or
- a significant decrease in some services and the disappearance of others.

In rounding out the Department picture, Charles Ciecko presented general estimates of needed resources. Based on conservative assumptions, the estimates are as follows:

#### Current Facilities Improvements

Unfunded Master Plan recommendations - \$10 million (projected completion in 5 to 8 years)

<u>Properties which are currently landbanked or are expected to be purchased with proceeds from Measure 26-26.</u>

- Master Planning \$700,000 to \$1 million (projected completion in 5 to 7 years)
- Development \$34 million to \$40 million (projected completion in 5 to 8 years)
- O&M \$3.5 million (annually)

In the nearly five years since Metro assumed management and subsequent ownership of regional parks from Multnomah County, many important objectives have been achieved. However, achieving the vision of the Metropolitan Greenspaces Master Plan, and more recently, Chapter 3 of the Regional Framework Plan will require accelerated and sustained investments. We recognize that full implementation may require a variety of funding sources including user fees, grants, bond measures, niche taxes and so-called "green taxes".

We further recognize that currently it is not possible to estimate all costs associated with the implementation of a regional system of parks and greenspaces. Nonetheless, enough of the picture is clear to justify and support our recommendation to begin a formal process of evaluating a region-wide auto rental tax or other revenue source for the purpose of enhancing funding for Metro Regional Parks & Greenspaces facilities and programs. As an example of the impact that could be made, early estimates of revenue potential from a 5% tax on auto rentals of thirty days or less are in the range of \$4 million to 6 million per year. This could delay the draw-down indefinitely.

The Regional Parks and Greenspaces Advisory Committee feels strongly that enhanced funding for the purpose of generating master plans for land banked properties and implementation of existing unfunded master plans should be in place and available by FY 2000-2001.

Thank you for your careful consideration of this recommendation. We look forward to your response.

Sincerely,

John Griffiths, Chair

# CITIZENS WANTED TO SERVE ON ADVISORY COMMITTEE for METRO REGIONAL PARKS & GREENSPACES DEPARTMENT

Metro's Regional Parks and Greenspaces Department has four openings for citizens on the Metro Regional Parks and Greenspaces Advisory Committee. The committee reviews, comments and makes recommendations to the Metro Executive Officer, Metro Council and parks department on the policies, plans, programs, fee structure for parks, and the proposed annual budget for the Regional Parks and Greenspaces Department.

The membership of the advisory committee consists of:

- One citizen from each of Metro Council districts 1-7. You must reside in one of these districts (See attached district map).
- One citizen residing in Multnomah County, but outside of Metro's boundaries.
- One citizen residing in Clackamas County, but outside of Metro's boundaries.
- One citizen residing in Washington County, but outside of Metro's boundaries.
- One citizen residing in Clark County, Washington.

Position openings currently exist for committee representatives to serve from Multnomah, Clackamas, Washington and Clark counties outside Metro boundaries.

Committee members serve a term of 3 years. Metro's Executive Officer will nominate one candidate for each position. All nominees are then subject to Metro Council confirmation.

The advisory committee meets monthly (currently 1st Tuesday of the month, 6-8PM), and more often if needed. Meetings are held during evenings at Metro's headquarters at 600 NE Grand Avenue in Portland. Committee members have opportunities to get involved with a variety of park-related public involvement meetings, community events and activities. Field trips to view Metro's regional parks and facilities, habitat restoration projects, acquisition and trail projects are scheduled as needed.

Metro, the regional government, serves 1.3 million people who live in Clackamas, Multnomah and Washington counties and the 24 cities in the Portland metropolitan area. Metro provides regional services that guide growth and help ensure that livable communities are created and maintained in the future.

For more information about the advisory committee call Ron Klein at (503) 797-1774 or e-mail at kleinr@metro.dst.or.us.

Apply soon. Committee vacancies will be filled by March 31, 1999.
