Dear Rick:

There will be no meeting of the Regional Parks and Greenspaces Advisory Committee (RPAGAC) in November. Budget development, master planning activities, growth management planning and other policy issues facing the department are not at a point to require advisory committee review and consideration.

The next meeting of the RPAGAC will be on Tuesday, December 10, 6PM to 8:30PM at Metro. This meeting is not the usual 3rd Tuesday of the month meeting, but has been moved to better coincide with the budget process, approval of the Howell Territorial Park master plan and to avoid possible holiday conflicts. I will send a detailed agenda and related support documents the first week of December.

Happy Thanksgiving.
