Gentlemen:

The assignment of Permits Numbered R-8298 and 45974 from the U.S. Fish and Wildlife Service to you has been recorded in the records of the Water Resources Department. Our records have been changed accordingly, and the original is enclosed.

Our Receipt Number 42714 covering the \$10 recording fee along with a copy of this letter is being sent to Mr. John W. Kincheloe, Project Manager of the U.S. Fish and Wildlife Service.

Since Smith and Bybee Lakes Reservoir has been filled, the next time our field representative is in the area, our usual field inspection will be conducted.

In the meantime, the permits serve as valid evidence of the rights in question as long as water is used.

Sincerely,

Thomas E. Shook
Senior Water Rights Examiner
