Nancy,

At the June meeting of the Neighborhood Chairs Network, the citizen vacancy for the Smith and Bybee Management Committee was considered. After some discussion, Patt Opdyke was nominated to fill this position. Ms. Opdyke was selected for her work advising watershed councils, her work on the Pen. 1 NRMP, and her community work such as the Peninsula People's Farmers Market. I have contacted her and she has agreed to be a community representative to the committee if the scheduled meetings do not conflict with her once a month work meeting. Please call Patt at 978-0540. She would appreciate knowing a bit more about the committee, in particular the meeting schedule.

Please call on me if you have questions.
