Dear Mayor Becker:

It has come to my attention that on Thursday, at the Four Cities Meeting, we will be looking at our regional representatives to JPACT and MPAC. It appears there has been some confusion about the bylaws of JPACT (Joint Policy Advisory Committee on Transportation).

I have enclosed a copy of the JPACT bylaws for your review. The relevant portion is on page 3, Section 2(b) Appointment of Members and Alternates. Hopefully we can get back on track with the upcoming selection of JPACT members.

Please call me if you have any questions or would like to discuss this further.

Sincerely,

Subject: JPACT membership

Gresham is incorrect in stating that Jim Kight is in mid-cycle as a representative to JPACT. Because he was not reappointed as the JPACT member at the end of 1998, he is currently on JPACT without appointment.

The attached letter to Andy Cotugno from Charles Becker, dated March 29, 1999, states only that Jim Leuthauser was elected as the JPACT alternate. The letter does not reappoint Jim Kight.

I apologize that I have been too busy to share this information with others. I believe the four cities need to reexamine its representation at JPACT and elect a member for a new 2-year term.

Please notify immediately if not received properly.

SUBJECT: East Multnomah County Representation on JPACT

In reviewing the bylaws of JPACT, it appears that the East County cities may have fallen out of compliance. According to the attached letter which you sent to Andy Cotugno last March, Jim Leuthauser was elected to serve as alternate to JPACT, but it is not clear whether there was a vote in 1999 to reappoint Jim Kight as the JPACT member.

As a result, Jim Kight may not be in the middle of his term, but rather serving on JPACT beyond the end of his term. I believe the Four Cities Meeting tomorrow would be a possible time to rectify any possible mistake and elect a representative for a new two-year term.

Please call me if you have any questions or concerns. I look forward to seeing you tomorrow.

Re: 97-98 JPACT Representatives, Multnomah County Cities

Dear Mike:

Following your letter of October 7, 1996, the East METRO Cities Regional Issues Forum of October 24th considered the question of JPACT representation. Councilors Claudiette LaVert of Gresham and Jim Kight of Troutdale were nominated as member and alternate respectively. The nomination was made with the understanding that should Councilor LaVert not be reelected, Councilor Kight would assume the member position and Gresham would designate the alternate. Therefore, as a result of that action I am forwarding to you the revised nomination of Councilor Kight as the member and Gresham Councilor Jack Gallagher as the alternate for the upcoming two year term of JPACT. The Gresham Council concurs in the alternate designation.

Because the nomination occurred through consensus of the East Multnomah County cities we have fulfilled the intent of the bylaws and do not believe further ballot to the mayors would be needed. As we have done in the past, Gresham Transportation Planning staff is ready to provide staff assistance to both member and alternate.

Yours truly,

Dear Gussie:

Councilors Giusto and Schmunk's term on JPACT will expire on November 23, 1994 as member and alternate, respectively. According to the JPACT bylaws, it is the responsibility of the largest city in Multnomah County to convene a forum for the purpose of nominating representatives to serve as member and alternate. Following notification of your nominees, Metro will circulate a ballot to the mayors of each city within your jurisdiction. This position will be a two-year term on JPACT effective November 24, 1994.

The person receiving the most votes will become the JPACT member; the runner-up will serve as alternate.

Dear Ms. Moran:

Angela

Mike Hogle will be sending you a letter shortly summarizing the issues we discussed at our meeting on Wednesday, November 22. As I explained in our meeting, public dollars are watched carefully. We as public officials have been entrusted with that money, and we must be accountable to the public for every penny of it.

I hope you understand that my thoroughness in examining any proposal arises from the seriousness with which I take my responsibility for the public money. If I fall short, I add to the public distrust of government, which adds to the difficulty in helping your project or others like it in the future.

I appreciate your taking the time to explain your business venture to us. It sounds innovative and exciting; I hope you continue to pursue it.

Sincerely,

Dear Ms. Lahsene:

This is just a short note to thank you for taking time out of your busy day to meet here with Angela Lima-Moran, Mike Hoglund, and me on Wednesday, November 22, 2000. I especially appreciate your willingness to explain to Ms. Moran the Port's contract requirements and other such details. It was not an easy meeting, and you went above and beyond the call to be so helpful.

Again, thanks.

Sincerely,
