>>> "Lisa Bryant" <lisab_43@hotmail.com> 03/01/01 10:35PM >>>

Hi, my name is Lisa Harr Bryant. I am a Graduate student in the Masters of Public Management Program at East Tennessee State University in Johnson City, Tennessee. I am currently working on a final research paper for my Local and Regional Planning class. I have family living in Portland and Roseburg. I have been to Portland several times, and I remember as a child I was totally fascinated with the city. Now that I am studying about the things you have done to make Portland so great, I realize why I have always loved spending time there.

I have chosen to do my paper on the City of Portland. I am particularly interested in Growth Management and Smart Growth. I am sure that I will choose a more narrow subject, but have not yet made that decision. One area of concentration I have been considering is neighborhood and street planning. My aunt has lived in Tigard, Beaverton, and now West Linn; and my sister and brother-in-law live in Lake Oswego. The feeling of strong community just radiates from almost all of the streets I have seen in Portland.

I will be visiting Portland March 10th through March 14th. I would like to set up a time on Monday, the 12th, or Tuesday, the 13th, when I could talk with you or someone from your office.

I really appreciate you taking the time to read this e-mail. If you have a free moment on either of those days, please contact me either by e-mail or phone; e-mail: lisab_43@hotmail.com, phone: (423)245-3745.

Thank you,
Lisa H. Bryant

Chair Randall,

Please accept this letter as my resignation from the Multnomah/Washington Counties Regional Investment Board. My personal, professional and elected duties do not allow me to continue serving.

To Whom It May Concern:

Please accept this letter as my nomination of Mayor Roger Vonderharr, City of Fairview, for the Mayor of the Year award.

As a citizen and business owner, I have found Mayor Vonderharr to be an able and effective advocate in promoting and validating his community. As an elected official, I commend Mayor Vonderharr's involvement in issues that affect not only his city and my district of representation, but the entire metropolitan community. His knowledge of and involvement in matters of affordable housing, transportation and growth management make him an effective advocate and regional partner.

It is no longer possible for an elected official to function strictly within his or her jurisdictional boundaries. Mayor Vonderharr is skilled in his quick understanding and comment on complex regional issues.

Your consideration of him for this award is greatly appreciated.

Sincerely,

Rod Park, District 1

Dear Scholarship Committee:

I am an elected official serving a regional government. Ms. Harold has been my aide for the past year, and although I hate to lose her services, I am glad for her sake that she has elected to pursue graduate studies.

As my aide, she has staffed the Metro Council's standing committee on Growth Management. The topic is complex and contentious. She has demonstrated the ability not only to understand the complex legal and political issues involved, but also to clearly communicate those issues to a lay public.

She has demonstrated that she has the emotional stability – and sense of humor – to work with a diverse public. She writes well, is articulate, and is extremely well organized. She has demonstrated an exceptional work ethic, which indicates that she has the focus and the character to accomplish whatever she sets out to do.

Ms. Harold has also shown an interest in and an aptitude for new communications technologies. She has assisted our archive specialist in cataloging massive public records using the "TRIM" system. She has also taken the lead in organizing boxes of physical records for court review. In doing these jobs she has demonstrated a concern for accuracy, good attention to detail, and an understanding of organizational structures. She often helps others in the office with computer software problems, and I understand she worked in computer labs during her undergraduate years.

She has never been satisfied with just doing her job, but seems to need to understand the underlying issues. Given her intellectual curiosity, her character, and her natural ability, any graduate school in the country would benefit from her intellectual contributions, and any library in the country would be lucky to have her as an employee.

Sincerely,

Rod Park

I spoke with Dr. Silverman today, a follow-up from Councilor Park's meeting with him on July 9.

He asked that I come and meet him again to talk details about facilitators and table talks. I have asked Karen Blauer to join me.

The meeting will be held on August 20 at 1:30 p.m. in Dr. Silverman's office.

We will craft clear requests in advance including facilitators, hosting a table talk, providing other volunteers (note-takers, conference greeters) and possibly radio promotion. If you have other suggestions let us know.

Thanks, KW

Dear Mr. Park:

On behalf of artistic director David Shifrin and the Board of Directors of Chamber Music Northwest, I am pleased to invite you, as an elected official, to join us for a special concert in our 31st summer festival. We hope you can join us, so that we may officially thank you for your important role in helping support the arts in the Portland metropolitan area.

The concert takes place on Sunday, July 15, at 4:00 P.M., at Reed College in Kaul Auditorium. Attenders may stay after to enjoy a catered picnic outside on the Reed College lawn, at 6:00. The program features well-loved music of Mozart, Bach, Schumann and Brahms, and is entitled "*Remembering David Golub*" to honor our pianist who had come to Portland for 23 years to perform at CMNW. Performers include David Shifrin (clarinetist), pianist Anne-Marie McDermott, violist Paul Neubauer, and cellist Timothy Eddy. (Complete program information is attached.)

Chamber Music Northwest will provide a pair of complimentary tickets for you, and the picnic supper will be no-host, catered by Bon Appetit of Reed College. Please contact Adrienne Leverette at our office (503-223-3202) to confirm your attendance and reserve tickets.

We hope you can join us at Chamber Music Northwest this summer, to enjoy a performance by a Portland arts organization whose continuing excellence and success you are helping to ensure through your public support of the arts. I look forward to greeting you on July 15!

Thank you for your presentation at our CPO. Your explanation of Metro's role in the Damascus Conversation is reasonable and I agree - appropriate.

Dear Kelly,

I wanted to thank you for taking our request to your Board of Trustees for sponsorship of Metro's "Where do we grow from here? Let's talk" workshops.

We very much appreciate the \$1,000 donation. Believe me, it will be put to good use! If you haven't done so already, stop by one of them and listen in (or talk!). There's one scheduled for November 20th at 205 SE Grand at Alternatives to Growth Oregon. We've had some terrific feedback – you might find it interesting. More talks are posted on our Web site (www.metro-region.org).

Again, Kelly, thanks for your help.

Sincerely,

Dear Councilor Park:

Thank you for your letter of October 12th inviting sponsorship participation by the Home Builders Association in Metro's "Where do we grow from here? Let's talk" efforts.

Because HBA's public relations budget has been committed for the year, I've referred the request to the Metro Portland Housing Industry Foundation. A 501(c)(3) charitable organization with a separate Board of Trustees chaired by Rudy Kadlub, one of the Foundation's main goals is educating the public about the role of housing in land use and urban planning. The trustees' next meeting is on October 29th and I will suggest that your request be added to the agenda.

Thanks again Rod. . .we'll let you know of the Foundation's decision as soon as possible.

Sincerely,

Kelly Ross
Vice President, Government Affairs
