Dear Sir or Madam:

The Gethsemane Church Of God In Christ, a Church institution serving the Portland community for over thirty (30) years, is in need of a complete restoration-- including painting interior/exterior, staining and finishing of all wood-work. I, a reputable community leader and Pastor of this congregation with most humbleness request your support and prayer in assisting us with this project.

The members of our congregation, though few in number, are contributing personal finances, sponsoring benefit dinner and similar activities for the cause. Although these efforts are made, because of the various and costly expense involved, your contribution is much needed and appreciated.

With the Church being a vital source linking the home, the school and businesses to create the community, our desire is to continue extending guidance, direction, expressions of love and a view of hope to those we reach out to. It, too, is our desire to provide a comfortable and accommodating place to assemble for "whoever" desires to come.

Please direct any inquiries or correspondence to: Brother Winfred, Chairman, GETHSEMANE C.O.G.I.C. RESTORATION FUND, 1324 N. Holman, Portland, Oregon 97212 (503) 2853618.

Any attention and consideration given this letter is appreciated. With your support and prayers, this dream can become a reality.

Yours In Christ

Elder W. L. Menefee

WLM/d

Dear Sir:

We the members of the Gethsemane Church would like to thank you and your Company, for the attention given the letter we submitted to you.

We would like to brief you on exactly what we are doing, and the goal we plan to accomplish.

As you know, We are in the process of restoring our kitchen and banquet hall, as well as our office area and Sanctuary. The purpose of this restoration project is to beautify these areas to its immensity so that it will project a feeling of elegance, and that it will magnify and stimulate growth and a will to do within the community.

We are located in a community that was once known for its Gang Violence, Drug Abuse, prostitution and Crime.

At the completion of our restoration project, We will address the needs of the Homeless, the Sick, the Elderly, and our mis-guided Youth.

Our Agenda

- (1) Misguided Youth:
To provide after School Programs offering Art and Crafts, Computer Training, Tutoring, and Music.
- (2) Homeless:
To provide Shelter, Food, Clothing and direction.
- (3) Sick and Elderly:
To provide Transportation, Social Instruction and Meals.

We at Gethsemane feel compelled to share the wisdom and love that Christ has put in our hearts with the community. A commitment from you, Will help our project be successful.

Sincerely yours,

Elder W L. Menefee

The carpet was removed by Hoffman Construction Company during the course of the renovation process and would have been disposed. Your church will need to provide a vehicle of sufficient size and capacity to receive the carpet. Hoffman Construction will remove the carpet from the building and load it into the vehicle at no additional cost to Metro or the church. Please be aware that the carpet has no warranty and is provided "as-is."
