REPORT OF THE
METROPOLITAN CITIZENS LEAGUE
LAND USE TASK FORCE
TO THE BOARD OF DIRECTORS

The Metropolitan Citizens League Land Use Task Force has had ten meetings, and while it has concentrated on the post-acknowledgment authority of LCDC and Metro, the task force has necessarily had to study and analyze many other aspects of the land use regulatory system impacting the metropolitan area.

A comprehensive statement has been drafted by a subcommittee and is being reviewed by the entire task force. However, the review process has not been completed.

The task force has come to some firm positions with respect to amendments to comprehensive plans which it believes should be presented to the legislature. They are:

1. Local government should notify LCDC of all proposed amendments to comprehensive plans and any amendments which have been approved. This will enable LCDC to monitor plan amendment activities, to provide input during the process, and to determine whether LCDC should review specific plan amendments. (ADD AMENDMENT (A), INFRA)
2. LCDC should not have the power to overturn a comprehensive plan amendment unless it has major statewide significance and is in violation of statewide goals. However, local government shall have the burden of proof on these issues. There is concern that failure to limit LCDC intervention will make the system too cumbersome - and prevent LCDC from effectively performing its oversight role.

(ADD AMENDMENT (B), INFRA)

AMENDMENTS:

- (A) Add as last sentence to #1: "LCDC should have a limited time in which to respond"
- (B) Add concluding paragraph: "The Metropolitan Citizens League is dedicated to the regional perspective and its Land Use Task Force feels the responsibility, which it is addressing now, of resolving the future role of MSD in regional land use planning."

Attention: Robert G. Simpson, President

Dear Bob:

As I originally stated when I reluctantly said "yes" to serve on the Board for Metropolitan Citizen League, I just do not have the time to spend which it takes to do a good job. Therefore, rather than do a poor job, I find it necessary to submit my resignation.

We are currently opening new sales organizations in Dallas, Texas, Los Angeles and Seattle, and with Punch moving to Washington, D.C., I find that my time is very sparse.

Respectfully,

TOM BENSON INDUSTRIES

Dear Ron:

I must reluctantly resign my position from the Metropolitan Citizens' League Board. As you know, I have not attended a board meeting for months and had to relinquish my duties with the membership committee some time ago. My current workload at Bonneville is such that I simply cannot devote the attention this appointment properly deserves.

I genuinely appreciate the confidence and support you have shown in working with me.

Kindest regards,

George K. Beard
