First Annual Address on State and
Regional Relations

Our local governments and economies are facing lots of problems today. If you believe, as the sage Benjamin Franklin expressed so aptly, "That we either hang together, or we most assuredly hang separately," then I hope you will consider joining our regional group today. Membership in the Metropolitan Citizens League costs \$25 per year for individual members. Of course, your membership in the Metropolitan Citizens League is tax deductible.

Sincerely,

Rou Cease 66
