Projects:

1. Challenge to the Veterans' Hospital project.
2. Purchase of the PI buildings.
3. Comprehensive plan.

Would there be a great difference if Metro prepared a comprehensive plan and a comprehensive plan was made up of plans of constituent jurisdictions. Should a tax equalization program be included to soften the blow of relocation of industrial sites.

- 3.1 Ask the above questions of the planners at Metro. Ask the same questions of the county planners from outside Metro's boundaries.
- 3.2 Are the statutory guide lines of Metro relating to planning sufficient.
- 3.3 Is there a utility plan.
- 3.4 Who should have the responsibility for landfill siting. Should it be Metro or DEQ.
4. Statutory changes.
 - 4.1 Relationship between Metro and LCDC.
 - 4.2 Where does the power reside.
 - 4.3 Is the urban growth boundary correct.
 - 4.4 Can the legislature now change the charter of Metro.
5. Public transit takeover.
 - 5.1 Need for more responsibility and accountability.
 - 5.2 Eliminate the payroll tax.
 - 5.3 What is the influence of constituent governments on Tri-Met.
 - 5.4 What is the relationship between the Department of Transportation and Tri-Met and the City of Portland.

- 5.5 What is the long-range plan e.g., no underground in light rail system.
6. Boundary commission.
7. Analysis of financial base.
 - 7.1 Statutory restrictions.
 - 7.2 Other restrictions.
 - 7.3 A and B ballot.
8. Governing structure.
