## 2024 URBAN GROWTH MANAGEMENT DECISION: NEXT STEPS

---

Date: January 7, 2025  
Department: Planning, Development, and  
Research  
Meeting Date: January 28, 2025

Prepared by: Ted Reid, Principal Regional  
Planner [ted.reid@oregonmetro.gov](mailto:ted.reid@oregonmetro.gov)  
Presenter(s): Catherine Ciarlo (she/her);  
Eryn Kehe (she, her); Ted Reid (he, him)  
Length: 60 minutes

### ISSUE STATEMENT

Under state law, the Metro Council is required – at least every six years – to determine whether the urban growth boundary (UGB) has adequate land for expected housing and job growth. The Metro Council last made this determination in December 2024. At the time, the Metro Council also indicated its desire to have a follow up discussion of several topics that arose during the decision process.

### ACTION REQUESTED

Initiate a Metro Council discussion of potential work programs for growth management topics, including:

- Improving the incorporation of racial equity considerations into growth management.
- Clarifying concept planning requirements related to topics such as housing densities, housing mixes, housing affordability, racial equity analysis, Tribal consultation, and public engagement.
- Convening a taskforce to discuss challenges to industrial site readiness.
- Advancing regional housing production.
- Ensuring that Metro population and employment forecasts are based on the best available information and methodologies.

### IDENTIFIED POLICY OUTCOMES

The Metro Council may provide direction to staff to develop work programs to address the topics listed above.

### POLICY QUESTION(S)

- Does the Council wish to clarify any of its interests in the topics listed above?
- Does the Council wish to add any topics of interest for future consideration?
- Does the Council have any initial direction on possible work programs to address the topics above?

### POLICY OPTIONS FOR COUNCIL TO CONSIDER

The Council may provide staff with direction on:

- The topics to be addressed in work programs.

- Timelines for potential work programs.
- Engagement expectations for potential work programs.

### **STAFF RECOMMENDATIONS**

Staff recommends that the Council direct it to draft work programs to address the aforementioned topics. Staff would return to future Council work sessions for further discussion of these work programs.

### **STRATEGIC CONTEXT & FRAMING COUNCIL DISCUSSION**

Regional urban growth management decisions have long been one of the Metro Council's core responsibilities. The Metro UGB – first adopted in 1979 – is one of Metro's tools for achieving the 2040 Growth Concept's vision for compact growth, thereby protecting farms and forests outside the UGB and focusing public and private investment in existing communities. These are all key to reducing greenhouse gas emissions and expanding housing options.

Metro strives to improve its engagement practices, analyses, and decision outcomes with every growth management cycle. These efforts are in that vein.

### **BACKGROUND**

At its March 7, 2023 work session, the Council directed staff to begin implementing the work program for the 2024 urban growth management decision. The Council finalized its decision in December 2024.

### **ATTACHMENTS**

- Is legislation required for Council action? ☐ Yes ☒ No
- If yes, is draft legislation attached? ☐ Yes ☐ No

## Executive Summary

Metro Code Chapter 3.07 (the “Urban Growth Management Functional Plan” or “UGMFP”) and Chapter 3.08 (the “Regional Transportation Functional Plan” or “RTFP”) provide standards, tools, and guidance for local land use plans, transportation system plans, and implementing regulations that are necessary to advance the regional vision, goals, and policies of Metro’s Regional Framework Plan and the 2040 Growth Concept.

As required annually by Metro Code Subsection 3.07.870(a), the 2024 Compliance Report summarizes the status of compliance with the UGMFP for each city and county in the region.<sup>1</sup> To better connect land use planning with transportation planning, this report also includes information on local government compliance with the RTFP.

All jurisdictions are in compliance with the UGMFP, with the exception of a few jurisdictions that continue to work to satisfy UGMFP Title 11 requirements related to planning for areas previously added to the urban growth boundary (UGB). All jurisdictions are in compliance with their respective RTFP requirements.

Per the Metro Code and if requested, the Chief Operating Officer (COO) may grant formal extensions to deadlines for meeting UGMFP requirements if a local government meets one of two criteria: the city or county is making progress towards compliance; or there is good cause for failure to meet the deadline for compliance. In 2024, there were no requests for extensions of compliance dates for the UGMFP. Nonetheless, this report notes that progress is being made by cities and counties to address listed deficiencies.

Similarly, per the Metro Code, the COO may grant formal exemptions to meeting RTFP requirements if the COO finds the following: the city or county’s transportation system is generally adequate to meet transportation needs; little population or employment growth is expected over the period of the exemption; the exemption would not make it more difficult to accommodate regional or state transportation needs; and the exemption would not make it more difficult to achieve the performance objectives set forth in Section 3.08.010(A) of the RTFP. The COO received and granted requests for exemption from the RTFP requirements from two cities – Durham and Maywood Park. The COO determined Johnson City and Rivergrove were also eligible for exemption from the RTFP requirements and granted exemptions to both cities. The duration of all four exemptions is for 10 years, until December 31, 2034.

The following page describes the four appendices included in this compliance report.

---

<sup>1</sup> Metro Code Subsection 3.07.870(a) requires Metro’s COO to submit the report to the Metro Council by March 1 and to send a copy of the report to MPAC, JPACT, PERC, and each city and county within Metro.

**Appendix A** summarizes the compliance status for all local governments with each title of the UGMFP, as of December 31, 2024.

**Appendix B** provides further details on the status of compliance with UGMFP Title 11 new urban area planning for areas added to the UGB since 1998, as of December 31, 2024. During 2024, Beaverton came in to compliance with their Title 11 requirements for comprehensive planning of the Cooper Mountain 2018 UGB expansion area.

**Appendix C** summarizes local jurisdictions' compliance with the RTFP, as of December 31, 2024.

**Appendix D** is the report required by Metro Code Subsection 3.07.450(k) on amendments made in 2024 to the UGMFP Title 4 Employment and Industrial Areas Map (also known as the "Industrial and Other Employment Areas Map" and the "Title 4 Map").<sup>2</sup>

---

<sup>2</sup> Subsection 3.07.450(k) requires the COO to submit a written report to the Metro Council and MPAC by January 31 of each year on the cumulative effects on employment land in the region of the amendments made to the Title 4 Map the preceding year. The report must include any recommendations the COO deems appropriate on measures the Council might take to address the effects.

## APPENDIX D

Date: January 13, 2025  
To: Metro Council and the Metro Policy Advisory Committee (MPAC)  
From: Marissa Madrigal, Chief Operating Officer  
Subject: Annual report on amendments to UGMFP Title 4 Map

---

### **Background**

Title 4, *Industrial and Other Employment Areas*, of the Urban Growth Management Functional Plan (UGMFP) seeks to improve the region's economy by protecting a supply of sites for employment with requirements for local jurisdictions to limit the types and scale of certain non-industrial uses in designated Regionally Significant Industrial Areas, Industrial Areas, and Employment Areas. Designated areas are officially depicted on the UGMFP's "*Title 4 Industrial and Other Employment Areas Map*" (i.e., the "Title 4 Map").

Title 4 requires that Metro's Chief Operating Officer (COO) submit a written report to the Metro Council and MPAC by January 31 of each year on the cumulative effects on employment land in the region of amendments to the Title 4 Map during the preceding calendar year. This memo constitutes the report on map amendments made in 2024.

### **Cumulative effects of Title 4 Map amendments in 2024**

There were no amendments to the Title 4 Map in 2024 that were made effective in 2024.

On December 5, 2024, the Metro Council approved Ordinance No. 24-1520 to expand the urban growth boundary (UGB) to include the roughly 1,200-acre Sherwood West urban reserve. The ordinance also amends the Title 4 Map to apply an 'Industrial Area' designation to approximately 275 acres of the expansion area. Acknowledgement of the UGB expansion by the Land Conservation and Development Commission is pending, and the Title 4 Map will not be formally updated until after Ordinance No. 25-1520 becomes effective.

### **Future UGMFP and Title 4 Map updates**

On January 9, 2025, the Metro Council held a public hearing on Ordinance No. 25-1522, which proposes to amend the Title 4 Map for the Montgomery Park neighborhood of the City of Portland. If adopted by the Metro Council, the ordinance will remove approximately 59 acres of Title 4 designations in the neighborhood in support of the City's locally adopted 'Montgomery Park Area Plan' and to advance policies of Metro's Regional Framework Plan.

A 'future vision' effort that takes a fresh look at the 2040 Growth Concept would offer an opportunity for Metro Council consideration of industrial land policy and regulatory updates, including an update of the Title 4 program and the Title 4 Map.

Topic/recommendation		Who requested/ recommended?
Racial equity in analysis and engagement		
1	<b>Equitable use of data</b> <i>“Metro should commission an expert in data equity to develop a comprehensive framework that addresses how data collection, analysis, and reporting will account for racial and social equity. This framework should guide future UGB decisions and be developed well in advance of the next cycle to ensure thorough implementation”</i>	CORE
2	<b>Evaluate Metro data to ensure data justice</b>	CORE
3	<b>Improve collaboration between PD&amp;R and DEI Departments</b>	CORE
4	<b>Bake racial equity and inclusion criteria into current and future processes from the beginning, using them to guide decision-making, determine key partners and social impact</b>	CORE
5	<b>Center human impact</b>	CORE
6	<b>Invest proper resources and time to allow thoughtful engagement with CORE, while minimizing harm and loss of trust</b>	CORE
7	<b>Implement ongoing, practical professional development centered on Metro’s SPAREDI</b> , showing staff how to apply racial equity principles to their daily work, data analysis, and presentations	CORE
8	<b>Train and educate every Metro staff member</b> so they understand the historical and ongoing racial equity impacts of their department	CORE
9	<b>Commit to authentic and accountable community engagement; evaluate Metro’s methodologies in creating inclusive environments</b> <ul style="list-style-type: none"> <li>– Avoid manufactured urgency and tokenization</li> <li>– Respect and accept community members’ lived experience as real expertise</li> </ul>	CORE

Concept plan requirements for future urban growth boundary expansion proposals		
10	<b>Clarify UGB Concept Plan requirements</b> to ensure potential UGB expansion applicants are aware of Metro Council goals and requirements in advance of concept planning: <ul style="list-style-type: none"> <li>• Housing density</li> <li>• Housing affordability</li> <li>• Community engagement</li> <li>• Tribal consultation</li> <li>• Racial equity analysis</li> </ul>	Regional partners, MPAC members and Council members
Understanding housing and job growth
