RESUME

ERNIE BONNER 2836 SE Main, Portland, Oregon, U.S.A.
(503) 232-9517 (Home) or (503) 230-5486

Education

Bachelor of Architectural Engineering, Univ. of Colorado
Bachelor of Business Science, Univ. of Colorado
Master of Urban and Regional Planning, Cornell University
PhD Candidate in Economics, University of Pittsburgh

Experience

Mr. Bonner is experienced in energy conservation, electric utility marketing and operation, management, land development and planning, economic development, solar energy and cable TV.

From September 1983 to the present, Mr. Bonner has been employed by the Bonneville Power Administration as head of Marketing in the Office of Conservation. He manages a team of 7 in the marketing of programs to increase energy efficiency in the BPA region (most of the 4 northwest states of the U.S.)

From March 1980 to September 1983, Mr. Bonner was President of Sunlight Energy Systems, a firm marketing solar energy equipment in Oregon and Washington.

From June 1978 to March 1980, Mr. Bonner was President of Bonner Planning of Oregon--a private consulting firm specializing in planning, economic development, housing and historic preservation.

From September 1973 to June 1978, Mr. Bonner was Director of Planning for the City of Portland--a planning agency with 55 employees and an annual budget of almost \$2 Million.

From 1970 to 1973, Mr. Bonner was Chief Planner in charge of comprehensive planning for the City of Cleveland, Ohio.

Mr. Bonner was Assistant Professor, Department of Urban and Regional Planning, University of Wisconsin, Madison, Wisconsin from 1968 to 1970.

Special Assignments and Appointments

Visiting Lecturer, University of Helsinki Seminar on Planning and Programming for practicing planners in Finland. Taught 30-hour course on regional economic development with focus on issues in Finland.

Vice-Chairman, National Committee on Outdoor Advertising, U.S. Department of Transportation Committee to advise Congress on desirable changes in the Scenic Highways Act.

Past Member of the City of Portland Willamette River Advisory Group and Past Vice Chairman of Portland Downtown Design Review Committee.

Presiding Officer, and elected representative from District 8, to Metropolitan Service District (METRO)--the only regional government body in the U.S. with elected representatives on its governing board. Past Chairman of Transportation, Development and Recycling Committees. Current member Convention, Trade and Spectator Facilities Task Force.

Executive Producer, Metro 7, an amateur video production group producing programs of local interest on cable TV

Publications

Impact of the Space Program on a Local Economy, West Virginia University, 1967. Co-Author with Miernyk, Chapman and Shellhammer.

Techniques for Area Planning, RDI, Pittsburgh, Pa., 1967, co-Author with Fahle.

"Academics and Economics--The Impact of a University on its Local Community," AIP Journal, September, 1968.

"The Influence of a National Income Maintenance Program on Migration of the Poor" and "The Effects of a National Income Maintenance Program on the Level and Industrial Composition of Economic Activity in Metropolitan Areas," both from A Comprehensive Analysis of the Issues for Research Demonstration and Experimentation in Income Maintenance, Institute for Research on Poverty, University of Wisconsin, Vol. 1, 1971.

~~Ernie Bonner represents METRO District 8 in southeast Portland.~~

Ernie Bonner, representing District 8 in southeast Portland, has a thorough knowledge of local and regional planning issues. As the City of Portland's Planning Director from 1973 to 1978, he is also familiar with area politics and has been involved in a number of committees and task forces dealing with regional problems.

Since June 1978, Ernie has been President of Bonner Planning -- a private consulting firm specializing in planning, housing development and historic preservation. Ernie also was Chief Planner in charge of comprehensive planning and research in Cleveland, Ohio, and was Assistant Professor at the University of Wisconsin's Department of Urban and Regional Planning.

At METRO, Ernie is chairman of the Council's Regional Development Committee, which is responsible for planning and development activities in transportation, metropolitan development and public facilities.

Ernie and his wife, Lynn, reside in southeast Portland.
